WORK SESSION 6:15 pm

1. **CALL TO ORDER**
2. **DISCUSSION TOPICS**
 - a. Fiscal Year 2025 Tentative Budget Discussion
3. **ADJOURN**

UPCOMING CITY COUNCIL MEETINGS

- Wednesday, June 12, 2024 – Committee of the Whole Meeting – 6:00p
- Wednesday, June 26, 2024 – Regular City Council Meeting – 6:00p
- Wednesday, July 10, 2024 – Regular City Council Meeting – 6:00p
- Wednesday, July 17, 2024 – Committee of the Whole Meeting – 6:00p
- Wednesday, July 31, 2024 – Regular City Council Meeting – 6:00p

Interested parties may contact the Council PRIOR to the meeting in one of the following ways: (your comment will not be part of the meeting but will be provided to all members of the entire City Council)

- Call the 24-hour Public Comment Line PRIOR to the meeting and leave a message: **(801) 569-5052**. Please include your name and phone number.
- Send an email to councilcomments@westjordan.utah.gov. Please include your name and phone number.

You can follow the City Council on Facebook @WestJordanCityCouncil

In accordance with the Americans with Disabilities Act, the City of West Jordan will make reasonable accommodations for participation in the meeting. Request for assistance can be made by contacting the West Jordan City Council Office at 801-569-5017, providing at least three working days' advance notice of the meeting.

ELECTRONIC PARTICIPATION

One or more council members may participate electronically in this meeting using online video conferencing technology per Utah Code (§52-4-207) and West Jordan City Code 1-13-1-E. Participation will be broadcast and amplified so all persons present in the meeting will be able to hear or see the communication.

INTELLECTUAL PROPERTY PERMISSION NOTICE

By attending this meeting/event, you consent to the use of your photograph, voice, likeness, and image in broadcasts of this meeting/event, and in subsequent productions drawn from video or audio recordings of this meeting/event, in the sole and absolute discretion of the City of West Jordan. The city retains copyright for all video and audio recordings. Video and audio recordings may not be modified, manipulated, or distributed in any way without the express written consent of the City Administrator.

CERTIFICATE OF POSTING

I certify that the foregoing agenda was posted at the principal office of the public body, on the Utah Public Notice website <https://www.utah.gov/pmn/>, on West Jordan City's website <https://westjordan.primegov.com/public/portal>, and notification was sent to the Salt Lake Tribune, Deseret News, and West Jordan Journal.

Please note: agenda items are subject to change and may be reordered or tabled in order to accommodate the needs of the City Council, staff, and the public.

Posted and dated May 30, 2024 Cindy M. Quick, MMC, Council Office Clerk

REQUEST FOR COUNCIL ACTION

Action: Request Feedback from Council

Meeting Date Requested : 06/05/2024

Presenter: Danyce Steck

Deadline of item :

Applicant:

Department Sponsor: Admin. Services

Agenda Type: BUSINESS ITEMS

Presentation Time: 15 Minutes

(Council may elect to provide more or less time)

1. AGENDA SUBJECT

Fiscal Year 2025 Tentative Budget Discussion

2. EXECUTIVE SUMMARY

This work session is to facilitate open discussions in preparation for the adoption of the FY2025 Tentative Budget using the budget accepted by the Council on May 8, 2024, as a baseline. The work session is intended to address Council inquiries and gather feedback.

3. TIME SENSITIVITY / URGENCY

The proposed budget includes a recommendation for a 3.5% property tax increase.

1. If Council supports an increase, they have until June 26th to adopt a tentative budget followed by a public hearing on August 13, 2024, and adoption of a final budget by no later than August 31, 2024.
2. If Council does not support an increase, they will need to adopt a tentative budget, hold a public hearing on the budget, and adopt a final budget by June 26, 2024.

4. FISCAL NOTE

Depends on any amendments adopted by the majority of the Council.

BUDGET AWARD

GOVERNMENT FINANCE OFFICERS ASSOCIATION

Distinguished Budget Presentation Award

PRESENTED TO

**City of West Jordan
Utah**

For the Fiscal Year Beginning

July 01, 2023

A handwritten signature in black ink that reads "Christopher P. Morrell".

Executive Director

Government Finance Officers Association of the United States and Canada (GFOA) presented a Distinguished Budget Presentation Award to City of West Jordan, Utah, for its Annual Budget for the fiscal year beginning July 1, 2023. In order to receive this award, a governmental unit must publish a budget document that meets program criteria as a policy document, as a financial plan, as an operations guide, and as a communications device.

