
March 2024 Event Assessment

Intermountain Genetic Alliance Bull Sale

This was the second year for this event. The sale has been in Nephi for several years. The committee wanted to get some new exposure for their sale so they moved it to our complex. It was a good move for them this year. They were able to sell 90 head of bulls and gain some new customers, all in all it was a success. They have booked for next year. We brought in \$3600.00 for this single day event.

Timpanogos Archers

This is our 11th Year hosting this event. The event was slower this year. They changed the format of the shoot giving people more down time. This caused people to leave and not come back. They are changing back to the old format for next year. Our concessions were down considerably. We hope to build this back up.

Heber Pot of Gold (Zane Danzy)

This event was a trade for the cattle that we lease for the winter. The number of teams were down but there was still a fair amount of people.

Barrel Clinic

We had a local person rent the facility for a barrel clinic, it was well attended and was had a very low impact for 4 hrs. The majority of the students were from Wasatch County.

Issues Conference

For 30 years Wasatch High School and other amazing sponsors including Wasatch County has hosted a community conference. This conference offers a variety of great workshops concerning some of today's most pressing issues. This year's Keynote was inspirational speaker Hank Smith. This conference is offers amazing opportunities for the community and is also offered to the High School students to come and makeup hours for school absences.

Maclee was able to attend meetings and also help setup on the day of. We hang up flyers around the school halls and set up classrooms for the workshops. Then I was able to help introduce speakers, stamp the students makeup hours, and collect evaluation sheets. Attendance was one of the highest it had been in years and I really enjoyed all the speakers' workshops I was able to attend!

As we get into April we are excited to get outside for our spring/summer programs! With all of the snow we have got this winter, we are already looking at ways to adjust all seasons so we can play. For example we have pushed the soccer start date back. With snow still in the forecast we have been brain storming of ideas to still have this programs go on as soon as we can get outside.
