**MOAB CITY COUNCIL MINUTES--DRAFT**  
**REGULAR MEETING**  
**April 9, 2024**

Moab City Council held its Regular Meeting on the above date in Council Chambers. Archived audio is at [www.utah.gov/pmn](http://www.utah.gov/pmn) and video is at [www.youtube.com/watch?v=Ft7\\_jKosP2Q](https://www.youtube.com/watch?v=Ft7_jKosP2Q).

***Regular Meeting Attendance and Call to Order:***

Mayor Joette Langianese called the meeting to order at 6:01 p.m. Scott Guzman-Newton led the Pledge of Allegiance. Councilmembers Tawny Knuteson-Boyd, Luke Wojciechowski, Jason Taylor, Colin Topper and Kaitlin Myers attended. Also in attendance were Interim City Manager David Everitt, Assistant City Manager Bobby Tech, Community Development Director Michael Black, Recorder Sommar Johnson, Parks, Recreation and Trails Director Brianna Bowker, Victim Advocate Nathaniel Clark, Transit Coordinator and Grant Writer Richard Lory, Assistant Police Chief James Blanton, Arts Director Kelley McInerney, Attorney Clayton Preece and ten members of the public.

***Public Comments:***

Scott Guzman (audio/video recording failure-written comments submitted via email to the City Council included in written minutes) - I am owner of Poison Spider Bicycles along with my wife Karen on North Main Street. First off I want to say Thanks for the Council & Mayor for serving. It is not always easy but a necessary job to help our community run efficiently, prudently and with vision. Last night I attended a meeting about Utah's Most Dangerous Highway, OUR MAINSTREET. It was great to see so many people from our community attend. I will state that it was disappointing to not see the Mayor, One person from Council or even our new City Manager attend. PUBLIC SAFETY should be a major PRIORITY; you cannot keep trying to ignore it. For the last 15 years Poison Spider has been bringing attention to the Moab City Police Department and City Council about the INCREASED speeds on North Main Street and LACK of ENFORCEMENT. We are now seeing this ALL over town, not just North Main. It is so bad that the County rents a Billboard on my property on North Main stating SLOW DOWN while in Town. I think we can ALL agree we have a problem with traffic speeds and people running red lights. It is time for the City of Moab to start doing actual ENFORCEMENT, not just leaving unattended police cars all over town. In the last City Council meeting it was stated we have a full police department. Why are they not able to do actual ENFORCEMENT? How much revenue would the City of Moab make if they were issuing tickets? Lots of the other problems brought up last night could have been addressed from our 2017-2018 Downtown Plan that the City of Moab already paid Avenue Consultants/Downtown Redevelopment. The Downtown Plan was buried because both the plan and survey had mention of a BYPASS. Unfortunately, lots of the other great suggestions were also completely ignored. Issues that Tony Lema and Karen Guzman Newton recently brought to your attention were highlighted in that plan, sidewalks, dead trees and lack of ADA accessibility. This plan has been around for over 6 years and little to nothing was implemented from it. Why are you getting ready to do another Downtown plan which will cost taxpayers close to \$250,000. (\$50,000 from a grant that could be used towards something else) Let's STOP wasting money and start working on the improvements already recommended to make Main Street safer. We can start with Enforcement and then start checking off the other projects. If you don't want to do this then the question you should ask yourself is how many injuries, accidents or even deaths are you okay with in our community? Thanks for your time,

Kevin Dwyer spoke about the prior evening's meeting regarding Main Street safety. He expressed disappointment about the lack of interest or involvement of the City in the topic of Main Street safety. He criticized Council for not allowing the citizen group involved in a Main Street safety project to present their findings and recommendations to Council.

Brian Martinez stated he was impressed by the data presented at the prior evening's meeting regarding Main Street safety. He said that he and other employees of his company had responded to serious automobile collisions on Main Street in front of their business and he noted a marked reduction in

accidents since the installation of two new traffic lights on North Main Street. He recommended the City lower the speed limit on Main Street to increase safety.

