Board Member Keffer said he would like to see the types of use of force listed on this report.

Board Member Miller moved to approve the year end use of force report with the following changes: added gender diverse column, change the term “call out” to “dispatch”, add the officer’s ranking, add one self-reported under significant discussion cases and add the word “potential” to upcoming activities of the CRB.

2. **Board Members Round Table Discussions.**

Board Chair Glad said the CRB training for March will be on less than lethal weapons. She also added some information about the article about the Board that will be in the next City newsletter.

Board Member Barnes asked which Board Members plan to attend the Annual Police Banquet. He cautioned about potentially giving the perception that the Board is fraternizing with the Police Department.

Board Member Miller said the Board reviews police cases and questioned why it may be a problem to attend the banquet.

Board Member Keffer echoed what was discussed during the NACOLE training and the importance of maintaining the independence of the Board as an oversight board.

UNFINISHED BUSINESS

1. **Discussion: Update: Salient Points of Digital Interactions.** Board Chair Glad said this has been discussed a few times over the last few meetings. She would like to put this discussion item on hold for a while as it has come to her attention that the Police Department is working through an accreditation program that covers a multitude of topics and a lot of policies will be updated during the process.

There was discussion by the Board on when this item would be best revisited.

Chief Danielle Croyle said the accreditation program is a budget item that will be discussed during the budget process. This could take six months to a year to complete.

Board Member Barnes believes that the Board should still move forward with this discussion rather than waiting six months or longer.

This item will be moved to a future meeting.

2. **Approval of pending meeting minutes.** Approval of the November 4, 2023 CRB meeting minutes.

Board Chair Glad made a motion to approve these minutes as listed.
