### STAFF REPORT:

February was a slower month in the Building and Planning department. In Planning we have received and been working on a application to extend Vasals Road. The road plans are currently being reviewed by the Towns Engineer. We received two subdivision applications that we are working on. A Preliminary Plat for Hidden Springs between Pine Tree Condos and White Bear Staff have done a review, and we are waiting on the applicant to update their plans. And a Final Plat for Ridgeview Town Homes (MLV) staff will be reviewing the plans next week. The Planning Commission was able to complete the required training for 2024 they watched a two-part training. They watched part one on their own and we did part two in the planning commission on The Basics of Utah Land Use Regulations. Building is still going on in Brian Head it is slow due to the weather, but we have a few projects that are still working in the winter. Based on the number of engineers and contractors that have called getting design criteria for Brian Head it is looking like we are going to have another busy year. We will continue to review plans and work on projects so we are ready to go when the building season starts.

## Brian Head Town Council Update

January 1, 2023

### ***BRIAN HEAD MARSHALS OFFICE:***

February was a very busy month with deputies handling 117 incidents. It was a very diverse month in terms of types of incidents with the highest number of incidents (34) being citizen/motorist assists. Besides the citizen assists, deputies handled 22 different categories. Some of these include disorderly conduct, domestics, DUI's, medicals which were the second most (18), as well as thefts, threats, and vehicle accidents.

We also were able to get some guys some needed time off during this month. It has been nice having the department back to full staff with nobody out for injuries or illness (knock on wood). This time off has still left us a little short handed from time to time as our reserve/part-time deputy pool is next to nothing. We have some great part-time employees, but because of their great skill sets they are often not available for Brian Head as they travel around on military assignments and instruct other agencies in topics related to public safety. We currently have Zach Tuttle and Ali Snow who are both part of an army intelligence unit that gets deployed often. Jeff Morgan is world renowned for his dive instruction and travels a lot teaching classes to fire departments, police departments as well as the FBI and other military units. We will continue to recruit part-time deputies in hopes of filling shifts when our own deputies need time off for vacation, sick, or to go to specialty trainings.

### ***BRIAN HEAD FIRE DEPARTMENT:***

We had some great training opportunities this month. Deputy Jon Bettridge was able to take a wildland "Air Operations" course. This is a required course for him as he is pursuing his engine boss qualification. He is also enrolled in another wildland training this month on his journey to this qualification.

Deputy Burton taught the fire department their CPR/AED/First Aid refresher which certifies them for these lifesaving techniques. It is great to have the expertise, tools and ability to teach and receive these quality training in-house.

The first training meeting of the month fell on Valentines Day. So, we thought it was probably a wise idea to cancel that training and encouraged our firefighters to take

their spouses out for dinner. The Volunteer Association had some nice hoodies made up that they distributed to our firefighter's spouse. It was good for us to put our wives first and to express appreciation for their support.

A couple of our volunteers went down to Cedar for the annual "Polar Plunge". We took our ice rescue suits and hung out in the frigid waters while people jumped in. This is an event that raises awareness and funds for our area's Special Olympics. It's so awesome to watch our firefighters step up in our communities and do what they do best and serve.

We had a couple of fire incidents this month. One included a truck fire. An employee of the Cedar Breaks Lodge pulled into the parking lot and found smoke and fire coming from between his cab and the bed of his truck. He quickly used a fire extinguisher which stopped the fire from actively burning. Our fire department then showed up and were able to put the fire completely out. The truck was saved with minimal damage. We found that the owner had been taking cardboard to the dump. A piece of cardboard fell between the cab and bed and was resting on the exhaust system. The heat eventually broke the cardboard down and it started on fire.

**Brian Head Town**  
**Public Works Department Update**  
**March 12, 2024**

It is almost that time of year again. Snow removal and maintenance of snow removal equipment has dominated much of Public Works time over the past few months. With the snow beginning to melt the Mountain is teasing Public Works with a glimpse of the Spring to come. Although this snow year has not been what last year was, Public Works has still plowed a lot of snow. With the implementation of the new Snow Removal Program the Council has seen the “polish work” that the program can bring and at which the speed and efficiency it can be accomplished during the storm. With the coming of Spring, also begins the construction season. The projects are currently out to bid with staff expecting to open bids on the 20<sup>th</sup> of March. Staff continues to reach out to multiple contractors encouraging them to bid on the Towns projects. Staff looks forward to a very, very busy construction season and to the completion of the projects that have been assigned to us. Public Works will begin the transition from snow removal back towards construction and maintenance with work down the Canyon looking to begin in the next week.