Pete Gross stated he attended the prior evening's meeting regarding Main Street traffic. He recommended possible solutions to increase safety, including lowering the speed limit on Main Street, and employing traffic calming strategies such as planting trees.

Karen Guzman-Newton said she was a co-presenter at the prior evening's program and was disappointed that no City Council members or City representatives attended. She also stated her disappointment that her group was not welcome to present her findings and data regarding Main Street safety. She said representatives from the Utah Department of Transportation (UDOT) attended and expressed interest in collaborating. She stated Moab is an incredible place and a safer Main Street would make it better. Guzman-Newton also brought up a 2018 downtown master plan that was conducted while she was a member of the City Council. She described herself as a frugal Councilmember and urged Council to review the existing plan. She said her group studying traffic safety on Main Street sought mitigation at the lowest cost and the highest return, including medians, reduced speeds, and enhanced sidewalks.

Wendell Williams stated Main Street is dangerous. He said UDOT confirmed the lack of safety. He said Moab could be doing a lot now by lowering the speed limit to align with federal and state norms. He stated that a safe Main Street is vital to the economy, ensuring Moab's downtown is vibrant and safe.

Dan Stenta spoke about the proposed capital improvement plan. He said he was encouraged to see needed projects on the list. He reminded Council that he had spoken in favor of a municipal property tax in the past if funds were used for capital improvements. He expressed concern about the proposed costs for some of the recommended projects and suggested funding could come from utility and road funds, for example. He suggested the City try to keep costs down by value engineering the proposed work.

#### ***Department Update:***

Victim Advocate Nathaniel Clark described elements of his work with victims of crime. He mentioned his work at crime scenes, accompanying victims to the hospital, and advocating for victims up to and including during trials. He said his work encompassed not only victims within City limits but also Countywide, in nearby counties, and in the national parks. He spoke about funding streams that support his department, including grants, City support and County support. He presented statistics regarding calls and noted his department's community partners including Seekhaven, the Moab Valley Multicultural Center and Moab Solutions. Mayor Langianese praised the work of the Victim Advocates.

#### ***Consent Agenda—Approved***

Councilmember Myers moved to approve the consent agenda, as follows: Arbor Day Proclamation, approval of minutes for the March 26, 2024, Regular Meeting and approval of bills against the City of Moab in the amount of \$1,420,509.02. Councilmember Wojciechowski seconded the motion. The motion passed 5-0 with Councilmembers Taylor, Knuteson-Boyd, Topper, Myers and Wojciechowski voting aye.

#### ***Presentation: 2025-2029 Capital Improvement Projects Plan***

Interim City Manager Everitt presented the non-binding planning list of capital projects, which included ongoing projects such as the Kane Creek Boulevard reconstruction and the downtown dispersed parking project. Numerous projects were mentioned, including retrofit of street lamps to comply with the Dark Sky ordinance, upgrading City facilities to comply with the Americans with Disabilities Act (ADA), repair of the pedestrian bridge near the Episcopal Church, and repaving of Uranium Avenue and 100 South Street. Funding from various sources was discussed, including the general fund, the road fund, recreation and parks, and the housing fund. The proposed municipal property tax was mentioned as a key resource for completion of the projects. Discussion ensued regarding prioritization of land acquisition for parks, with Councilmember Myers suggesting land acquisition should have a lower priority than existing infrastructure needs. Councilmember Topper clarified the need to acquire property to complete active

transportation routes. Councilmember Taylor stated he was not inclined to purchase land for parks per se, but acknowledged the land needed for a pathway was important for schoolchildren to ride bikes and more. Myers suggested the land acquisition line item could move to the Recreation, Arts and Parks (RAP) fund. Mayor Langianese brought up the ADA improvements. Everitt reiterated the list was not binding and could be amended.

