ACTIVE AGENDA**3. PUBLIC COMMENTS**

0:05:35 Phillip Swanson, a North Ogden City resident, expressed gratitude to the Council and the Police Department, acknowledging the challenging nature of their work and the upcoming departure of Chief Quinney. He raised concerns about the \$200,000 plus expenditure on the Ramp Canal Trail in light of the Canal Company's recent decision to close the canals to public use and post No Trespassing signs, suggesting a pause on the expenditure until access issues are resolved. Given the absence of expected transfers from the expiring RDA funding, Phillip inquired about alternative funding sources for the Aquatic Center and mentioned the General Fund or Transportation Utility Fund as potential options. He proposed reinstating a transportation utility fee instead of spending over \$100,000 on a study for road funding unless the study is legally mandated. Additionally, he referenced a \$13,000 capital expenditure for park property offered by the County at Mountain Road and 3300 North, expressing support for acquiring the land and encouraging discussion on its potential use. He concluded by thanking the Council for their efforts during the budget season.

0:08:43 Terrian Inhester, daughter of two North Ogden City residents, expressed deep concern regarding the safety of the sidewalk near her parents' home in North Ogden. She highlighted the deteriorating condition of the sidewalk, which poses a significant hazard, especially for her mother who suffers from advanced Parkinson's disease. Terrian emphasized the importance of maintaining quality of life for her aging parents, stressing their desire to remain integrated within the community. Terrian underscored the value of community interaction and the sense of belonging it brings to her parents. She pleaded with the City to prioritize the repair of the sidewalk, citing previous attempts to address the issue and the urgency of the situation, emphasizing the need for immediate remediation in compliance with the Americans with Disabilities Act (ADA).

She appealed to the City's sense of responsibility and community spirit, urging them to take action to ensure the safety and well-being of all residents, including her parents.

0:11:18 Brenda Ashdown, a North Ogden City resident, expressed concern about proposed changes to the North Ogden City Connection magazine, advocating against increasing its cost from \$800 to \$2,000 per month. Instead, she suggested reallocating funds to hire a part-time person who could maintain the website and social media platforms. Brenda emphasized the importance of utilizing technology efficiently while still catering to individuals who prefer traditional paper communication, proposing the addition of a brief informational insert for those receiving paper bills. She recommended using the \$800 budget to pay the part-time communications person, offering a practical solution to address the community's needs.

4. **DISCUSSION AND/OR ACTION TO APPROVE THE SELECTION OF THE NEW NORTH OGDEN CITY POLICE CHIEF**

0:15:36 Mayor Berube formally recommended Brian Eynon for the position of Police Chief, highlighting his extensive public service background, and noting his experience as a police officer in Ogden City and Los Angeles, California as a testament to his capabilities.

Council Member Dalpiaz motioned to approve Brian Eynon as the new North Ogden City Police Chief. Council Member Pulver seconded the motion.

0:17:52 Chief Quinney expressed gratitude and congratulated the Community and Department on the selection of Brian Eynon as the new Police Chief. Having served in the North Ogden City Police Department for over 20 years and recently contemplating retirement, Chief Quinney emphasized his concern for who would succeed him and take care of the department. He commended the diligence of those involved in the selection process and expressed confidence in Brian's ability to lead effectively. Chief Quinney's remarks reflected his trust in Brian, citing their long-standing professional relationship and successful collaboration throughout their careers. Overall, he conveyed appreciation for the careful consideration in choosing the next leader and offered his congratulations to Brian.

0:20:11 Brian Eynon expressed gratitude for being accepted as the new Chief of Police for North Ogden. He highlighted his deep connection to the community, emphasizing his commitment to ensuring its safety. Brian pledged to maintain transparency in communication and actions, extending this commitment to the members of the Police Department. He acknowledged the legacy of his predecessor and the responsibility of filling his shoes, promising to do his utmost in the role. Brian thanked his wife, Heidi, for her unwavering support and expressed eagerness to engage with the community.

