BLACK DESERT PUBLIC INFRASTRUCTURE DISTRICT

BLACK DESERT ASSESSMENT AREA #1

AMENDED AND RESTATED ASSESSMENT ORDINANCE

DATED AS OF MARCH 7, 2024

AMENDED AND RESTATED ASSESSMENT ORDINANCE

WHEREAS, the Board of Trustees (the “Board”) of the Black Desert Public Infrastructure District (the “District”), adopted Resolution No. 2024-02 on January 11, 2024 (the “Authorizing Resolution”), pursuant to which the Board authorized and approved an Assessment Ordinance (as subsequently amended, the “Original Assessment Ordinance”) and the form of the related designation resolution (the “Designation Resolution”); and

WHEREAS, the Board adopted Resolution No. 2024-04 on March 6, 2024 (the “Authorizing Resolution”), pursuant to which the Board authorized and approved an Amended and Restated Assessment Ordinance (the “Amended and Restated Assessment Ordinance”), amending and restating the Original Assessment Ordinance, and the form of the related designation resolution (the “Designation Resolution”); and

WHEREAS, the District, pursuant to the Assessment Area Act, Title 11 Chapter 42, Utah Code Annotated 1953, as amended (the “Act”), and pursuant to the Authorizing Resolution and the Designation Resolution, designated the Black Desert Assessment Area #1 (the “Assessment Area”) after having obtained from the fee simple owner(s) of all the property to be assessed within the Assessment Area (the “Title Owners”) an executed Acknowledgement, Waiver and Consent Agreement (the “Waiver and Consent”) attached to the Designation Resolution; and

WHEREAS, the District plans to finance the costs of publicly owned infrastructure, facilities or systems as part of an approximately 600-acre residential and commercial development (the “Black Desert Development”). The District has previously issued its Limited Tax General Obligation Bonds, Series 2021 (the “Limited Tax Bonds”) to finance a portion of the improvements within the Black Desert Development and plans to levy the assessments to finance the remainder of the Improvements within the Black Desert Development. The District may elect in the future to issue more Limited Tax Bonds and accordingly reduce the assessments to finance the Improvements. The Board desires to assess and finance the Improvements (plus related overhead, administration, capitalized interest, reserves, permits, fees, and closing costs) benefitting the Assessment Area as follows:

- Parking improvements, including, but not limited to underground and structured parking facilities.
- Sewer mains, manholes and manhole linings, sewer cleanouts, and laterals (various sizes).
- Water mains, valves, tees/crosses, bends, thrust bonds, fire hydrants, blow offs and appurtenances (various sizes).
- Roads and roadway improvements including, but not limited to, street signage, centerline monuments, conduit crossings, street striping, streetlights and mailboxes.
- Storm drain pipes, junction boxes, inlets, culverts, trash racks, rip-rap and geotextile fabric.

-Amenities, including parks, nature centers, trails, convention centers (if any), and related improvements.

WHEREAS, the Board has (i) determined the total estimated cost of the Improvements, (ii) received an appraisal (the "Appraisal") of the property to be assessed (from an appraiser who is a member of the Appraisal Institute) and addressed to the District verifying that the market value of the property, after completion of the proposed improvements, is at least three times the amount of the assessments proposed to be levied against the property to be assessed, and (iii) desires to assess the properties within the Assessment Area, and has prepared an assessment list of the assessments to be levied to finance the cost of the Improvements (the "Assessments"); and

WHEREAS, the Board hereby finds that pursuant to the Act, the Improvements constitute a publicly owned infrastructure, facility, or system that (i) the District is authorized to provide or (ii) is necessary or convenient to enable the District to provide a service that the District is authorized to provide; and

WHEREAS, certain portions of the Parking Zone and the Residential Zone (each as defined herein) are within the same parcels, and it is anticipated that such parcels will be subdivided into condominium plats which will delineate such Assessment Zones (as defined herein); and

WHEREAS, certain Title Owners have previously encumbered certain commercial areas (the "Commercial Property") within the Assessment Area pursuant to an Amended and Restated Loan Agreement between BD Resort Center, Enlaw, LLC, and Petros PACE Finance Titling Trust, dated March 1, 2023 (the "Petros Loan Agreement"); and

