Please take notice that a quorum the Board of Commissioners (the “Board”) of the Central Wasatch Commission (the “CWC”) may attend the meeting of the Short-Term Projects Committee scheduled for Monday, April 15, 2024; beginning at 10:00 A.M. The minutes of this meeting will be approved through the following process: The public body’s secretary promptly will circulate a draft copy of the minutes to the public body’s members, who then will have three business days to provide any proposed corrections to the secretary. The secretary will then circulate a revised draft of the minutes to the members, and the same review process will continue until such time as no corrections to the draft minutes are received within the three business days review period, whereupon that draft of the minutes will be deemed approved and will become the final minutes of the meeting.

Civility and decorum should be applied in all discussions and debate. Difficult questions, tough challenges to a point of view, and criticism of ideas and information are legitimate elements of a free democracy in action. Public officials and the public are encouraged to refrain from making belligerent, personal, impertinent, slanderous, threatening, abusive, or disparaging comments.
