Notice of Request for Proposals:

West Point City will accept proposals from qualified civil engineers or engineering firms within excess of ten years' experience in designing and implementing a number of municipal related construction projects, i.e. water and sewer systems, street improvements including curb, gutter, and sidewalks, as well as a variety of other construction related projects which require state licensed professional engineering services.

Copies of the RFP are available at the office of the City Engineer, 3200 West 300 N, West Point City, UT 84015, 801-776-0970, or on the City Website www.westpointcity.org.

Proposals will be received at the City Recorder's office up until 5:00 PM on Thursday March 28, 2024.

From time to time, projects will be funded in whole or in part by the Department of Housing and Community Development. The successful awardee will be responsible for compliance with all applicable federal and state requirements.