0:22:31 Mayor Berube expressed gratitude to Chief Quinney and assured the community that the officers would be well taken care of under the new leadership. The Mayor explained the timing of the announcement, noting the Council's prerogative to accept or reject his recommendation and the careful consideration given to selecting a candidate who aligns with the City's values and culture. He encouraged the officers to meet with Brian and his wife, Heidi, in the briefing room, where refreshments awaited, signaling a transition to further discussions so that he could also attend.

Mayor Berube delegated leadership of the meeting to Mayor Pro Tem Barker, expressing confidence in the smooth continuation of proceedings.

5. **DISCUSSION AND/OR ACTION TO CONSIDER ORDINANCE 2024-09
APPROVING THE FISCAL YEAR 2024-2025 TENTATIVE BUDGET**

0:26:15 The Finance Director, Jami Jones, presented proposed changes to the budget, including a 5% increase in property taxes, a \$150,000 increase in sales tax, a \$10,000 increase in recreation revenue, and adjustments in expenses for the Finance Department and the Capital Improvement Plan (CIP) fund. She noted that the recreation fees were budgeted at \$70,000, which was on track with the current year's revenue.

Council Member Watson expressed concern about potentially raising recreation fees, citing the risk of losing participants to other cities and the need to ensure affordability.

0:29:15 Mayor Berube returned to the meeting.

Council Member Barker raised the question of increasing recreation fees while also considering the possibility of implementing a scholarship for recreation programs. Mayor Berube highlighted the necessity of either reducing expenses or increasing revenues, with fees and property taxes being the primary options. Council Member Dalpiaz suggested deferring fee increases for further discussion in future budget cycles. Ultimately, it was determined that the proposed budget adjustments would likely cover any shortfall without the need for fee increases.

Council Members expressed concerns about potential property tax increases and discussed the need to balance the budget while avoiding unnecessary fee hikes. They debated the allocation of funds for recreation, garbage can replacements, and other expenses like a dump truck purchase.

There was debate about whether a 50/50 split between the City and residents for garbage can replacements was fair, with some Council Members suggesting exceptions for instances of household negligence.

Concerns were raised about the sustainability of the Aquatic Center's revenue generation, with confusion over past subsidy amounts and revenue projections. The Council discussed the unpredictability of revenue due to weather conditions and the need for cautious adjustments to fees. Council Members emphasized the need for careful monitoring of revenue and expenses for the Aquatic Center to ensure its long-term sustainability.

1:22:46 Mayor Berube opened the discussion to Public Comments.

a. Public Comments

1:23:40 Phillip Swanson, a North Ogden Cty resident, emphasized the importance of Council Members thoroughly engaging with the budget process and encouraged them to delve deeper into the details before finalizing decisions. He urged the Council to move beyond merely discussing financial aspects and to engage in a philosophical discussion about the role of government in providing recreational services.

Phillip highlighted the dilemma of balancing the financial burden on taxpayers with the social benefits of subsidizing recreational activities, particularly for at-risk youth.

Phillip also raised questions about using past studies on road infrastructure as a basis for utility fee adjustments and emphasized the need for a forward-looking approach to enterprise fund management. He likened enterprise funds to purchasing a pizza, where costs for both present services and future preparedness should be considered. He warned against underfunding these essential services, even if it meant slight increases in fees, to ensure adequate provision and maintenance of services in the long term.

1:30:21 Kevin Burns, a North Ogden City resident, thanked the Council for their discussion on solid waste management and highlighted the high costs associated with it. He reiterated his annual request for a green waste program, suggesting the possibility of having a green waste can at his house where he can dispose of heavy grass or implementing a green waste pickup service that is more convenient for employed individuals like himself.

