In keeping with the requirements of U.C.A. §53G-5-202(1)(b) the SCSB will perform at least an annual review (more often as the need arises as determined by the Authorizer) and evaluation of the performance of the Charter School and hold the Charter School accountable for its performance. To facilitate the annual or any other review the School shall maintain the necessary records to provide the following:
- a. Annual Performance Report.²⁶ In keeping with the purpose of the Utah Charter Schools Act, the State Charter School Board will produce for public distribution an annual report that provides clear, accurate, performance data for the Charter School according to the frameworks set forth by the SCSB, and those found in Exhibit “A,” as well as reporting overall portfolio performance.
 - b. Documentation. The Governing Board shall maintain all documents used to determine and support data used to prepare the annual report provided in subsection 4.1 a., and shall submit such additional documents as the SCSB may request.
- 4.2 Review Process. The Charter School review process will be guided by the following core 4.3 questions, and by the purposes, and School Accountability Measures found in Exhibit “A”:

The SCSB will provide to the Governing Board clear, adequate, evidence-based, and timely notice of law, rule, regulation, or Charter Agreement violations, or performance deficiencies and allow the Governing Board reasonable time and opportunity for remediation in non-emergency situations. Where intervention is needed, the SCSB will engage in intervention strategies that preserve Governing Board autonomy and responsibility (i.e., identifying what the school must remedy without prescribing solutions), but may take additional action as the circumstances, and exigencies dictate.

²⁶ U.C.A. §53G-5-202(1)(b)

²⁷ U.C.A. §53G-5-501(5)

- a. Notice of Concern. Staff may issue a “Notice of Concern” addressed to the Governing Board outlining areas of concern.
- b. Letter of Warning. SCSB may direct staff to issue a “Letter of Warning” addressed to the Governing Board identifying deficiencies and providing a timeline by which the deficiencies shall be remedied. The terms of the letter and the consequences associated with the warning will be those found in the letter. In addition, the SCSB may provide focused support to the Charter School, including assigning a mentor and on-site monitoring.
- c. Probation. SCSB may direct staff, before termination of this Charter Agreement for a material breach thereof, to place a School on “Probation” for such period of time, up to one year, or such other time period as may be appropriate or established by rule, necessary for the School to be able to establish its ability to comply with all of the terms and conditions of this Agreement and all controlling laws, regulations and rules. The SCSB will provide notice of such probation and the terms of that probation in a letter provided to the Governing Board. In addition, the SCSB may provide focused support to the Charter School, including assigning a coach, providing professional development, and analysis of monthly written updates provided by the Charter School governing board and key administrators.
- d. Additional Actions. In addition to a Notice of Concern, Letter of Warning or Probation, and where the Charter School has not remedied deficiencies within the timeframes established by the SCSB, the SCSB may pursuant to U.C.A. §53G-5-501:

Exhibit A

1. Name of the charter school: American Principles Academy
2. Charter school applicant: Cedar Charter Holders
3. Location: The charter school shall be established in Cedar City, located within the Iron County School District, which is material to its authorization.
4. Mission statement: The mission of American Principles Academy is to provide a classical education ensuring that every student achieves academic success and develops good character based on concrete measurements.
5. Purpose of the charter school:
 - A. Confidence to Improve Student Learning by tracking individual student achievement using embedded assessments, longitudinal standardized assessment tables, weekly subject mastery instructor reports and PLCs, daily participation trackers, and other tools that will allow us to be responsive to individual student learning needs. We will hold an annual teacher conference to review student progress and make changes to curriculum and instruction as needed. Through these robust data collections, evaluations and analysis we will continuously improve student learning.
 - B. Increase Choice of Learning Opportunities by recognizing that currently there is only one K-8 charter school in Cedar City. It emphasizes a “self-directed” method of teaching and has no available seats for parents seeking school choice. American Principles Academy would provide parents the choice of a classical model that is not currently available in Iron County School District.
 - C. Establish New Models That Emphasize Measurement with Creative Tools by finding, creating and using the most effective data collection systems available and combining them in unique ways, including monthly Progress Learning Charts (PLCs) where student data is compared with accountability elements, and an annual teacher conference, added to our teacher contracts and held at each year’s end for 3-4 days where teachers will deeply evaluate student progress and use this information to inform their instruction in the upcoming year.
 - D. Provide Opportunities for Greater Parental Involvement by involving parents on school committees that will support and provide input to management. And, as required by state regulations, parents will comprise the Parent Advisory Council, acting as stakeholders in the review of Comprehensive Needs Assessment data, School Improvement Planning meetings, School Community Council activities, Teacher and Student Success Act Plans, and other activities related to the direction of American Principles Academy.

6. Key elements of the charter school:

- A. Classical Education- Students and staff seek truth, beauty, goodness through teaching and learning that reflects the Trivium, with the aim of student flourishing and in the context of public education and meeting state instructional standards.
- B. Leveled learning- in addition to grade level core instruction in their homeroom, elementary students experience skills training with peers at their precise level for subjects of Reading, Math, and Spelling (unique to Iron County).
- C. Small group sizes available for Reading, Math, and Spelling as appropriate -group sizes ranging from 3 to 25 students, depending on student proficiency levels and needs.
- D. Core Knowledge Sequence for all subject areas of the Sequence.
- E. Daily homework opportunities- our school utilizes daily homework assignments as part of our rigorous curriculum and a way to involve parents in their children's education
- F. Uniforms - uniforms provide equity.
- G. A comprehensive Character Development Program providing instruction in effective social skills, etiquette, positive behavior, and responsible civic engagement.
- H. A teacher and paraprofessional in every elementary general ed classroom as budgets allow.