WHEREAS, the Petros Loan Agreement does not encumber any portion of the Golf Zone (as defined herein) and pursuant to its terms will not encumber any residential development or parking structures; and

WHEREAS, the District and the Title Owners do not intend to assess the Commercial Property and intend to release such property from the lien of the Assessments as it is subdivided prior to any billing (provided that any release or reallocation shall only occur in accordance with the provisions of this Ordinance); and

WHEREAS, the District now desires to confirm the assessment list and to levy said Assessments in accordance with this Ordinance:

WHEREAS, the Title Owners have presented evidence to the District, and the Board hereby finds that the residential improvements and density assumed in the Appraisal are accurate, permitted and available within the Assessment Area without any diminishment from the anticipated Commercial Property; and

NOW THEREFORE, BE IT ORDAINED BY THE BOARD OF TRUSTEES OF THE BLACK DESERT PUBLIC INFRASTRUCTURE DISTRICT:

Section 1. Definitions; Appraisal Requirement. Capitalized terms used herein but not otherwise defined shall have the meanings ascribed to such terms in the Designation Resolution. For purposes of this Ordinance:

(a) “ATV Ratio” means the Assessment to Value Ratio and shall be the ratio of (A) the remaining unpaid Assessment on a Subdivision Parcel or Remaining Subdivision parcel, as applicable, plus any other unpaid assessment liens or property tax liens on such Subdivision Parcel divided by (B) the Fair Market Value of such Subdivision Parcel.

(b) “Fair Market Value” shall be determined using either taxable value as maintained on the tax records of Washington County, Utah (the “County”) (plus the costs of the Improvements if not accounted for yet in the taxable value) or by appraised value presented by the owner of the Subdivision Parcel or Remaining Subdivision Parcel, as applicable, and determined by a certified appraiser acceptable to the District, including the costs of the Improvements and any other additions or improvements to the extent currently funded at the time of such appraisal, and meeting any other appraisal requirements of the District related to the Assessment Bonds.

(c) “Original ATV Ratio” means the ATV Ratio on a parcel, Subdivision Parcel, or Remaining Subdivision Parcel, as applicable, at the time of closing of the Assessment Bonds (as reasonably determined by the District).

(d) Whenever an appraisal is required under this Ordinance, the District and Title Owners may continue to utilize an appraisal previously delivered in connection with the Assessment Area so long as (i) such appraisal describes the intended use of the Subdivision Parcel and such parcel entitled for such intended use and/or density (as applicable), (ii) the Title Owner certifies in writing that it is not aware of any facts or circumstances that would cause the relevant values contained in such appraisal to be materially less than the market value of the Subdivision Parcel, and (iii) the District in its reasonable judgement has no reason to question such certification.

Section 2. Determination of Estimated Costs of the Improvements and Right of District to Levy Additional Assessments for Completion. The Board has determined that the estimated acquisition, construction and installation costs of the Improvements within the Assessment Area, including estimated overhead costs, administrative costs, costs of funding reserves, capitalized interest, and debt issuance costs, is estimated at \$234,870,000. Such amount to be levied is an estimate, as permitted under Section 11-42-401 of the Act. If the District issues less than the full amount of Assessment Bonds (defined herein) or the Assessments are not sufficient in amount to complete the Improvements and pay related costs as described above, the Owners shall be responsible to pay the remaining amount in order to complete the Improvements, including through funds or debt of such Owners. However, the District does not guaranty such payments from the Owners. Therefore, if for any reason the Owners do not pay such remaining amount to complete the Improvements, any and all property owners within the Assessment Area shall be responsible for paying any pro-rata share of additional costs required to complete the Improvements, including, but not limited to, an additional assessment on their property without any ability to contest such assessment.

Section 3. Approval of Assessment List; Findings. The Board confirms and adopts the assessment list for the Assessment Area, a copy of which is attached hereto as Exhibit A and incorporated herein by reference (the “Assessment List”). The Board has determined that the Assessments are levied according to the benefits to be derived by each property within the

Assessment Area and, in any case, the Owners have consented to such methodology as provided in Section 11-42-409(5) of the Act.