**Streets**

- Snow plowing continues along with repairs and maintenance on the snow removal equipment.
- Asphalt patching material has been delivered and operators will begin placing next week filling up the potholes that are being created by the freeze thaw process.

**Water**

- Repair of the meter reading system continues with new MXU’s being installed as they are arriving from back order.
- Some of PW operators attended the Rural Water Conference to obtain CEU credits and to also begin the certification process for the new hires.
- The infrastructure projects are currently out to bid.
- The new well is progressing through the design process

**Sewer**

- The Sewer project is currently out to bid.
- Staff will begin locating manholes down the canyon for data collection along the Parowan City section of the canyon to begin studying the sewer flow capacity along that portion of the line.

**Solid Waste**

- The white trash truck has been taken in for repair. It is having issues with the def system.

**Equipment**

- Repairs to equipment continue as needed.

**In-house Projects**

Public Works will continue to work on in-house projects and maintain buildings and equipment as needed. If you have any questions or concerns, please do not hesitate to call.

# FISCAL YEAR 2025 STRATEGIC PLAN

---

BRIAN  HEAD

*Proposed  
March 12, 2024*

# CONTENTS

## PURPOSE STATEMENT

*Brian Head Town exists to serve the interests of its residents, homeowners, businesses and guests. As a local government entity, the Town Council and staff strive to accomplish those things which Town stakeholders expect of their local government in the most efficient manner possible. To accomplish this, the Town engages in a detailed and thorough strategic planning process which is described in these pages.*

*This document focuses on the strategies which will be administered by the staff of Brian Head Town in order to pursue the goals of the Town Council and effectuate the vision set forth by the community. Many of these strategies may be ongoing or long-term in nature, but each strategy will be pursued to one degree or another during the course of Fiscal Year 2025 (July 1, 2024 thru June 30, 2025).*

*Certain action steps which will be carried out in pursuit of these strategies are also detailed herein. These action steps, along with typical day-to-day duties, make up the work plan for staff for the fiscal year. This document stems from the Community Vision and serves as the basis for the fiscal year budget.*

# STRATEGIC PLANNING PROCESS

Brian Head Town engages in strategic planning in order to ensure that the community's expectations of its local government are being met. Through strategic planning, all resources (meaning every tax dollar spent and each man hour worked) are tied back to a clear community vision through goals, strategies, and action steps.

The elements of strategic planning shown here are intended to establish what it is the residents and guests of Brian Head expect from their local government by 1) defining a vision, 2) fleshing out that vision in a set of outcome-oriented goals, 3) developing strategies to effectuate those goals, 4) identifying the action steps staff will take in pursuit of the strategies, and 5) allocating resources to these actions. In this manner, we will better ensure that finite resources are being most effectively applied toward achieving what the community ultimately expects of its local government.

## COMMUNITY VISION

In August of 2013, the Town Council directed town staff to re-establish a community vision which would drive a new effort in strategic planning. A focus group of individuals representing various facets of the community was assembled to look at Brian Head through the lenses of culture, economy, and environment, and from their discussion and brainstorming on those topics derive a single

unifying statement defining a vision of what Brian Head is and hopes to become. The Brian Head Town Community Vision was then submitted to the public and Council for approval in a series of public hearings in September and October 2013.

### RESOURCE ALLOCATION

The Council adopted the Brian Head Town

Community Vision which is summarized in the statement at the bottom of this page. Further information about this vision, including more detailed descriptions of the current and ideal culture, environment, and economy of the Town are included in the Brian Head Town Community Vision document available online at [www.brianheadtown.utah.gov](http://www.brianheadtown.utah.gov) or by contacting Town Hall at 435-677-2029.

## TOWN GOALS

Following adoption of the community vision, the Town Council developed a set of Town goals which flow from the vision. These goals highlight aspects of the vision which require special attention from the staff. Council will review these goals annually to monitor the progress made on each goal and may modify these goals in the short term. The goals are detailed more particularly in the following section of this document.