This award is valid for a period of one year only. We believe our current budget continues to conform to program requirements, and we are submitting it to GFOA to determine its eligibility for another award.

May 8, 2024

Council, Residents, and Staff,

I am pleased to present to you my proposed budget for the 2024-25 fiscal year.

As a bicycle rider, I ride my bike to and from the office, up and down our city streets, in our parks and on our trails, and even to local officials' meetings in St. George. Cycling isn't just about exercise; I love riding because it gives me a chance to soak in our community and offers a break from the office bustle, affording me time to contemplate the issues involved in leading our state's third-largest city.

Over the past four months, my team and I have worked diligently to prepare this budget, with an eye toward fiscal responsibility. And you know what? Balancing a budget is a lot like riding a bike.

Much like maintaining balance on a bike, keeping a budget balanced requires strategic adjustments. Just as a cyclist shifts their weight to stay upright, a city must manage expenses and revenue carefully, so we don't overshoot. Four years ago, I presented the City Council with our first truly balanced budget in over a decade—an approach we will remain committed to.

When riding a bike, finding stability in motion is key. Similarly, our budget must navigate fluctuating economic conditions and revenue streams. It's not always easy, but it's essential. We've had our fair share of challenges. My first year in office, we faced significant layoffs amongst our administrative team due to COVID-related issues and, over the last couple of years, we've faced record inflation. To stay the course, this year's budget includes a 3.5% inflationary property tax adjustment. This, along with other resources, will be helpful in maintaining city services and bolstering public safety, including the addition of new police officers. The adjustment is about \$14 on the average West Jordan home, yet this small increase allows us to continue providing quality city services in this inflationary economy.

As I became a more experienced rider, I began to understand the importance of looking out further and utilizing energy efficiently for a sustained bicycle ride. We maintain a similar commitment to utilizing city resources wisely. We're looking to the future and investing smarter in initiatives that will provide a greater return on investment. Over the last four years, the city has received more than \$40M in outside funding offsetting the need for more substantial property tax adjustments. This initiative has saved the average West Jordan household nearly \$300, just this year.

Often when riding my bicycle, I encounter obstacles along the path. These instances can be frustrating, but experience and informed decision making typically save the day. Similarly, cities face economic challenges or unexpected expenses, demanding smart financial decisions to overcome these obstacles

Dirk Burton

8000 South Redwood Road

West Jordan, UT 84088

without losing balance. This past year, our city encountered a cyber incident that could have put us off course. Prudent management allowed us to not only navigate the issue but ensured that it was dealt with in a timely manner, without a significant disruption to our financial standing. This budget recognizes the need to continue our investment in maintaining a skilled labor force who rise to the challenges we face.

We are doing more than simply navigating the unexpected. Maintaining momentum is essential to avoid getting stuck in a rut. Just as cyclists pedal for progress, cities must invest in growth initiatives, while balancing the budget. This year we are embarking on our most substantial period of transportation improvement in the city's history, valued at over \$30M, without impacting other important projects.

In the proposed budget, I am calling for additional strategic investments that include enhancing our civic center with the completion and staffing of a community and art facility, improving our senior center, expanding Ron Wood Park to accommodate our new wheels park, and adding athletic fields for soccer, football, frisbee, and other popular youth sports. Not part of this budget but looking forward, we're embarking on plans for a recreation center to be built in the future on the City's west side and other amenities.

Much like the skill, focus, and adaptability required to balance on a bike, our budget reflects careful planning, fiscal responsibility, and flexibility to navigate economic realities. I am confident that the budget I present today aligns with these principles and the goals that drive our journey.

I want to thank our staff, particularly the department heads and our budget committee, which includes Danyce Steck, Becky Condie, Korban Lee, Jamie Davidson, Josh Chandler, and Cory Fralick, for their work in helping me navigate the budget process. They have been fantastic! Each year we include different department heads on this committee because we, as a city, all work together to accomplish this great work!

I eagerly anticipate your feedback and collaboration as we review and refine this budget together.