Section 4. Levy of Assessments. The Board does hereby levy an Assessment against each parcel of property identified in the Assessment List. Said Assessments levied upon each parcel of property therein described shall be in the amount set forth in the Assessment List, provided that initially the Assessments shall initially be allocated against the entirety of the legal descriptions for each Assessment Zone (defined herein). The amount of Assessments levied upon each parcel of property in the Assessment Area reflects an equitable portion of the benefit each parcel of property will receive from the Improvements and, in any case, the Owners have consented to such methodology as provided in Section 11-42-409(5) of the Act.

Section 5. Amount of Total Assessments. The Assessments do not exceed in the aggregate the sum of: (a) the estimated contract price of the Improvements (plus related capitalized soft costs); (b) the estimated acquisition price of the Improvements; (c) the reasonable cost of (i) utility services, maintenance, and operation to the extent permitted by the Act and (ii) labor, materials, or equipment supplied by the District, if any; (d) the price or estimated price of purchasing property; (e) overhead costs not to exceed fifteen percent (15%) of the sum of (a), (b), and (c); (f) an amount for contingencies of not more than ten percent (10%) of the sum of (a) and (c); (g) estimated interest on interim warrants and bond anticipation notes issued to finance the Improvements, if any; (h) an amount sufficient to fund a reserve fund; and (i) the capitalized interest on each assessment bond.

Section 6. Method and Rate. All benefited properties within the Assessment Area will be assessed for all of the above-described improvements and will initially be assessed as follows: (a) for the structured parking properties (the "Parking Zone"), pursuant to a per square foot of structured parking method of assessment (the "Parking Methodology"); (b) for the golf course properties (the "Golf Zone"), on a per acre methodology (the "Acreage Methodology"); and (c) for the residential and related properties (the "Residential Zone" and together with the Parking Zone and the Golf Zone, each an "Assessment Zone" and collectively, the "Assessment Zones"), pursuant to an equivalent residential unit ("ERU") methodology (the "ERU Methodology"), each as further described below:

Parking Zone

<u>Assessment</u>	<u>Assessment Methodology</u>	<u>Anticipated Total S.F.</u>	<u>Assessment Per S.F. of Structured Parking</u>
\$34,650,000.00	Parking Methodology	513,291	\$67.51

Golf Zone

<u>Assessment</u>	<u>Assessment Methodology</u>	<u>Total Acres</u>	<u>Assessment Per Acre</u>
\$17,600,000.00	Acreage Methodology	40.88	\$430,528.38

Residential Zone

<u>Assessment</u>	<u>Assessment Methodology</u>	<u>Total ERUs</u>	<u>Assessment Per ERU</u>
\$182,620,000.00	ERU Methodology	713	\$256,129.03

Notwithstanding the levy of the assessments, in order to provide additional security for the payment of assessments, the District shall require that all assessments of all properties owned by the same Owner within the Assessment Area (or an affiliate of the same Owner) be aggregated as a single unified assessment against all properties owned by the same Owner within the Assessment Area (or an affiliate of the same Owner). As used in this Ordinance, the term “affiliate” means with respect to any Owner, any person that controls, is controlled by or is under common control with such Owner, and the term “control” or “controlled” means the ownership of more than twenty percent (20%) of the outstanding voting ownership interests of the Owner in question or the power to direct the management of the Owner in question (subject to any required approvals for major decisions by anyone holding equity interests in the owner in question).

Section 7. Payment of Assessments.

(a) The Board hereby determines that the Improvements have a weighted average useful life of not less than fifty (50) years, and has elected to have the Assessments prepaid or re-allocated upon conveyance (if any) of a parcel to an entity or person unrelated to ENLAW LLC, a Delaware limited liability company; BD Resort Center LLC, a Delaware limited liability company; or their affiliates (collectively, the “Developer”). The aggregate annual Assessment payments shall be in substantially equal amounts, subject, however, to adjustment as described herein. Interest on the unpaid balance of the Assessments shall accrue at the same rate or rates as shall be borne by the assessment bonds anticipated to be issued by the District for the Assessment Area (or any bonds which refund the same) (the “Assessment Bonds”), plus an annual administration cost incurred by the District in an amount not to exceed \$75,000 per year, plus any third party direct out of pocket costs of the District related to the administration and collection of the Assessments. The District may outsource all or a portion of the administration services, including legal costs or consulting costs as an additional out of pocket cost, including, but not limited to, all costs related to foreclosure (and other remedies) and amendments to this Ordinance.

