A. Minute Approval

B.1. Feb Minutes: Note enough members present to approve Feb minutes, will approve at the April meeting.

C. New Business:

- C.1. Art Swap- Recap-** Overall everyone thought it was a great turn out for the first time it was held. Jason McGuire suggested that next year we should have everyone go at least once before the people that brought 2 pieces go second. Everyone agreed on that and we will implement that next year. We also talked about moving the location next year, if we have more sign ups we will need more space.
- C.2. Art Show dates/needs from Arts Council-** Art Show drop off is on Monday March 18. We need arts council members to come and judge the Art Show Thursday evening, March 21 or Friday March 22. Tiffany will email out available times. The Artist reception is Monday March 25; all Arts Council members should try to attend.
- C.3. Call for Art at Parks and Crosswalks-** The call for Art is open until March 31. We will go over the entries in the April meeting.
- C.4. Art on the Towne and Quilt Show-** The event date is Saturday May 11 from 10-3pm. If any Arts Council members will be available at 9:30am that day to judge the quilt show, please email Tiffany. All Arts Council members should try to make it out to the event and engage with art vendors and the community.
- C.5. Theater Updates-** The Theater is in progress with rehearsals, we will have ticket info by the next meeting. The Theater group will be joining us next month at the April Arts Council meeting.

Meeting Adjourned 8:00pm Janis McClellan approved, Shan Lloyd seconded, none opposed.
