#### Previous Complaints

- T.M
  - Letter was sent to complaint and subject agency
  - Criminal case has been concluded
  - CVLC has filed an appeal
    - Chair will create letter w/VSC staff support to conclude case
- O.M
  - Committee acknowledged there was some process confusion about what was initially approved and what was later approved. That there may have been a mistake but not a victim rights violation.
    - Committee decided no violation
      - Chair will create letter w/VSC staff support to conclude case
- C.G.
  - More information is needed. Brandon made a motion, Wendy seconded the motion
    - VSC staff will reach out to UPD
      - To explore if there is a case, and explore allegations of respect
    - VSC staff will reach out to SLDA
      - To explore speedy disposition
- B. B
  - Chair did not see that the victim had any initial confirmation of the complaint being received. Gave the committee an update of the initial complaint. Doug made a motion Ryan Seconded the motion that there is not a rights violation. ■

Chair will create letter w/VSC staff support to conclude case

- R. J.
  - This is the 2nd complaint. 1st complaint was closed with no violation. Chair read both complaints to find differences. There may be a rape allegation. Brandon made a motion Doug 2nd the motion to hold was made until VSC staff can see if there is a new SA crime. This motion was then withdrawn Ryan made a motion to close the complaint Brandon seconded since they could not identify if there was a right violation different than the initial complaint.
    - Chair will create letter w/VSC staff support to conclude case
- S. S.
  - 2nd complaint. Brandon motioned Wendy 2nd the motion for VSC staff to gather more information from the police department that the allegations of respect originated from.