1:25:21 Brenda Ashdown, a North Ogden City resident, expressed confusion regarding the financial history of the Aquatic Center. She noted that in 2001, the Aquatic Center generated \$175,000, resulting in a budget surplus of the same amount. However, in 2022, the revenue dropped to \$33,000, prompting the City to contribute \$33,022 to balance the budget to zero. Brenda questioned where the surplus from 2001 went and why it wasn't sufficient to cover the deficit in 2022. She sought clarification on whether there is still a surplus of \$175,000 in the Aquatic Center budget.

1:32:05 Mayor Berube expressed confusion about the Aquatic Center fund balance and questioned the absence of subsidy for the current year, mentioning a profit of \$85,000 transferred from the RDA fund in 2020. Further investigation into the matter was promised.

1:34:40 Council Member Watson raised a query regarding the implementation of a transportation utility fund in the tentative budget, seeking clarification on whether the study needs completion before implementation. City Manager/Attorney Jon Call explained the necessity of a study to justify the fund's implementation and mentioned a six-month timeframe for completing the road analysis. Mayor Berube suggested that unless the Council is willing to impose a flat fee of \$10 to \$15 per month, proceeding with the \$110,000 study would be impractical. The Council agreed to include the study in the budget and move forward.

1:38:24 Council Member Cevering motioned to approve Ordinance 2024-09 for Fiscal Year 2024-2025 Tentative Budget. Council Member Pulver seconded the motion

6. **DISCUSSION AND/OR ACTION TO CONSIDER ORDINANCE 2024-10 APPROVING THE REDEVELOPMENT AGENCY (RDA) FISCAL YEAR 2024-2025 TENTATIVE BUDGET**

1:39:53 Finance Director Jami Jones presented details regarding budget adjustments, explaining that the RDA fund budget approved in December 2003 was carried forward to the next year. She noted that the funds were allocated for the Aquatic Center and Bicentennial Park projects, with some adjustments to include anticipated interest earnings applied to project grants.

Mayor Berube sought clarification on the use of RDA and CDA (Community Development Area) funds, confirming that the RDA funds were intended for projects from the previous year.

7. **DISCUSSION AND/OR ACTION ON THE NORTH OGDEN CITY CONNECTION MAGAZINE**

1:43:56 City Manager/Attorney Jon Call explained the financial challenges faced by the North Ogden City Connection magazine due to increased costs and fewer advertisers, leading to a request to increase the City's monthly contribution from \$800 to \$2,000. He highlighted the importance of the magazine as a communication tool and the need for the Council to decide whether to continue supporting it. Mayor Berube inquired about the current contract expiration date, which was confirmed to be in October. The Council discussed the impact of the proposed budget increase and the potential options for continuing or discontinuing the magazine's distribution. Council Member Pulver proposed continuing with the current contract until October while exploring other communication avenues. Council Member Dalpias supported ending the distribution in October and suggested reassessing in the future if circumstances change.

Council Member Dalpias motioned to discontinue the North Ogden Connection Magazine after the current contractual agreement term date. Council Member Barker seconded the motion.

8. **DISCUSSION AND/OR ACTION TO CONSIDER ORDINANCE 2024-11 AMENDING THE COMMERCIAL PARKING ORDINANCE**

2:11:03 Council Member Dalpias addressed the issue of commercial parking in North Ogden, citing concerns raised by residents about safety hazards caused by parked semi-trucks, especially on 300 East. City Manager/Attorney Jon Call presented proposed language for a new section in the City Code, modeled after similar regulations in St. George.

The proposed language would prohibit parking semi-trucks or trailers on any road in North Ogden for longer than four hours unless loading or unloading. Jon Call emphasized the need for enforcement tools to address the issue, as current regulations only allow action when vehicles are illegally parked and blocking traffic lanes. The proposed regulation aims to educate drivers initially and would provide exceptions for buses unloading passengers.

Council Member Pulver motioned to approve Ordinance 2024-11 amending the Commercial Parking Ordinance. Council Member Watson seconded the motion.