Dirk Burton
Mayor of West Jordan, Utah

Dear Members of the City Council and Residents of West Jordan:

The Mayor's Budget for Fiscal Year 2025 sets out to accomplish the goals of the City of West Jordan by allocating resources to provide the best municipal services possible for our community. Specifically, this budget aims to further the City's efforts in the areas identified by the Mayor and City Council as priorities for West Jordan, namely:

1. Being a Resident-Focused Organization
2. Creating a Sense of Community and Identity
3. Improving the Aesthetics of West Jordan
4. Supporting the Employees
5. Developing the West Jordan Economy

Budgeting to Achieve the Long-Term Goals of the Organization

A budget document is the signal as to how the organization is going to allocate resources toward the desired outcomes. To that end, you'll notice that this budget includes resident survey results among performance measures for departments, where residents tell us how we are doing in accomplishing the outcomes desired in the community.

Best Budgeting Practices

To achieve the best outcomes possible, we must continue to follow budgeting and financial management best practices. This includes balancing and diversifying revenue sources across the organization, estimating revenues conservatively, and carefully managing both the on-going costs and one-time costs. Furthermore, this budget maintains healthy reserves in the general fund and other funds.

Short Term Economic Outlook & Revenue Estimates

This past fiscal year saw a leveling of sales tax revenue and a slowing of development activity as consumer borrowing rates continued to rise. We are projecting those trends to continue into FY 2025. Previous restraints on how much sales tax growth we projected each year allow us to continue to increase modestly the estimate of budgeted sales tax revenues this year. Franchise tax revenues are generally flat or declining, although we should see revenue from the Google Fiber project transition from permit revenue to on-going licensing revenue. This budget assumes a very modest growth in property taxes and a limited increase in the property tax rate of 3.5 percent to keep pace with rising costs across the City. Rates for city-provided utilities are also increasing slightly in order to cover the inflationary costs of providing these services.

Being a Resident-Focused Organization

One of our primary goals is to make sure that the organization stays focused on serving the residents of West Jordan. This budget carries forward that focus in three ways.

Public Safety

The FY 2025 budget includes the addition of three police officers, partially paid for by a grant and by new revenues. Additionally, fire and police department equipment upgrades and organizational adjustments are also included in this budget.

Infrastructure

Maintaining and improving existing infrastructure for our current residents is a focus of this budget including the 1300 West project, storm water and roadway improvements to 6200 South, and numerous other road, water, and wastewater repairs and upgrades.

Customer Service

The goal of focusing on residents includes the organization's continued efforts to increase our customer service. This budget accomplishes that by (a) continuing with technology and cyber security upgrades, (b) adding a communications position to increase our community engagement, (c) adding another part-time customer service / passport agent to allow additional open hours at the passport office, and (d) increasing the stipend to employees who assist our Spanish-speaking residents.

Creating a Sense of Community and Identity

This budget strives to further create a sense of community and identity in West Jordan by directing additional resources to the parks, community events, and the community and arts center.

Resources to Enhance Community Parks

This budget proposes a major boost to the Ron Wood Park area to include the development of multi-purpose fields, completion of the wheels park, addition of trails, and preparation for a future recreation center. Further capital project funds are also directed to additional upgrades at other park locations.

Community Arts and Events

Improving and adding community events was a major emphasis among the City Council and Mayor, and also an area of note in the survey of residents. To accomplish this, a full-time community events position is proposed in this budget, largely paid for by additional community event revenues. This new position will also help the City prepare for the management of the new community arts and events center which is under construction and carried forward in this budget.

Improving the Aesthetics of West Jordan

Improving the aesthetics of West Jordan has been a focused effort over the past two years. This budget continues that emphasis with resources dedicated to improving streetscapes, improving signage, and enhancing the 70th South entryway into the community.

Supporting the Employees

One of the primary ways the City can effectively serve residents is by ensuring there is a high-quality workforce in the organization. To keep the best and brightest working for West Jordan, the compensation plan includes a cost of living adjustment, funding for career development programs, and market adjustments for positions that are falling behind comparative salaries outside the organization.

Taking care of employees and their families with quality benefits is a hallmark of our organization. The opening of the Employee Health Center and recent additions to the wellness program by the City have been enthusiastically received by the employees, and this budget continues those efforts. The FY 2025 budget includes a seven percent increase in health insurance premiums.

One of the primary challenges that many of our employees face is just being spread too thin. Over the past three years, we have addressed this issue in different parts of the organization. This budget includes an additional accountant position to meet this need for the accounting and treasury functions.

Developing the West Jordan Economy

Economic development is a major priority for the City. The availability of infrastructure is a major aspect of encouraging new business development. This budget includes funds for the extension of 90th South and other east/west transportation improvements. It also continues planning for water and wastewater needs in the western part of the community.

In addition, this budget adds resources to begin efforts to secure a future State Liquor Store within West Jordan.