(b) The District will collect the Assessments by directly billing each property owner rather than inclusion on a property tax notice. The bill for each Assessment payment shall be due September 1 of each year (approximately 30 days after sending such bill, which shall be sent on or prior to August 1 of each year, anticipated to commence August 1, 2025, due to estimated capitalized interest). However, failure to send any such bill by the scheduled date shall not impact the requirement of property owners to timely pay their Assessments on the due date thereof.

(c) All unpaid installments of an Assessment levied against any parcel of property may be paid prior to the dates on which they become due, but any such prepayment must include an additional amount equal to the interest which would accrue on the Assessment to the next succeeding date on which interest is payable on the Assessment Bonds, plus such additional amount as, in the opinion of the District Chair or

designee as approved by the District (the “Chair”) (with assistance from the administrator of the Assessments, if any), is necessary to assure the availability of money to pay interest on the Assessment Bonds as interest becomes due and payable, plus any premiums required to redeem the Assessment Bonds on their first available call date pursuant to the Indenture (defined herein), plus any reasonable administrative costs.

(d) The property assessed has yet to be fully subdivided as anticipated for development (including anticipated subdivision into condominium plats for the Parking Zone and the Residential Zone). The property identified on the Assessment List (whether before or after formal subdivision individually and each Assessment Zone, a “Subdivision Parcel” and collectively, the “Subdivision Parcels”) may hereafter be subdivided and re-subdivided, with the consent of the District (which consent shall not be unreasonably withheld). The owner of a Subdivision Parcel may make changes to that Subdivision Parcel including, without limitation, reducing or increasing the size of that Subdivision Parcel, modifying the boundary description of that Subdivision Parcel, and otherwise make changes necessary or appropriate to plat that Subdivision Parcel; provided that (i) the total Assessment of that Subdivision Parcel after the applicable change is unaffected and (ii) the ATV Ratio is greater than or equal to the lesser of (A) the Original ATV Ratio or (B) 33.3%. Provided, however, any adjustment of a parcel outside of the boundaries of the Assessment Area would require an amendment to this Ordinance to that effect, in accordance with the Act. Once a Subdivision Parcel is subdivided, the lien of the Assessment Area will be re-allocated to or released from, as appropriate, any property located outside the subdivided portion of that Subdivision Parcel by either the District adopting an amendment to this Ordinance or by the Chair or other authorized officer of the District authorized to make such changes and record the applicable notices (within the provisions of this Ordinance) and provided the ATV Ratio of such subdivided portion (after release of the property), is greater than or equal to the lesser of (A) the Original ATV Ratio or (B) 33.3%.

(e) An interest in a Subdivision Parcel may be sold, transferred or exchanged to any person or entity (the “Title Owner”) so long as the interest is recognized by the County and charged a distinct property tax bill by the County. A Title Owner may further subdivide or create a new Title Owner on the Subdivision Parcel and such new Subdivision Parcels are reallocated Assessments in compliance with this Ordinance. When a Title Owner of any Subdivision Parcel in the Assessment Area subdivides, re-subdivides or creates a new Title Owner, it shall allocate the responsibility to pay Assessments tied to that Subdivision Parcel among Title Owners in accordance with (i) or (ii) below. Such reallocation of Assessments must be approved by all Title Owners subject to the reallocation by execution of a form reasonably satisfactory to the Chair or other authorized officer of the District and similar in form to the Waiver and Consent, and with the consent of the Chair, which consent shall not be unreasonably withheld, conditioned or delayed, but such consent shall be limited solely to the allocation of developable acreage or other assessment method to Subdivided Parcels and withheld only where the information, assumptions and/or formula described in this section create less security for the repayment of the Assessments for the District or holders of Assessment Bonds than the security contemplated in this Section 7(e). The final plat for any Subdivision Parcel recorded after the effective date of this Ordinance must include a plat note that provides the exact

allocation of the Assessments among Title Owners and the Assessment List attached as Exhibit A to this Ordinance must be accordingly amended, and the Chair or other authorized officer of the District is hereby authorized to make such amendments, but may also seek the approval of the Board at his/her discretion. For any reallocation of Assessments tied to a Subdivision Parcel among Title Owners, the Title Owners may either:

(i) Reallocate in full the Assessments ascribed to that Subdivision Parcel(s) using the methodology of each related Assessment Zone as contemplated in this Section 7(e); or