NATURE CO-EXIST***

# STRATEGIC PLANNING PROCESS

## STRATEGIES & ACTION STEPS

This FY 2025 Strategic Plan document deals with the strategies and action steps portion of the strategic planning process. These elements were developed by Town staff and have been crafted particularly to bring about the Town goals and community vision.

Each year, the Council and staff reviews strategies or services currently provided by Brian Head Town and we ask ourselves what aspect of the community vision or Town goals this activity serves. If a given strategy is geared toward achieving one the goals or the vision, it remains in the strategic plan, and in many cases is enhanced with new action steps. If a strategy is not determined to be effectively achieving the vision or goals, it is modified or discarded. Where Town goals are being addressed by few current services or programs, strategies may be added along with associated action steps.

The remainder of this document describes these strategies and action steps for the upcoming fiscal year.

## RESOURCE ALLOCATION

With the vision, goals, strategies and action steps all identified, what remains is to allocate time and resources to these elements. This is done each year through the budget process. The details of resource allocation are contained in the Town's budget document, which has been formatted to align budget data with these elements of strategic planning. The draft FY 2025 Budget Document will be completed in April 2024 and can be found online at [www.brianheadtown.utah.gov](http://www.brianheadtown.utah.gov) or by contacting Town Hall at 435-677-2029.

# TOWN GOALS

Each January the Town Council meets in a Strategic Planning Retreat to set broad guiding strategic policy for the year. During this retreat, the Council reviews the Town's progress toward the existing Town Goals and considers any potential modifications of the Town Goals.

The following goals were derived from the Community Vision and have been set by the Town Council to guide policy and action for Brian Head Town during Fiscal Year 2025.

## *Economy*

- 1) Enhance the Brian Head Experience
- 2) Attract more visitors especially in Summer & Fall
- 3) Support local events
- 4) Maintain a business and development climate that is attractive to resort-complementary commercial establishments

## *Culture*

- 1) Foster a stronger sense of community and well-informed public discourse
- 2) Engage the community with information & activities that build unity
- 3) Increase livability of Town by making area more pedestrian and bike friendly
- 4) Mitigate impacts of resort economy on town culture

## *Environment*

- 1) Maintain emphasis on and protect the natural environment
- 2) Guide growth of the built environment to be consistent with the General Plan and balanced with finite resources
- 3) Expand and improve the trails system
- 4) Develop a more polished image and first impression of the Town

# STRATEGIES

## ADMINISTRATION DEPARTMENT

The Administration department carries out a variety of day-to-day duties which are critical to the strategic approach of the Town. These include: For the sake of brevity, these are not all listed under a strategy in this plan, but many hours of money spent on them will be included in the Budget Document under the corresponding strategy. The action steps listed below are explicitly spelled out in the plan because they are new, involve significant cost, represent policy or administrative direction, or require a certain degree of follow-up and accountability.

## PUBLIC SAFETY DEPARTMENT STRATEGIES

The Public Safety Department carries out a variety of day-to-day duties which are critical to the strategic approach of the Town. These include providing 24-hour coverage of the Town, increasing manpower/coverage during busy weekends/holidays, responding to hazard calls as they arise, providing traffic control during events, carrying out fire inspections as needed, and attending various trainings. For the sake of brevity, these are not all listed under a strategy in this plan, but man hours of money spent on them will be included in the Budget Document under the corresponding strategy. The action steps listed below are explicitly spelled out in the plan because they are new, involve significant cost, represent policy or administrative direction, or require a certain degree of follow-up and accountability.

## BRIAN HEAD TOWN - ORGANIZATIONAL CHART

## APPENDIX B

Final FY 2024 Quarterly Strategic Update Report will be inserted upon completion

**ITEM: ENGINE BRAKES NOISE ORDINANCE**

**AUTHOR:** Bret Howser  
**DEPARTMENT:** Administration  
**DATE:** March 12, 2024  
**TYPE OF ITEM:** Legislative Action

---

**SUMMARY:**

The Council will consider an ordinance modifying §4-3 and §6-2 of the Town Code restricting engine brakes in Brian Head.

