

School LAND Trust Plan Proposal for 2024-2025

1. **Improve student reading literacy in Kindergarten through 8th grades, using 3rd and 7th grade as our target population.**
 - a. **Measurements:** At least 60% of all 3rd and 7th-grade students will be on grade level in reading literacy by the end of the year as measured by State and School assessments.
 - b. **Action Steps:** Licensed teachers or support personnel will work directly with students to assist in achieving the outlined goals.
 - c. **Resources Utilized:** \$35,389.48 Wages and benefits for licensed teachers or support personnel.

2. **Increase student Math progress toward grade level in 3rd through 8th grades, using 6th grade as our target population.**
 - a. **Measurements:** At least 60% of 6th-grade students will make at least 3% growth from the beginning to the end of the year as measured by approved State and School assessments.
 - b. **Action Steps:** Licensed teachers or support personnel, will work directly with students to assist in achieving the outlined goals.
 - c. **Resources Utilized:** \$35,389.47 Wages and benefits for licensed teachers or support personnel.

\$70,778.95

Because we are an online school, all instruction is completed via Zoom and all student work is submitted online. We work directly with our technical support and online providers to assure digital safety for our students. We also discuss digital citizenship regularly with our students and teachers. Students are also taught digital safety principles within each grade.