(ii) As long as the aggregate Assessments tied to a Subdivision Parcel in the Assessment Area are allocated in full among Title Owners of that Subdivision Parcel, a Title Owner of that Subdivision Parcel may reallocate the Assessments to the interest(s) of Title Owners in such Subdivision Parcel based on either:

(A) the methodology of each related Assessment Zone or a then current Fair Market Value method, or

(B) if the Chair reasonably determines that such reallocated assessment method selected by the Title Owners will not reasonably allocate benefit among the Title Owners in such Subdivision Parcel, any other assessment method reasonably allocating benefit as determined in the reasonable discretion of the Chair or other authorized officer of the District,

so long as, following a reallocation as described in this paragraph, the then current ATV Ratio of each remaining interest in such Subdivision Parcel and all other affected parcels must be greater than or equal to the lesser of (A) the Original ATV Ratio or (B) 33.3%

(f) A release of the Assessment lien for any Subdivision Parcel will be delivered by the District for recordation with the County Recorder as soon as practicable after the Assessment balance for such subdivided parcel is paid in full. If prepayment of an Assessment prior to the Assessment payment date arises out of a need of the property owner to clear the Assessment lien from a portion (a "Release Parcel") but not all of a Subdivision Parcel, the Assessment lien on the Release Parcel shall be released by the District, as follows:

(i) The Title Owner(s) shall submit the legal description of the Release Parcel which shall include the total number of developable acres allocated to the Release Parcel pursuant to the procedure set forth in this Ordinance. If an assessment allocation method other than developable acreage has been applied to a parcel, the release procedures in this subsection (f) shall apply using the new assessment method in lieu of developable acreage.

(ii) The Title Owner(s) shall prepay an Assessment applicable to the Release Parcel calculated by the Chair (with assistance from the administrator of the Assessments, if any), which Assessment shall be the product of the following:

(A) the amount of the prepayment calculated pursuant to Section 7(c) herein for the

entire Subdivision Parcel less any previously paid regularly scheduled Assessment payments, (B) multiplied by the percentage calculated by dividing the number of developable acres of the Release Parcel by the total number of developable acres of the entire Subdivision Parcel.

(iii) The partial release of lien upon payment of the prepayment amount determined under subsection (ii) above shall not be permitted, except as otherwise provided in this paragraph, if the ATV Ratio of the Subdivision Parcel, after release of the Release Parcel (the "Remaining Subdivision Parcel"), is less than the lesser of (A) the Original ATV Ratio or (B) 33.3%. If the Chair (with assistance from the administrator of the Assessments, if any) determines that the proposed partial release does not comply with the requirements of this paragraph, such partial release may still be permitted if the Title Owner(s) prepays a larger portion of the Assessment in order to clear the Assessment lien from the Release Parcel, all as determined by said Chair (with assistance from the administrator of the Assessments, if any).

(iv) Prepayments of Assessments shall be applied as provided in the indenture of trust and pledge under which the Assessment Bonds are issued (the "Indenture"). As prepayments are paid and applied against the payment of the Assessment applicable to the Release Parcel, the Release Parcel shall be released from the lien of the Assessment in accordance with this subsection (f), and the remaining unpaid Assessments levied against the Remaining Subdivision Parcel shall remain unaffected.

Section 8. Default in Payment.

(a) If a default occurs in the payment of any Assessment on a Subdivision Parcel when due, and such default is not cured within the period provided for in Section 8(b) herein, the Chair, on behalf of the Board, may declare the unpaid amount of such Assessment on such Subdivision Parcel to be immediately due and payable and subject to collection as provided herein. Interest shall accrue and be paid on all amounts declared to be delinquent and immediately due and payable at a rate of 10% per annum (the "Delinquent Rate"). In addition to interest charges at the Delinquent Rate, costs of collection, as approved by the Chair on behalf of the Board, including, without limitation, attorneys' fees, trustee's fees, and court costs, incurred by the District or required by law shall be charged and paid on all amounts declared to be delinquent and immediately due and payable. Until such costs of collection are recovered by the District, the District may charge such costs as an additional overhead cost against all Assessments, with a credit later upon any recovery of such costs. The District hereby waives its right to accelerate payment of the total unpaid balance of an Assessment and declare the whole of the unpaid principal and interest then due to be immediately due and payable after a default as provided in Section 11-42-505(1)(b) of the Act.