**BACKGROUND:**

Given the sharp uptick in construction traffic and noise in recent summers in Brian Head, the community has expressed growing concern. The Council has asked to have a discussion around the Town's noise ordinances, particularly as it pertains to engine brake noise. An initial discussion was held on October 24, 2023, in which staff was directed to work with UDOT to restrict engine brake noise on Hwy 143 between Georg's and Apple Annie's, and to bring an ordinance that calls out engine brake decibel limits.

**ANALYSIS:**

In recent months, staff has been working with UDOT to determine how engine brakes can be restricted on Hwy 143. Earlier this week, staff received a final determination from UDOT:

*Per the Study Guidelines, we've determined that Engine Brake Restriction signing can be considered for this roadway segment based on the following criteria:*

- *The existing posted speed limit is less than 55 mph (it's 35 mph for part of the segment and 30 mph for the other part).*
- *It appears that there is not a "steep downgrade" (as defined by the Section 2C.16 of the Manual on Uniform Traffic Control Devices) between MP 14.25 and MP 16.0.*
- *There is not a history of "runaway, heavy truck rear-end or brake failure crashes" in the last 5 years in that area.*
- *Stopping Sight Distance appears to be sufficient along SR-143 in that area.*

*The thing I was waiting on was the opportunity to drive through Brian Head and visually review the sight distance, which I was able to do last Thursday morning.*

*The sign location you proposed on the north end of town seems appropriate (near Aspen Drive / RP 14.25). But I think the sign on the south end of town needs to be near RP 16.1 (37°41'08.3"N 112°51'12.2"W) -- about 250 ft north of the "reverse curve" warning sign near the Kristi Condominium. The downgrades coming into town seem to be steeper south of that area.*

UDOT requires three items from the Town:

- A local noise ordinance that applies to the area to be signed. Such language is included in the ordinance Council is now considering.
- A letter of commitment for local enforcement (staff can draft and provide this)
- Agreement from the Town to reimburse for costs incurred to fabricate/install signage (estimated at \$2,500 to \$3,000). The proposed signage (UDOT standard) is attached to this report.

The Council also wished to limit engine brakes elsewhere in Town which exceed unreasonable decibel levels, acknowledging that some engine brakes are not so loud that they are a problem and some are so loud that they can be heard across the entire town. So rather than ban all engine brakes during certain times, the idea is to restrict certain engine brakes that are a particular nuisance. Language has been included in the proposed ordinance to that effect.

Staff set the proposed decibel limitation the same as we have previously set in our code for OHVs – 99 decibels at a distance of 20 inches – for consistency’s sake. Some [research](#) shows that the decibel range of a properly muffled engine brake is about 80 decibels. So, it is possible that at 99 decibels we would be missing some improperly muffled engine brakes. But in all likelihood, enforcement on this issue will not involve an actual measurement of the engine brake noise at 20 inches away (that actually sounds pretty dangerous), so I’m not sure the actual decibel limitation figure will make a difference. This just gives officers the opportunity to pull over an obvious offender and have the conversation.

#### **FINANCIAL IMPLICATIONS:**

The Town will need to supply roughly \$2,500 to \$3,000 one-time for signs, likely in June – so that’s FY 2024 budget. Staff can find that money in contingency.

#### **BOARD/COMMISSION RECOMMENDATION:**

## ORDINANCE NO. 24-\_\_

**AN ORDINANCE AMENDING BRIAN HEAD TOWN CODE, TITLE 4, CHAPTER 3, NUISANCES AND TITLE 6, CHAPTER 2, TRAFFIC PROVISIONS RESTRICTING DYNAMIC BRAKING DEVICE OR SYSTEM COMMONALLY KNOWN AS JAKE BRAKES WITHIN THE TOWN OF BRIAN HEAD AND ESTABLISHING AN EFFECTIVE DATE.**

**WHEREAS**, whenever compression brakes commonly known as Jake Brakes are engaged, they emit a loud noise due to the rapid release of compressed air that occurs during engine braking;

**WHEREAS**, the loud noise from engine brakes interrupts sleep, disrupt conversations, interferes with the quiet enjoyment of property, and creates exposure to high level of noise;

**WHEREAS**, Title 4 of the Brian Head Town Code establishes regulations concerning the health and sanitation of the town;

**WHEREAS**, Title 4, Chapter 3 of the Brian Head Town Code establishes regulations governing specific nuisances;

**WHEREAS**, Brian Head Town Council has determined that it would be in the public's interest to mitigate noise pollution within the Town by restricting the use of dynamic braking devices and systems (Jake or engine brakes), except in emergency situations; and

**WHEREAS**, the Brian Head Town Council has determined that the health, safety and welfare of Brian Head Town and its residents and guests will be served by amending the Title 4, Chapter 3 Nuisances;

**WHEREAS**, the Town Council has the authority to adopt this ordinance pursuant to Utah Code Annotated 10-3-702, and hereby exercises its legislative powers in doing so.

