

March 18, 2024

Wallsburg Town  
70 West Main Canyon Rd  
Wallsburg, UT 84082

Attn: Celeni Richins, Mayor

Subject: Wallsburg Culinary Water Improvements 2023

Mayor Richins,

The bid opening for the Wallsburg Culinary Water Improvements project was held on March 7<sup>th</sup>, 2024. The apparent low bidder was BD Bush Excavation, Inc. The bid amount was \$4,757,425.00. After review of the submitted bid documents, it has been determined that BD Bush Excavation has demonstrated compliance with the bidding documents in addition to submitting the lowest bid.

We are currently working on a waterline project with BD Bush Excavation out of our Salt Lake City office. Our staff in Salt Lake City verified that they are qualified to perform the work. Our discussions with references provided by BD Bush Excavation for recent projects with similar scope also verified that they have the experience to complete the project.

Sunrise Engineering, LLC hereby recommends that pending satisfactory response to any further requests for information, concurrence from the Town Council, and upon submittal of the items required prior to award of contract, Wallsburg Town award the contract to BD Bush Excavation in the amount of \$4,757,425.00.

Sincerely,

Derek S. Anderson, P.E.

Principal Engineer