(b) Upon any default, the Chair shall give notice in writing of the default to the Title Owner(s) of the Subdivision Parcel in default as shown by the last available completed real property assessment rolls of Washington County. Notice shall be effective

upon deposit of the notice in the U.S. Mail, postage prepaid, and addressed to the Title Owner(s) as shown on the last completed real property assessment rolls of the County. The notice shall provide for a period of thirty (30) days in which the Title Owner(s) shall pay the installments then due and owing, after which the Chair, on behalf of the District, may immediately sell the Subdivision Parcel pursuant to Section 11-42-502.1(2)(a)(ii)(B) and related pertinent provisions of the Act, in the manner provided for judicial foreclosures. If at the sale no person or entity shall bid and pay the District the amount due on the Assessment plus interest and costs, the Subdivision Parcel shall be deemed sold to the District for these amounts. The District shall be permitted to bid at the sale. So long as the District affirmatively elects to retain ownership of the Subdivision Parcel, it shall pay all delinquent Assessment installments and all Assessment installments that become due, including the interest on them and shall be entitled to use amounts on deposit in the Reserve Fund (as defined herein) for such purpose. The District notes it has no current intention of owning the Subdivision Parcel and will surrender the Subdivision Parcel "as is" and without guaranty or warranty to owner(s) of the Assessment Bonds in full satisfaction of all obligations to such owner(s) of the Assessment Bonds irrespective of the owner(s) of the Assessment Bonds accepting the same.

(c) The remedies provided herein for the collection of Assessments and the enforcement of liens shall be deemed and construed to be cumulative and the use of any one method or means or remedy of collection or enforcement available at law or in equity shall not deprive the District of the use of any other method or means. The amounts of accrued interest and all costs of collection, trustee's fees, attorneys' fees, and other reasonable and related costs, shall be added to the amount of the Assessment against such Subdivision Parcel up to, and including, the date of foreclosure sale.

Section 9. Remedy of Default. If prior to the final date payment may be legally made under a final sale or foreclosure of property to collect delinquent Assessments, the Title Owner(s) pays the full amount of all unpaid installments of principal and interest which are past due and delinquent with interest on such installments at the rate or rates set forth in Section 8 herein to the payment date, plus all attorneys' fees, and other costs of collection, the Assessment of said Title Owner(s) shall be restored and the default removed, and thereafter the Title Owner(s) shall have the right to make the payments in installments as if the default had not occurred. Any payment made to cure a default shall be applied first, to the payment of attorneys' fees and other costs incurred as a result of such default; second, to interest charged on past due installments, as set forth above; third, to the interest portion of all past due Assessments; and last, to the payment of outstanding principal.

Section 10. Lien of Assessment. An Assessment or any part or installment of it, any interest accruing thereon and the penalties, trustee's fees, attorneys' fees, and other costs of collection therewith shall constitute a lien against the Subdivision Parcel upon which the Assessment is levied on the effective date of this Ordinance. Said lien shall be superior to the lien of any trust deed, mortgage, mechanic's, or materialman's lien, or other encumbrance and shall be equal to and on a parity with the lien for general property taxes. The lien shall apply without interruption, change in priority, or alteration in any manner to any reduced payment obligations and shall continue until the Assessment, reduced payment obligations, and any interest, penalties, and costs on it are paid, notwithstanding any sale of the property for or on account of a delinquent

general property tax, special tax, or other Assessment or the issuance of a tax deed, an assignment of interest by the County or a sheriff's certificate of sale or deed. Notwithstanding the seniority of the lien described herein, the land use restrictions described in section 13 of this Amended and Restated Assessment Ordinance shall survive any foreclosure hereunder.

Section 11. Reserve Fund.

(a) The District does hereby establish a reserve fund (the "Reserve Fund") in lieu of funding a guaranty fund, as additional security for the Assessment Bonds.

