STAFF REPORT

Agenda Item: #5
Prepared By: Robert Donigan, MIDA Planner
Reviewed By: Richard Catten, MRF DRC Counsel

Project: Proposed MRF Development Standards and Guidelines text change regarding Permitted Use/Conditional Use status of short-term rental of condominium units and multi-unit townhome structure units.

Location: MRF Project Area

Applicant: MIDA

Representative: Robert Donigan

Recommendation: Staff and the MIDA DRC recommend to the MIDA Board approval of the text changes to Sections 3.02 and 3.03 of the MIDA changing the shortest-term rental of condominium units and multi-unit townhome units from a Conditional Use to a Permitted Use.

Background/Description:

The use of condominium units and multi-unit townhome units as short-term rentals has always been anticipated within the MIDA land use control area. One Conditional Use permit has previously been approved by the DRC (the Pioche Condominium buildings). That Conditional Use Permit was granted on the basis of approving all the units in an entire building at one time, rather than individual units. A condition of the approval was that if individual units were not managed by the same company managing the common areas of the condominium project, they would need to apply for an individual unit Conditional Use. This has created a condition where multiple unit owners are requesting individual Conditional Use Permits, a problem which will likely accelerate as more units come online as the Resort Village is completed. MIDA staff and the MRF DRC believe that individual condominium unit and multi-unit townhome unit short-term rentals are not typical Conditional Uses and do not need to be individually examined by the DRC as they are all essentially similar. Therefore, it is proposed to make condominium and multi-unit townhome units short term rentals Permitted Uses, subject to rules and regulations imposed by MIDA Executive Order. Short-term rental of single-family dwellings would remain a prohibited use.

RECOMMENDED ACTION:

Staff and the MRF DRC recommends that the MIDA Board approve the text change to Sections 3.02 and 3.03 of the MIDA Standards and Guidelines changing short-term rental of a condominium units and multi-unit townhome units from a Conditional Use to a Permitted Use, with regulation by Executive Order.