**NOW THEREFORE, BE IT ORDAINED BY THE BRIAN HEAD TOWN COUNCIL, OF BRIAN HEAD, UTAH:**

**SECTION 1.** Ordinance No. 24-\_\_, (attachment A) is hereby adopted by reference as Title 4, Chapter 3 Nuisances, and Title 6, Chapter 2 Traffic Provisions Generally into the Brian Head Town Code; and

**SECTION 2. Effective Date.** Upon this Ordinance being adopted by the Brian Head Town Council of Iron County, Utah, all provisions of this ordinance shall be incorporated into the Brian Head Town Code, Title 4, Chapter 3 Nuisances.

**SECTION 3. Repealer:** All provisions of the Brian Head Town Code that are inconsistent with the express terms of this ordinance shall be repealed. All other provisions of the Brian Head Town Code shall remain in full force and effect as codified.

**SECTION 4. Conflict.** To the extent of any conflict between other Town, County, State, or Federal ordinances or regulations, and this ordinance, the more restrictive is deemed to be controlling.

**SECTION 5. Severability Clause.** If any section, subsection, sentence, clause, phrase, or portion of this ordinance is for any reason, held invalid or unconstitutional by any court or competent jurisdiction, such portions shall be deemed a separate, distinct, and independent provision, and such holding shall not affect the validity of the remaining portions of this ordinance.

**PASSED AND ADOPTED BY THE BRIAN HEAD TOWN COUNCIL OF BRIAN HEAD TOWN, UTAH** this \_\_\_\_ day of March 2024 with the following vote:

### **NUISANCES**

#### **4-3-1: NUISANCE DEFINED:**

#### **4-3-2: AUTHOR OF NUISANCE:**

#### **4-3-3: DECLARATION OF NUISANCES:**

#### **4-3-4: ATTRACTIVE NUISANCES:**

#### **4-5-5: EXEMPTIONS**

#### **4-3-5: ENFORCEMENT AUTHORITY:**

#### **4-3-6: ABATEMENT:**

#### **4-3-7: PENALTY:**

#### **4-3-1: NUISANCE DEFINED:**

A "nuisance" is a crime against the order and economy of the town and consists of unlawfully doing any act or omitting to perform any duty, which act or omission either: a) annoys, injures or endangers the comfort, repose, health or safety of three (3) or more persons; or b) offends public decency; or c) unlawfully interferes with, obstructs or tends to obstruct, or renders property dangerous for passage or public use. An act which affects three (3) or more persons in any of the ways above specified is not less a nuisance because the extent of the annoyance or damage inflicted on individuals is unequal. (1984 Code § 3-3-1)

#### **4-3-2: AUTHOR OF NUISANCE:**

When a nuisance exists upon property, and is the outgrowth of the usual, natural or necessary use of the property, the landlord thereof, or his agent, the tenant, or his agent, and all other persons having control of the property on which such nuisance exists, here such nuisance shall arise from the unusual or unnecessary use to which such property may be put, or from business thereon conducted, then the occupants, and all other persons contributing to the contrivance of such nuisance, shall be deemed the authors thereof. All "authors" of nuisances, as defined in this section, are subject to the penalty provided for in this chapter. (1984 Code § 3-3-2)

#### **4-3-3: DECLARATION OF NUISANCES:**

It shall be unlawful to cause, create, maintain or otherwise be the author of a nuisance within the town. Nuisances shall include, but not be limited to:

- A. Befouling water in any spring, stream, well or water source supplying water for culinary purposes;
- B. Allowing any privy vault or cesspool to become a menace to health;
- C. Permitting any garbage box or similar receptacle which has become unclean and offensive to remain on the premises; (1984 Code § 3-3-3)
- D. Burning garbage, leaves, grass or other refuse that emits any noxious odors; (1984 Code § 3-3-3; amd. 2010 Code)
- E. Allowing vegetable waste, garbage or refuse of any nature to accumulate;
- F. Permitting the accumulation of manure in any stable, stall, corral or yard;
- G. Permitting any waste, damaged merchandise, leaking barrels or boxes to become putrid or to render the atmosphere impure or unwholesome;
- H. Discharging or placing any offensive water, liquid, waste or refuse of any kind into any street, sidewalk, gutter, stream, natural watercourse or vacant lot, which is offensive or likely to become so;
- I. Permitting, keeping or collecting any stale or putrid grease or other offensive matter;
- J. Having or permitting any fly or mosquito producing condition;
- K. Bathing or washing in or near any public water supply, or to permit any animal to drink therefrom;
- L. Throwing or casting, or having thrown or cast, or allowing to remain upon or in any street, road or ditch, gutter, public place, private premises, vacant lot, watercourse, lake, spring or well, any house refuse, offal, garbage, dead animals, decaying vegetable matter, or organic waste substance of any kind;
- M. Permitting injurious or noxious weeds to grow on any land;
- N. Permitting any lot or excavation to become the repository of stagnant water or decaying substance;
- O. Obstructing the street or sidewalk without proper permit. (1984 Code § 3-3-3)
- P. Causing any person to complain that their peace has been disturbed by use of loud music, vehicle noise, loud speech, or other loud or offensive noise occurring after 10:00 pm or before 7:00 am. (Ord. 19-008, 7-8-2019)

1) Vehicle noise emissions, including engine brake noise, may not exceed 99 decibels at a distance of 20 inches.

#### **4-3-4: ATTRACTIVE NUISANCES:**

It shall be unlawful to use, create, maintain or otherwise be the author of an attractive nuisance within the town. An "attractive nuisance" is any vacant lot or open area within which any of the following conditions occur and to which the public and particularly children have access:

- A. Ponding of water;
- B. Open pits, shafts, caves or dilapidated non-occupied buildings;
- C. Trash, debris or machinery;
- D. Large piles of loose sand, soil or rocks suitable for tunneling or digging by children. (1984 Code § 3-3-4)

#### **4-3-5: EXEMPTIONS:**

The following uses and activities shall be exempt from nuisance/noise regulations:

- A. Noise of safety signals, warning devices, and emergency pressure relief valves;
- B. Noise resulting from any authorized emergency vehicle when responding to an emergency call or in time of an emergency;
- C. Noise resulting from lawful emergency work;
- D. Noise resulting from lawful fireworks and noisemakers used for celebration of an official holiday;
- E. Any noise resulting from activities of temporary nature during periods permitted by law for which a license or permit has been approved by the town (not including engine brake noise restricted in this chapter or in Title 6 of the Brian Head Town Code);
- F. Any noise resulting from snowmaking and grooming activities at ski areas; and
- G. Any noise resulting from snow plowing or removal services. (amd. 2015 Ord. 15-001, 1-13-2015)

#### **4-3-6: ENFORCEMENT AUTHORITY:**

It shall be the duty of the public safety department to ascertain and cause all nuisances declared to be such in this chapter and coming within its t shall have authority in the daytime to enter any house, stable, store, or any building, in order to make an inspection; to enter upon all lots and grounds to cause the same to be cleaned or purified; and all noisome substances to be abated or removed. (1984 Code § 3-3-5)

#### **4-3-7: ABATEMENT:**

A. Notice To Abate Nuisance: Whenever the public safety department shall determine that any nuisance exists, it shall take the following steps to abate the same:

1. It shall ascertain the names of the owners and occupants and other authors of the nuisance and premises where the same exists.
2. Serve notice in writing upon the owner and occupant and other authors, either personally or by mailing notice, postage prepaid, addressed to them at their last known address, requiring the owner, occupant or author, or any or all of them, to eradicate or abate the same within such time as the notice shall provide, but in no case less than ten (10) days from the date of service of the notice.
3. Inform the person to whom such notice is given that in the event that the individual disagrees with the determination of a nuisance, that he may request a hearing before the town manager. If no such request for hearing is made and the nuisance is not abated within the ten (10) day period, official, legal notice shall be served upon the individual requiring his presence in court at a date and time certain.
4. The public safety department shall make proof of service of such notice under oath and file the same in the office of the town clerk/recorder.
5. The hearing before the town manager shall be determinative based upon the facts and circumstances of the case. Any appeal made shall be to the district court. (1984 Code § 3-3-6; amd. 2010 Code)