### ***General Business:***

#### ***Adoption of Tentative Budget for Fiscal Year 2024-25—Approved***

**Presentation and Discussion:** Interim City Manager Everitt presented the tentative budget as part of the budgeting process. He explained various line items and noted the proposed budget included a prospective \$600,000 in municipal property tax, to be determined later. Discussion centered on changes to the Community Contributions line items, with many of the expenses moved to the police department budget. Councilmember Taylor brought up his interest in funding employee longevity increases after a hiatus from that benefit to staff. Mayor Langianese explained longevity had been combined with the line item for bonuses and merit. A proposed property tax abatement line item was also brought up. Councilmember Taylor suggested whether to forego a Cost of Living Adjustment (COLA) for elected officials. Councilmember Topper concurred. Councilmember Wojciechowski expressed concern about discouraging future Council candidates if COLA was not included. Councilmembers Knuteson-Boyd and Myers also spoke against the proposal to forego COLA for elected officials. Myers pointed out a COLA is not a raise. Mayor Langianese stated future discussion regarding all salaries and compensation would be forthcoming. Mayor Langianese also requested removing the sole remaining recipient of Community Contributions from the budget.

**Motion:** Councilmember Taylor moved to adopt **Resolution 09-2024:** a resolution to adopt the tentative budget for Fiscal Year 2024-2025 with the following changes: remove COLA for elected officials, add \$80,000 for longevity bonuses, and remove \$10,000 from Community Contributions. Councilmember Topper seconded the motion.

**Discussion:** Councilmember Myers expressed her disagreement with the COLA stipulation.

**Vote:** The motion passed 5-0 with Councilmembers Taylor, Knuteson-Boyd, Topper, Myers and Wojciechowski voting aye.

#### ***Acceptance of Fiscal Year 2022-23 Annual Audit—Tabled***

**Presentation:** Interim City Manager Everitt described the legal requirement for the City to employ an independent auditor. He said there were two significant findings, which included the General Fund balance exceeding a legal limit because transfer of funds was not completed in a timely manner, and a flawed system of accruing expenses to the correct fiscal year. Due to technical difficulties, the Mayor requested tabling the audit until the Auditor could join the meeting remotely.

**Motion and Vote:** Councilmember Knuteson-Boyd moved to table the Fiscal Year 2022-2023 Annual Budget Audit. Councilmember Taylor seconded the motion. The motion to table passed unanimously.

#### ***Interim City Manager Appointment—Approved***

**Motion and Vote:** Councilmember Myers moved to approve the appointment of David Everitt as Interim City Manager, Effective April 15, 2024, and authorizing the Mayor to execute an employment contract. Councilmember Knuteson-Boyd seconded the motion. The motion passed 5-0 with Councilmembers Taylor, Knuteson-Boyd, Topper, Myers and Wojciechowski voting aye.

#### ***RAP TAC 2024 Grant Recommendations—Approved***

**Presentation and Discussion:** Parks, Recreation and Trails Director Bowker presented the 2024 slate of recommended funding from the Recreation Arts and Parks (RAP) tax as recommended by the RAP Technical Advisory Committee (TAC). Bowker said there were 21 applications requesting \$192,000. She explained the TAC recommended funding nearly all of the applicants at a level of \$93,000. She briefly described the TAC scoring and ranking system and process. Councilmember Topper praised the work of Bowker and the committee, on which he served. Mayor Langianese thanked the committee for their hard work and Bowker thanked Arts Director McInerney.

**Motion and Vote:** Councilmember Topper moved to approve the RAP TAC 2024 grant recommendations. Councilmember Taylor seconded the motion. The motion passed 5-0 with Councilmembers Taylor, Knuteson-Boyd, Topper, Myers and Wojciechowski voting aye.

***Beer Festival Special Event Permit—Approved***

**Presentation and Discussion:** Arts Director McInerney presented a new Special Event Permit request for the 2024 Proper Brewery Slickrock Beer Festival. She explained Council approval is required for new special events serving more than 200 people. Councilmember Taylor asked if reviewing a permit request within 90 days would set a precedent for the usual application period. It was explained the code states permits can be denied due to a short time frame but it is not a requirement. Use of Swanny Park was encouraged as a venue.

**Motion and Vote:** Councilmember Taylor moved to approve a special event permit for the 2024 Proper Brewery Slickrock Beer Festival. Councilmember Topper seconded the motion. The motion passed unanimously.