In closing, there have been numerous times over the past year when I've been able to witness how well our employees serve the public. It remains the focus of every day. We are doing great things in West Jordan across all departments, and the proposals for this next fiscal year continue that effort. Thank you to the Elected Officials for providing clear direction and support for the goals of the community. And thank you to the budget staff and city leadership working hard to pull together this budget.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'Korban Lee', followed by a long horizontal flourish.

Korban Lee
Chief Administrative Officer
May 8, 2024

GUIDING PRIORITIES

CORRELATION BETWEEN BUDGET AND LONG-TERM OBJECTIVES

RESIDENT FOCUSED

Tailor core services, policies, and initiatives to directly address concerns of the residents and enhance quality of life in West Jordan.

SENSE OF COMMUNITY AND CITY IDENTITY

Facilitate an emotional connection to the community through diverse opportunities, initiatives, events, and gathering spaces.

CITY AESTHETICS

Enhance the City's physical environment through thoughtful design, development, and improvements of public spaces, green spaces, and transportation corridors.

ECONOMIC DEVELOPMENT

Cultivate commercial development, innovation, employment, and entrepreneurship to enhance prosperity and opportunity within the City.

EMPLOYEE SATISFACTION

Maintain a work environment where employees feel engaged and supported, resulting in heightened productivity and morale, reduced turnover, and enhanced overall well-being.

BUDGET NARRATIVES

COMMUNITY PROFILE

CITY BACKGROUND

The City of West Jordan was one of the earliest pioneer settlements after the founding of Salt Lake City. Early settlements formed to the west along the prominent Jordan riverside as early as 1849. Since the City lies on the western banks of the Jordan River, it was named West Jordan. As the years went on the area began to grow at a rapid rate. Farms, mills, and infrastructure were built as a haven for all who wished to settle the area. The residents of West Jordan petitioned the Salt Lake County Commission for incorporation as a town on January 10, 1941. It became a third-class city in 1967 and grew to a first-class city by 2006.

West Jordan is now the state's 3rd largest city with a 2020 population of 116,961. At build-out, the City is projected to have a population of 175,000. It is located within the Salt Lake metropolitan area and is approximately 32.02 square miles in size.

With the largest contiguous acreage of undeveloped land in Salt Lake County, West Jordan is one of only two areas remaining in the County where new large-scale industrial development can take place. In addition, the City's resident labor force represents just over 10% of Salt Lake County's which has proven to be a major asset in attracting commercial and industrial development. The diversification of the City's retail businesses has provided a strong foundation for sustainability even in the most challenging of environments.

The City provides a full range of services to its businesses and residents. These include police and fire protection, community events and celebrations, culinary water, sewer, garbage and recycling collection and disposal, storm water management, as well as the construction and maintenance of roads, parks, recreation facilities, and street lighting.

The City of West Jordan operates under a Council-Mayor form of government, also known as a strong mayor form. The City Council operates as the legislative body and the Mayor as Chief Executive Officer. All work together to make the City of West Jordan a wonderful place to live, shop, and work.

LOCATION

West Jordan is located in the center of the Salt Lake Valley, extending westward from the Jordan River toward the Oquirrh Mountains, where slopes increase significantly, gaining more than 1,000 feet in elevation at its higher points. It shares borders with Taylorsville, Kearns, West Valley City, Copperton, South Jordan, Sandy, Midvale, and Murray.

COMMUNITY PROFILE

DEMOGRAPHICS

According to the 2020 US Census, West Jordan has the following demographic data.

Total Housing Units: 36,247
 Homeownership Rate: 76.8%
 Median Household income: \$84,722
 Bachelor's Degree or Higher: 26.4%
 Employment Rate: 73.1%
 Median Age: 32.1
 Under 18 years old: 29.8%
 Average Family size: 3.68
 Hispanic or Latino Origin: 19.5%
 Language other than English spoken at home: 18.3%

CITY POPULATION

The population of West Jordan has increased by 10.5% over the past ten years. The 2020 US Census lists the City with a population of 116,480. Current estimates show 119,401.

KEY FISCAL MANAGEMENT PRACTICES

The following statements are presented as principles that will govern the budget, accounting, and financial reporting for fiscal year 2025.

GENERAL FINANCIAL GOALS

- Provide a financial base sufficient to sustain municipal services to maintain the social well-being and physical conditions of the City.
- Provide financial sustainability using sound financial principles and transparency.
- Be able to respond to unexpected and dramatic changes in the local and regional economy, service level requirements, and other changes as they affect the community.
- Seek to use a portion of ongoing revenue for one-time expenditures, thereby mitigating the effects of a change in ongoing revenues.