B. Refusal To Abate Nuisance:

1. If any person, ordered by a notice served under subsection A of this section, and/or by a decision of the town manager, shall fail to conform to the notice and/or order therefrom, the public safety department shall employ all necessary assistance to cause such materials to be removed, destroyed or the nuisance otherwise abated. The public safety department shall prepare an itemized statement of all expenses incurred in the abatement of the nuisance and shall mail a copy thereof to the persons named in the notice demanding payment within twenty (20) days of the date of mailing. Said notice shall be deemed delivered when mailed by registered mail addressed to the person's last known address.
2. In the event that the person so notified fails to make the payment to the town treasurer within the twenty (20) day period, the town May either cause suit to be brought in the appropriate court for collection of the same, or may refer the matter to county authorities for collection by a lien on the property, as provided in Utah Code Annotated title 10, chapter 11, as amended, or both. (1984 Code § 3-3-7; amd. 2010 Code)

#### **4-3-8: PENALTY:**

Any author of a nuisance who violates any provision of this chapter shall be guilty of a class B

misdemeanor and, upon conviction in district court, subject to penalty as provided in section [1-4-1](#) of this code. (1984 Code § 3-3-8; amd. Ord. 87-008, 8-11-1987; 2010 Code)

# **Title 6 – Motor Vehicles and Traffic**

## **Chapter 2**

### **TRAFFIC PROVISIONS GENERALLY**

#### **6-2-1: PRIMA FACIE SPEED:**

#### **6-2-2: LITTER UPON HIGHWAY:**

#### **6-2-3: VEHICLES WITHOUT SNOW TIRES OR CHAINS:**

#### **6-2-4: TRACKED VEHICLES PROHIBITED; EXCEPTIONS:**

#### **6-2-1: PRIMA FACIE SPEED:**

Except as otherwise provided herein, the prima facie speed limits applicable to public streets shall be those provided by state law for the particular kind of street and nature of area through which the street runs. The public safety officer may, however, pursuant to his authority in section [6-1-2](#) of this title, post certain streets or portions of streets as having different speed limits, in which case the posted limit shall be the prima facie speed limit for that street or portion of street. Nothing in this section shall be construed to conflict with the power of state authorities to provide for different speed limits on streets and highways which are under their jurisdiction within the town. (1984 Code § 19-2-1)

#### **6-2-2: LITTER UPON HIGHWAY:**

No person shall throw, deposit or place in or upon a public street in the town any nails, tacks, crockery, scrap iron, tin wire, bottles, glass, boxes, wood, boards, stone, thorns or thorny clippings, or branches of a tree or bush, or any other article or thing likely to puncture the tire of any vehicle. (1984 Code § 19-2-3)

#### **6-2-3: VEHICLES WITHOUT SNOW TIRES OR CHAINS:**

It shall be unlawful for any car, truck or recreational vehicle to be without snow tires, studs or chains between the period of November 1 to April 30 of any ski season. Any and all vehicles discovered without snow tires or chains shall be ticketed, removed and/or impounded by the Town at the owner's ultimate expense. (Ord. 88-002, 2-23-1988)

#### **6-2-4: TRACKED VEHICLES PROHIBITED; EXCEPTIONS:**

No vehicle shall be operated upon any public street within the town unless the same is properly equipped with rubber or rubber and fabric tires. Except as otherwise set forth herein, no tracked vehicles or vehicles which, when operated, create a contact between the road surface and any metal portion of the vehicle, shall be operated for any purpose upon any public street. The provisions of this section shall not apply to or prohibit the operation of lawfully registered and operated snowmobiles, equipment actually engaged in the grooming of snowmobile trails or ski areas and traveling upon public streets only incident to such grooming activities, or any vehicle or equipment operated upon and in connection with the construction, repair, replacement or maintenance of the portion of the public street upon which they are being operated. (Ord. 04-008, 10-24-2004)

#### **6-2-5: ENGINE BRAKE RESTRICTIONS:**

Engine brakes are restricted on State Road 143 in Brian Head Town limits where posted and where such prohibition is allowed by UDOT safety review.