Voting on the motion:

Council Member Barker	aye
Council Member Cevering	nay
Council Member Dalpiaz	aye

9. DISCUSSION AND/OR ACTION TO APPROVE THE RECREATION, ARTS, MUSEUMS, AND PARKS (RAMP) FUNDING AGREEMENT WITH WEBER COUNTY FOR THE NORTH SHORE AQUATIC CENTER

2:18:00 City Manager/Attorney Jon Call provided an update on projects approved for submission to the Recreation, Arts, Museums, and Parks (RAMP) Board for grant funding. Two grants were awarded, one for the North Shore Aquatic Center, specifically for a new playground water feature. The grant covers half of the estimated cost, approximately \$400,000, which includes rebuilding the foundation and piping. The agreement with RAMP is standard, outlining responsibilities and accounting procedures. Jon Call encouraged continued support for the RAMP program, emphasizing its benefits despite the cost to residents. Regarding the timeline for the project, bids and design ideas will be sought, with installation planned between August 15 and May 15 of the following year to coincide with other improvements funded by the RDA.

Council Member Watson motioned to approve A5-2024 (RAMP) Funding Agreement with Weber County for the North Shore Aquatic Center. Council Member Cevering seconded the motion.

10. DISCUSSION AND/OR ACTION TO APPROVE THE RECREATION, ARTS, MUSEUMS, AND PARKS (RAMP) FUNDING AGREEMENT WITH WEBER COUNTY FOR THE CANAL TRAIL

2:22:47 City Manager/Attorney Jon Call discussed the need for permission from the Bureau of Land Reclamation to keep a trail open and public, particularly due to recent lawsuits faced by the Bureau related to the trail. The trail runs between 1050 and 750 and connects to Mountain Road at 2600 North. The intention is not to close the trail but to seek approval for its continued public use. The trail is part of a larger network connecting to Brigham City and the Bonneville Shoreline Trail. Plans include signalized crossings for safety. The agreement with the Bureau needs modification to specify the trail project. Mayor Berube highlighted safety concerns at the 2600 North Mountain Road intersection and emphasized the need for Bureau approval to limit their liability. The Bureau initially supported the project but requested a higher level of permission after a change in personnel, indicating a desire to proceed cautiously while still expressing willingness to partner.

Council Member Watson motioned to approve A6-2024 (RAMP) Funding Agreement with Weber County for the Canal Trail. Council Member Cevering seconded the motion.

Voting on the motion:

Council Member Barker	aye

Council Member Watson	aye

The motion passed unanimously.

11. DISCUSSION AND/OR ACTION TO APPROVE CONCESSION CONTRACT A7-2024 FOR THE NORTH SHORE AQUATIC CENTER

2:28:13 City Manager/Attorney Jon Call explained that the City periodically reviews this contract and issues a request for proposal (RFP). Pizza Man is the only group that typically submits an RFP, having operated the concession for many years. The agreement involves Pizza Man paying the City a set percentage of their gross sales, which typically amounts to around \$15,000 to \$20,000 per year. The contract includes some tweaks to the language, such as allowing the Mayor to extend the contract for additional one-year terms, up to six renewals. Council Members raised questions about the visibility of the RFP process and whether the City is named as an insured party on Pizza Man's insurance policy. The City Manager confirmed that the insurance coverage is reciprocal, with both parties insuring each other.

Council Member Barker motioned to approve A7-2024 Concession Contract for the North Shore Aquatic Center. Council Member Pulver seconded the motion.

Voting on the motion:

Council Member Barker	aye
Council Member Cevering	aye
Council Member Dalpias	aye
Council Member Pulver	aye
Council Member Watson	aye

The motion passed unanimously.