BUDGET POLICIES

Balanced Operating Budget: The City shall annually adopt a balanced budget where operating revenues are equal to, or exceed, operating expenditures. Any increase in expenses, decrease in revenues, or combination of the two would result in a budget imbalance and will require budget revision rather than spending unappropriated surpluses or designated reserves to support ongoing operations. If the budget imbalance is positive, no budget revision is required. Any year-end operating surpluses will revert to unappropriated balances for use in maintaining reserve levels set by policy, and the balance will be available for capital projects and/or “one-time only” General Fund expenditures, as approved by the City Council.

Budget Document: The operating budget is the annual financial plan for the City. It will serve as the policy document of the City Council for implementing Council goals and objectives. The budget shall provide the staff with the resources necessary to accomplish Council-determined service levels. The Mayor shall present a balanced operating budget for the following fiscal year to the City Council by the first regularly scheduled council meeting in May, to be adopted no later than the statutory deadline of June 30th of each year.

Budget Adjustments

- Budget transfers between departments, but within the same fund, require approval from the Mayor or his authorized designee.
- Budget transfers between funds require Council approval which is obtained through the budget amendment process.

Capital Improvement Plan: The Capital Improvement Plan and the base operating budget will be reviewed at the same time to ensure the City’s capital and operating needs are balanced with each other and the Capital Improvement Program is aligned with the City’s other long-range plans.

Expansion Requests: Expansion requests will be considered during the budget process as a result of the availability of new revenue and will be evaluated and prioritized as a whole. Expansion requests submitted after the original budget is adopted will be considered as a result of the availability of new revenues (such as unanticipated grants) and the request’s impact on the City’s current and future resources.

Reserve Level: The City will maintain a General Fund reserve of between 10% - 35% of the General Fund budgeted revenues excluding any transfers in and/or use of reserves. In enterprise funds, the City will maintain a minimum reserve of 12% of budgeted revenues. These reserves shall be created and maintained to provide sufficient cash flow to meet daily financial needs and to sustain services in the event of a catastrophic event such as a natural/man-made disaster or a major downturn in the economy. Any funds in excess of the 35% maximum reserve balance will be available for capital projects and/or “one-time” General Fund expenditures, as approved by the City Council.

Use of Reserves: Reserves will only be used for one-time (nonrecurring) expenditures or to fill an emergency shortfall while a permanent solution is identified. This gap fill solution should not occur in more than one fiscal year. If reserves are used, the City will begin to replenish these reserves as surplus exists, but no later than 3 years.

KEY FISCAL MANAGEMENT PRACTICES

REVENUE POLICIES

To reduce the risk of changes in the economy, the City will use the following guidance in the preparation of revenue estimates for the budget.

Fees (Governmental): Fees (user charges) will be reviewed on an annual basis during the budget process and be included with the budget for adoption by the City Council. Fees will reflect the targeted level of cost recovery and may include long-term rate adjustments to address inflation.

One-time Revenue: One-time (or temporary) revenue will be used to obtain capital assets or to make other nonrecurring purchases. The City will avoid using this resource to provide ongoing services.

Revenue Diversification: The City will strive to maintain a diversified and stable revenue system to reduce the effects of fluctuations in any one revenue source, as well as avoid an over-dependence on any single revenue source.

Revenue Projection: All revenue estimates shall be conservative (slightly understated) to reduce the probability of a revenue shortfall. Previous year trend analysis, current economic conditions, and growth will be guiding factors in these estimates.

EXPENDITURE POLICIES

Cost Allocation: A cost allocation plan will be developed and incorporated into the annual budget. The cost allocation plan will be the basis for distribution of general government and administrative costs to other funds or capital projects (indirect costs).

Expenditure Projections: Expenditure estimates should be based on known demand and service levels along with historical trend analysis, current economic conditions, and growth as guiding factors in these estimates.

Long-term Forecast: The City will prepare and present a five-year forecast with the annual budget.

One-time Expenditure: One-time expenditures may be purchased with either ongoing or one-time revenues.

Service Levels: The City will structure service levels in the context of financial sustainability.

CAPITAL INVESTMENT POLICIES

To protect the City's investment in capital assets and ensure systems and equipment are available to meet expected service levels.

Capital Assets: The City will maintain all its assets at a level to protect the City's capital investment and minimize future maintenance and replacement costs.

