 - 2.
6. Reviewed and approved new updates of suggested historical sites

Adding: old building by Squire house.

Old jail building above Webb house

Granary building at Confluence Park

Clarence Sanders house

7. Discuss any insights gained from the February 10th field trip

The field trip was informative and enjoyable but only about half of the sites were seen so possibly schedule another event.

8. Discuss information related to the collection of donations or other funds (ie. Grants) to preserve various sites

James Gubler spoke with Kyle Gubler about the handling of monies. It is difficult for the city to manage any raised funds because that money would go into a general account. Kyle Gubler can speak with the city attorney for more information.

In regards to grants the city may need to play a role.

Chairman Gubler would like funds needed for plaques of historical sites that include a QR code directing them to more information.

Kyle Gubler reported to Chairman James Gubler that his plaque making resources are not what we are looking for.

We need to utilize the Washington County Historical Society resources.

9. Discuss Methods to prioritize listed projects

Focus on:

Plaques and website to include link for information

City owned properties

Message/letter on water bill for individuals to write up their home history

Send letter to historical sites on our list to collect historical information

Facebook posts to collect historical information

Eldon Pierce will research plaques for us. Check with Lynn Chamberlin.

James Gubler will write up a cover letter of our committee mission and purpose.

James Gubler will talk with people at the WA County Historical Society.