(b) The Reserve Fund shall be initially funded from proceeds of the Assessment Bonds in an amount not to exceed the least of (i) ten percent (10%) of the proceeds of the Assessment Bonds determined on the basis of its initial purchase price to the public, (ii) the maximum aggregate annual debt service requirement during any bond fund year for the Assessment Bonds, and (iii) 125% of the average aggregate annual debt service requirement for the Assessment Bonds (the "Reserve Requirement"). The cost of initially funding the Reserve Fund is included in the Assessments of the property in the Assessment Area. The Reserve Requirement shall be adjusted as property owners prepay their Assessments in full as provided in the Indenture. The moneys on deposit in the Reserve Fund, if any, shall be applied to the final Assessment payment obligation of the assessed properties and used to make the final payment on the Assessment Bonds. If the amounts on deposit in the Reserve Fund exceed the final Assessment obligation, any excess amounts shall be paid by the District to the owners whose properties were subject to the final Assessment payment obligation on a pro rata basis, as an excess Assessment payment.

(c) In the event insufficient Assessments are collected by the District to make the debt service payments on the Assessment Bonds, the District shall draw on the Reserve Fund to make up such deficiency, but shall have no obligation to replenish the Reserve Fund with any funds other than those collected from Assessments as described herein.

(d) Amounts recovered by exercise of any of the remedies provided herein or otherwise from delinquent Assessments (and not needed to pay amounts coming due on the Assessment Bonds) shall be used to replenish amounts drawn from the Reserve Fund.

(e) In the event the Assessment Bonds are refunded, the Reserve Requirement may be adjusted by the District and amounts in the Reserve Fund may be applied to assist in such refunding. Any refunding of the Assessment Bonds is hereby permitted so long as the structure thereof shall not increase the total cost of the Assessments in any one year.

Section 12. Investment Earnings. Except as otherwise provided in the Indenture, all investment earnings on the Reserve Fund shall be maintained in said Fund and applied in the same manner as the other moneys on deposit therein as provided in the Indenture.

Section 13. Parking Zone Land Use Restriction.

(a) The District and the Title Owners, by execution of the Waiver and Consent, agree, declare, and covenant for the benefit of themselves and each of them, and the residents and taxpayers of the District, that notwithstanding any subsequent conveyance,

lease, or foreclosure (including foreclosure under this Amended and Restated Assessment Ordinance) of any property within the Parking Zone that the parking structures within the Parking Zone (the "Parking Structures") shall continue to be used for public parking for a period of not less than fifty (50) years following the effective date of this Ordinance (a period exceeding the current estimated useful life of the Parking Structures), such restriction to run with the land. The terms of use, applicable fees, and operation of the Parking Structures may be established pursuant to one or more management contracts or lease agreements entered into by the District.

(b) In the event of a foreclosure of the Parking Area described in herein, the new owner (whether bond trustee or otherwise) and Developer or its assignee, as applicable, shall establish fees of the Parking Structures as follows:

(i) Maintaining the fee schedule as set by the District or any management contract or lease agreement relating thereto; or

(ii) By direct negotiation with, as appropriate, the Developer; the District; or their assignees, but only, in each case, with a legal opinion of counsel that any agreement resulting from such direct negotiation does not affect the tax-exempt status of any District bonds. Upon the new owner's election to exercise this option, the new owner, the Developer, and the District (collectively, the "Parties") shall meet and use good faith efforts to agree upon a mutually acceptable new parking fees within thirty (30) days following completion of the foreclosure process, or as otherwise agreed upon by the Parties. If, after exercising good faith efforts, the Parties are unable to agree upon the new parking fees, then the new parking fees will be established pursuant to an ordinance or resolution of the District; or

(iii) By third-party market appraisal of regional parking rates, but only with a legal opinion of counsel that such agreement does not affect the tax-exempt status of any District bonds. Upon new owner's election to exercise this option, the Parties will use good faith efforts to select a mutually agreed upon appraiser to complete an appraisal of regional parking rates within thirty (30) days following completion of the foreclosure process, or as otherwise agreed upon by the Parties. Upon receipt of the first appraisal, the Parties shall have fifteen (15) days to review and approve; reasonably object; or mutually modify the results to establish the new parking fees. In the event of a reasonable objection by one or more Parties, the Parties shall again use good faith efforts to select a second mutually agreed upon appraiser to complete an appraisal of regional parking rates. Upon receipt of the second appraisal, the Parties shall have fifteen (15) days to review and approve; reasonably object; or mutually modify the results to establish the new parking fees. In the event of a reasonable objection by one or more Parties, the Parties shall again use good faith efforts to select a third mutually agreed upon appraiser to review the first two appraisals and establish the new parking fees. The cost of each appraisal shall be paid equally by the Parties.

