Time was turned to Tyson Jewks with Ensign Engineering to give an update on the water tank project. He stated they are almost ready to tie into the new tank and when they do they will get a hold of Paul. Should have the sign off of the tank on the 20th of the month.

The clerk will need to get a record of the roads of when and what roads have been done for the town. The clerk will also need to check on the B&C road money to let ensign know the amount.

Mayor Pearson reported on the firehouse. He stated that they had 3 fires last month but all is going well.

The overdue water bills were discussed. Councilman Coy Morrison stated that he had talked to some of them but the board would like to see the disconnect letters and letters of concern sent out to those on the list.

The board members would like to see a letter in the water bills stating that all vehicles on the streets must be licensed and that they need to keep the streets clear for emergency issues. That is all for the roads.

The cemetery was discussed. Councilman Sherm Buck would like the garbage cans emptied or new ones placed at the cemetery.