***Acceptance of Audit—Reconsideration***

**Motion and Vote:** Councilmember Topper moved to reconsider the tabled acceptance of the audit. Councilmember Wojciechowski seconded the motion. The motion passed unanimously.

***Acceptance of Fiscal Year 2022-23 Annual Audit—Approved***

The City's auditor joined the meeting remotely and presented the City's audit and significant findings.

**Motion and Vote:** Councilmember Taylor moved to accept the Fiscal Year 2022-2023 annual audit. Councilmember Myers seconded the motion. The motion passed unanimously. Mayor Langianese requested a report on progress to address the significant findings in August.

## **Moab City Council Agenda Item**

Meeting Date: April 23, 2024

**Title:** 2025-2029 Capital Improvement Projects Plan

**Presenter:** David Everitt

**Attachment(s):**

- Resolution 12-2024 Five Year Capital Improvement Projects Plan
- Capital Improvement Projects Plan
- Tentative Constrained Capital Improvement Projects Plan

**Recommended Motion:**

Move to approve Resolution 12-2024, the Five Year Capital Improvement Projects Plan that includes the Tentative Constrained Plan.

**Background/Summary:**

Staff presented the recommended five-year Capital Improvement Projects Plan (“CIP”) for consideration on April 9, 2024. Council provided feedback and staff now return for approval of the unconstrained plan and the Constrained Plan that will provide a framework for future discussions regarding potential property tax allocations.

From the April 9 Agenda Summary:

Capital improvements are the City’s largest long-term financial obligations which require foresight and planning.

The General Government CIP contains projects associated with the General Fund, Road Fund, Recreation and Parks Fund, and Housing Fund. The Enterprise Funds CIP is separate and contemplates projects associated with the Culinary Water Fund, the Sewer Fund, and the Stormwater Fund. There is not-infrequent intertwining between the General Government and Enterprise Funds for specific projects, but expenses will continue to be allocated according to each Fund’s responsibility.

For the purposes of planning the General Government CIP, there are two lists: one is a “financially unconstrained” list of projects derived from past CIPs, council and staff input, and various master plans. These projects are categorized and ranked within each category.

The second list prioritizes projects based on estimated revenues that include a possible property tax increase starting in FY25. It includes a list of “pay as you go” projects and debt-funded projects, and also separates out projects that are to be funded by the City’s Recreation, Arts, and Parks tax revenues.

As a reminder, adoption of the CIP project list does not obligate funds. This is done on a per-project basis following procurement policy and through the annual budgeting process. The Council will consider adopting the Tentative Constrained CIP at a subsequent meeting.

**CITY OF MOAB RESOLUTION NO. 12-2024**  
**A RESOLUTION adopting the 2025-2029 Capital Improvement Project List**

**WHEREAS**, the prioritization of capital projects for the City of Moab ("City") is crucial for long term capital planning as well as the financial process of analyzing the annual debt repayment limit of the City and other resource constraints; and

**WHEREAS**, the purpose of the Comprehensive Capital Improvement Project List ("CIP") is to plan for and prioritize public improvements in the short and long term; and

**WHEREAS**, staff reviewed the CIP and recommends approval of a the CIP and a Tentative Constrained Capital Improvement Project List ("Constrained CIP") for consideration by the public; and

**WHEREAS**, for purposes of planning and allocating resources the governing body should consider and approve the CIP and the Tentative Constrained CIP; and

**WHEREAS**, appropriation of funds for individual projects will require subsequent approval by the governing body.

**NOW THEREFORE, BE IT RESOLVED THAT:**

1. The governing body finds that the improvements described are necessary to serve the public interest.
2. The CIP shall be updated and presented for governing body approval annually.
3. All project budgets will require governing body approval prior to expenditure of any CIP related funds.
4. The governing body approves the attached CIP and Tentative Constrained CIP.
5. This resolution shall become effective upon passage and approval by the governing body.

PASSED AND APPROVED by a majority of the City Council, this 23<sup>rd</sup> day of April, 2024.