12. **DISCUSSION AND/OR ACTION ON ENTERING INTO AN INTERLOCAL AGREEMENT FOR BUILDING INSPECTION SERVICES**

2:34:45 City Manager/Attorney Jon Call explained the need for an interlocal agreement with Pleasant View City to serve as a backup for inspection services, as required by State law. The agreement allows for mutual assistance in conducting inspections when a City cannot fulfill inspection requests within three days. Pleasant View City has two contractors for inspection services, which would provide additional options. The hourly rate for services is set at \$65. Questions were raised regarding discrepancies in the document's language, insurance coverage, and procedural checks to ensure consistency in inspections. Amendments were made to clarify language and assign an agreement number. A motion was made to approve the interlocal agreement with Pleasant View City for building inspection services.

Council Member Pulver motioned to approve entering into an Interlocal Agreement A8-2024 for building inspection services. Council Member Dalpias seconded the motion.

Voting on the motion:

Council Member Barker	aye
Council Member Cevering	aye
Council Member Dalpias	aye
Council Member Pulver	aye
Council Member Watson	aye

The motion passed unanimously.

13. **COUNCIL DEPARTMENT REPORTS:**

a. Council Member Dalpias – Police Department

2:45:18 Council Member Dalpias advised residents to report police concerns directly to Dispatch rather than via social media or email.

The Police Department's charity golf tournament, benefiting the Sub for Santa program, is on June 14th and has available slots for players and accepts donations. Community Service Officers are enforcing the Ground Cover Ordinance, with compliance required within 18 months for front yards and two and a half years for back yards. There was also discussion about the start date of the 18 months for the Ordinance and concerns regarding the maintenance of dyers woad, emphasizing the importance of proper management methods to prevent its spread.

b. Council Member Barker – Parks Department

2:51:27 Council Member Barker provided updates on the Parks Department, mentioning that baseball activities are in full swing at the parks, with children playing sports every night. He also noted that mosquitoes are about to start hatching, so the community should be prepared.

Mayor Berube advised that the Dog Park is not mowed every week due to the park not being irrigated, therefore not growing as fast.

14. PUBLIC COMMENTS

No public comments were received.

15. MAYOR/COUNCIL/STAFF COMMENTS

2:53:05 City Recorder Rian Santoro announced the ongoing survey open for citizen feedback on the website. Additionally, local photographers and residents are encouraged to submit their photos capturing the essence of North Ogden for inclusion on the new website.

2:53:34 City Manager/Attorney Jon Call mentioned two upcoming topics related to Flash Vote. First, there will be a follow-up on park usage discussed at the next meeting. Second, there are plans to release a Flash Vote about fees and recreation in the coming weeks.

2:54:09 Council Member Pulver provided an update on Build Barker Park, stating that cleanup and trail maintenance have commenced, resulting in a spectacular appearance. He also mentioned having taken videos and other media to document the progress.

2:54:34 Council Member Cevering inquired about the progress on obtaining a prescriptive easement for Cold Water Canyon. City Manager/Attorney Jon Call explained that the landowner was not interested and suggested exploring compensation methods for access, such as offering the property to the City for sale or trade.

Council Member Cevering expressed concerns about public access in that direction until a resolution is reached, to which Jon Call clarified the legal complexities involved and advised people to consult their attorneys regarding trail usage rights.

Additionally, Council Member Cevering mentioned citizen inquiries about making extra payments on bond payments and reported blocked pedestrian signs near the Canal Road intersection, prompting a discussion on reporting such issues through the City website.

City Manager/Attorney Jon Call clarified the jurisdictional responsibility for addressing the blocked signs and encouraged citizens to use the website's reporting feature.

Mayor Berube further discussed the bond payment inquiries, explaining the legal constraints and financial considerations governing bond payments and suggesting prioritizing City projects.

