NOTICE OF PUBLIC HEARING
Utah County Community Reinvestment Agency
Notice 2024-_____

Dear Property Owners and Taxing Entities,

The purpose of this notice is to indicate that the Agency will hold a public hearing to consider the adoption of the official project area plan and budget for the Pinyon CRA (the “Plan” and the “Budget”) and to invite any of the recipients of this notice to submit any comments related to the Plan, the Budget or the creation of the Pinyon CRA. The Budget relates to the utility-scale solar energy development (the “Solar Project”) and battery energy storage system project (the “BESS Project”) developed by Pinyon Creek Solar and its affiliates (“Pinyon Creek Solar”) within the Pinyon CRA (the Solar Project and BESS Project are collectively, the “Pinyon Creek Project”). Any person objecting to the Plan or Budget or contesting the regularity of any of the proceedings to adopt the Plan or Budget may appear before the Agency at said public hearing to show cause why the Plan or Budget should not be adopted. A copy of the Plan and Budget are available for inspection at the Agency offices, which is 100 East Center Street, Room 1400, Provo, Utah.

The governing body of the Agency previously adopted a resolution authorizing the preparation of one or more draft community reinvestment project area plan(s) and budget(s) for the proposed project area(s) within the Pinyon CRA, including the Pinyon Creek Project. Agency staff and consultants have prepared a Plan for the Project Area, along with a Budget, within the Pinyon CRA.

The Plan and Budget provide for the Agency to receive tax increment. Property tax revenues resulting from an increase in valuation of property within the Pinyon CRA will be paid to the Agency for project area development rather than to the taxing entity to which the tax revenues would otherwise have been paid if the proposed Pinyon CRA is created and the use of tax increment is approved by a resolution or interlocal agreement approved by one or more of those taxing entities.

The Agency has requested approximately \$51,844,365 in property tax revenues that will be generated by development within the Pinyon CRA for the Pinyon Creek Project to fund a portion of project costs within the Pinyon CRA. These property tax revenues will be used for the following:

Uses	Total
Project Area Administration	\$518,444
Redevelopment Activities	\$32,299,040
Housing Allocation	\$5,184,437
Remittance back to Taxing Entities	\$13,842,446
Total Uses of Tax Increment Funds	\$51,844,365

These property taxes will be taxes levied by the following governmental entities, and, assuming current tax rates, the taxes paid to the Agency for this Pinyon CRA related to the Pinyon Creek Solar Project from each taxing entity will be as follows:

Entity	Total
Utah County (and Service Districts)	\$9,739,315
Nebo School District	\$39,952,715
Central Utah Water Conservancy District	\$2,152,335
Total Tax Increment Paid to Agency	\$51,844,365

All of the property taxes to be paid to the Agency for the development in the Pinyon CRA and Pinyon Creek Project are taxes that will be generated only if the Pinyon Creek Project is developed. All concerned citizens are invited to attend the Plan and Budget hearing scheduled for April 24, 2024, commencing at 10:00 a.m. or as soon thereafter as possible, at the Utah County Administration Building, 100 East Center Street, Room 1400, Provo, Utah. A copy of the Pinyon CRA Budget related to the Pinyon Creek Project is available at the offices of Utah County located at 100 East Center Street, Room 1400, Provo, Utah and on the County's website, <https://utahcounty.gov/>.

Property tax revenue resulting from an increase in valuation of property within the proposed project area will be paid to the Agency for project area development rather than to the taxing entity to which the tax revenue would otherwise have been paid if one or more taxing entities agree to share property tax revenue under a resolution passed by the taxing entities; and

1. the Plan provides for the Agency to receive tax increment; and
2. an invitation to the recipient of the notice to submit to the Agency comments concerning the subject matter of the hearing before the date of the hearing.

The Plan covers approximately 2,500 acres of land located in portions of Utah County as set forth in the attached map. Persons may receive a copy of the boundary description at no cost by contacting Aaron R. Davidson, Utah County Clerk, phone: (801) 851-8109, email: clerkoffice@utahcounty.gov.

All persons interested and present will be given an opportunity to be heard in this matter. Written comments may also be submitted to the Agency regarding the Plan and Budget prior to the date of the public hearing. All concerned citizens are invited to attend the hearing. Any person objecting to the Plan or Budget or contesting the regularity of any of the proceedings to adopt the Plan or Budget, may appear before the board at the hearing to show cause why the Plan or Budget should

not be adopted. The Plan and Budget are available in a substantially final form for public inspection at the Utah County Offices and on the County's website, <https://utahcounty.gov/>.

People with disabilities may make requests for reasonable accommodation, which may include alternate formats, interpreters, and other auxiliary aids and services. Please make requests at least two days prior to the meeting date by contacting the County Clerk's Office by phone at (801) 851-8109.

Dated this 25th day of March, 2024.