For the avoidance of doubt, while the direct negotiations or appraisal(s) is/are being completed, each user will continue paying the parking fees in place immediately prior to commencement of the foreclosure process until the new parking fees are established as set forth above.

(c) In consideration of the continued use and operation of the Parking Structure as public parking for a period exceeding its currently estimated useful life, the Board and the Parties hereby find that the lien of the Assessments on the Parking Zone does not constitute the Parking Structures being pledged as security for any bonds of the District.

Section 14. Contestability. No Assessment shall be declared invalid or set aside, in whole or in part, in consequence of any error or irregularity which does not go to the equity or justice of the Assessment or proceeding. The Owners and any succeeding property owners (whether by sale, foreclosure, or any other property transfer of title) have waived any rights to contest this Amended and Restated Assessment Ordinance. Any party who has not waived his or her objections to the same as provided by statute may commence a civil action in the district court with jurisdiction in the District against the District to enjoin the levy or collection of the Assessment or to set aside and declare unlawful this Amended and Restated Assessment Ordinance. The District notes that any action to contest the Original Assessment Ordinance must be taken in accordance with the timeline and requirements applicable thereto. Notwithstanding anything to the contrary herein, any contest actions taken as described in this section shall be applicable to only the Amended and Restated Assessment Ordinance.

Such action must be commenced and summons must be served on the District not later than sixty (60) days after the effective date of this Amended and Restated Assessment Ordinance (being the date the Amended and Restated Assessment Ordinance is posted on the Utah Public Notice Website as described below). This action shall be the exclusive remedy of any aggrieved party. No court shall entertain any complaint which the party was authorized to make by statute but did not timely make or any complaint that does not go to the equity or justice of the Assessment or proceeding.

After the expiration of the sixty (60) day period provided in this Section:

(a) The Assessment Bonds and any refunding bonds to be issued with respect to the Assessment Area and the Assessments levied in the Assessment Area shall become incontestable as to all persons who have not commenced the action and served a summons as provided for in this Section; and

(b) No suit to enjoin the issuance or payment of the Assessment Bonds or refunding assessment bonds, the levy, collection, or enforcement of the Assessments, or in any other manner attacking or questioning the legality of the Assessment Bonds or refunding assessment bonds or Assessments may be commenced, and no court shall have authority to inquire into these matters.

Section 15. Notice to Property Owners. The Owners are hereby deemed to have received notice of assessment and have waived any notice and hearing requirements under the Act.

Section 16. All Necessary Action Approved. The officials of the District are hereby authorized and directed to take all action necessary and appropriate to effectuate the provisions of this Ordinance, including the filing of a notice of assessment interest with the Washington County Recorder.

Section 17. Repeal of Conflicting Provisions; Amendment. All ordinances or parts thereof in conflict with this Ordinance are hereby repealed. The Chair (or any assigned designee of the Chair) may make any alterations, changes or additions to this Ordinance which may be necessary to conform the same to the final terms of the Assessment Bonds, to correct errors or omissions herein, to complete the same, to remove ambiguities herefrom, or to conform the same to other provisions of this Ordinance or any resolution adopted by the Board or the provisions of the laws of the State of Utah or the United States, including technical changes to the description of the boundary of the Assessment Area, so long as those changes do not change the boundaries from those depicted on the maps attached to the Designation Resolution and do not materially adversely affect the rights of the Owners hereunder without the consent of such Owners affected.

Section 18. Posting of Ordinance. This Ordinance shall be signed by the Chair and Secretary/Clerk and shall be recorded in the ordinance book kept for that purpose upon final confirmation of the property description and terms of the Assessment Area. The officials of the District are hereby authorized to make technical corrections to the legal description of the Assessment Area. Upon finalization of the legal description, copies of this Ordinance shall be posted in a public location within or near the District's boundaries that is reasonably likely to be seen by individuals who pass through or near the affected area for at least 21 days and a copy of this Ordinance shall also be posted on the Utah Public Notice Website (<http://pmn.utah.gov>) for at least 21 days. This Ordinance shall take effect immediately upon its passage and approval and posting as required by law.

Dated as of March 6, 2024.

BLACK DESERT PUBLIC
INFRASTRUCTURE DISTRICT