3:01:13 Mayor Berube raised concerns about sidewalk conditions based on citizen reports, prompting a discussion about the City's process for sidewalk maintenance and funding sources. City Manager/Attorney Jon Call explained that sidewalk repairs are funded through sales tax or B & C road funds, noting that sidewalks associated with driveways are the resident's responsibility. Mayor Berube emphasized the importance of addressing sidewalk issues promptly and encouraged reviewing the sidewalk repair spreadsheet to assess priority areas. Council Members also discussed community engagement activities, including upcoming events and efforts to involve volunteers in sidewalk maintenance and other projects.

3:03:58 Council Member Dalpiaz expressed concern about the allocation of funds for installing bay doors in the old Public Works building, questioning the investment given the potential decommissioning of the area. Mayor Berube clarified that the budget had already been approved, but City Manager/Attorney Jon Call explained that the Council could revisit the decision during future budget discussions in August or September, allowing for further consideration of the expenditure.

16. ADJOURNMENT

Council Member Watson motioned to adjourn the meeting.

The meeting adjourned at 9:06 p.m.

Staff Report to the North Ogden City Council

SYNOPSIS

Description: This work session topic will be focused on the city recreation programs and specifically whether the council would like to apply for the Weber Human Services money to support a senior center staffed by North Ogden City employees.

QUESTION FOR COUNCIL

What direction would the council like to go in for the North View Senior Citizen Center? We are looking for guidance to bring policies back to the council for discussion and approval.

STAFF RECOMMENDATION

Staff recommends the city apply for the funds and work to keep the senior center program operating in our community.

DISCUSSION

Weber Human Services has determined that the best approach for their goals is to contract with cities to provide the building, staffing, and other resources utilized at the local senior centers and WHS to provide some funding support and daily meals.

To qualify under the new program the city will be required to submit a proposal and take on some responsibility including tracking facility usage and ensuring that the center is open to residents from all over the county. The attached letter outlines the city responsibilities.

As time allows this would also be a good time to discuss the general approach to recreation in the city and focusing on the city philosophy on recreation activities and how those activities are funded. Under recreation the following would typically be considered. 1) City Events 2) Aquatic Center 3) Recreation Programs 4) Senior Center. Of these four they all have typically required some sort of use of sales tax dollars to keep them operating and typically they cost between \$60,000 and \$120,000 per year depending on a variety of factors.

Mayor Neal Berube,

Weber Human Services (WHS) is seeking to enter into new partnerships with 3 cities in the operation of senior centers in Weber County. Funding is available for up to \$78,600 per year for three years for each funded location. Funded locations must commit to operating at least 5 days per week for a minimum of 6 hours per day and to make available a variety of programming including social activities, health and wellness activities, and congregate meals provided by WHS.

Cities that are interested in partnering with WHS to operate a senior center in their city should submit a letter of interest by 5:00 pm on Friday, July 19, 2024 to WHS with the following information:

- What type of partnership would your city prefer with WHS? WHS pass through funding to city and city employ and supervise staff and programming, or WHS employ staff and supervise staff and programming?
- What funding or resources will be provided/made available by the interested city toward the operation of the senior center? Give details.
- Describe any partnerships with other cities that will add resources to the partnership.
- If funding allocations included a component related to citizen participation levels in senior center services, what do you think should be considered in that component?

All partners must agree to the following terms:

- Patrons must be welcomed into the center, regardless of city of residence.
- Donations for lunch must be voluntary and returned to WHS to help cover the cost of the meal.
- The City must agree to recognize the partnership with WHS in their written materials and promotions, including website, newsletters, fliers, brochures.
- The City must provide data and information on their services upon request from WHS. All participants must complete the registration form, including the extra questions for those who receive meals. The city must maintain a registered user list and submit the list monthly, or as requested, to WHS.
- The City must ensure that the senior center director (or his/her designee) will participate in monthly meetings with WHS and the directors of other senior centers that receive operational funds and/or congregate meals from WHS.
- The City must create a reservation list for patrons and notify WHS Nutrition at least one business day in advance regarding how many meals will be needed.

WHS anticipates making a decision about funding partnerships to begin in FY 2026 by October 1, 2024.