Capital Improvement Plan: The City will make capital improvements in accordance with an adopted capital improvement plan.

Equipment Maintenance and Replacement: The City will maintain an equipment replacement and maintenance needs analysis for the life cycle of equipment and will update this projection consistent with budget development.

Financing: Each project will identify the least costly financing method(s) and will be only undertaken once financing is secured.

Funding Source: Funding sources for each capital project will be identified prior to submittal to the Council for approval. The City will use intergovernmental assistance and other outside resources whenever possible.

Long-term Forecast: The City will prepare and present a five-year Capital Improvement Plan and include discussions on the impact to operations and maintenance each year. The Capital Improvement Plan includes elements from the various Master Plans adopted by the City Council and helps establish priorities for consideration by the City Council.

KEY FISCAL MANAGEMENT PRACTICES

DEBT POLICIES

The City will utilize long-term borrowing for capital improvements that cannot reasonably be financed on a pay-as-you-go basis from anticipated cash flows.

Bond Rating

- The City will maintain or improve the City's bond rating to reduce the cost of financing options.
- The City will maintain good communications with bond rating agencies about its financial condition. The City will follow a policy of full disclosure on every financial report and bond prospectus including proactive compliance with disclosure to the secondary market.

Cost-efficient Financing: The City should seek the most practical and cost-efficient financing available.

Generational Cost-Sharing: When considering long-term borrowing versus pay-as-you-go, the City will consider the improvement and the future users of the improvement over its useful life. This consideration will value the benefit to future generations and the equity of sharing that cost over time.

Lease Options: Lease financing may be used when the cost of borrowing or other factors makes it in the City's best interest.

Strategy

- The City will approach debt cautiously and manage its debt well below debt limits as outlined by the Utah state law.
- The City should combine pay-as-you-go strategies with long-term financing to keep the debt burden low.
- The City will not use long-term debt for current operations.
- Acceptable uses of bond proceeds are items which can be capitalized and depreciated. Refunding bond issues designed to restructure currently outstanding debt is also an acceptable use of bond proceeds provided that the net present value of savings is at least four percent (4%).
- Bonds shall not be issued for a longer maturity schedule than a conservative estimate of the useful life of the asset.
- The City will determine whether self-supporting bonds (such as special assessment bonds) are in the City's best interest when planning to incur debt to finance capital improvements.

ENTERPRISE FUND POLICIES

Fees (Enterprise): Fees and user charges in enterprise funds will be set at a level that fully supports the total direct and indirect cost of the activity including the cost of annual depreciation of capital assets. For analysis and rate modeling purposes, the proposed rates shall consider debt service coverage commitments made by the City of 1.2 times annual debt service.

Self-Sufficiency: Enterprise funds should be self-sufficient if the benefits largely accrue to the users of the service, a fee from the end user is administratively feasible, and the service can effectively be priced at its full cost without detracting from the purpose of the fund.

Subsidization: The General Fund may subsidize enterprise funds with the permission of the City Council. Such subsidization should be limited and should represent services which benefit the City as a whole.

KEY FISCAL MANAGEMENT PRACTICES

INTER-FUND POLICIES

Indirect Costs: Costs for administrative and project management services are assessed to other funds from the General Fund. This activity is recorded as allocated wages and operations and credit expense in the General Fund per direction of the Utah State Auditor.

Cash Management Tool: Interfund borrowing may occur during the budget year as a cash management measure. It allows a surplus in one fund to be used to offset a shortfall in another. Any fund transfer from an enterprise fund to the General Fund requires authorization of the City Council by resolution.

Interfund Borrowing: Interfund borrowing shall only occur in an emergency status situation where reserves are insufficient to meet projected needs. Interfund borrowing must be approved by the City Council by resolution.

ACCOUNTING, AUDITING, AND FINANCIAL REPORTING POLICIES

Compliance: The budget process complies with the Utah Fiscal Procedures Act and Generally Accepted Accounting Principles (GAAP).

Comprehensive Annual Financial Report: In coordination with the independent audit, the City will prepare a comprehensive annual financial report. The City will consistently seek to qualify for the Government Finance Officers Association Certificate of Achievement for Excellence in Financial Reporting.

Financial Reporting and Monitoring: The Finance Department will provide monthly financial reports reflecting the operations of individual funds. These reports will be provided to the Council and will be available on the City's website.

Fund Accounting: The City follows principles of fund accounting for all governmental funds where each fund is defined as a separate accounting entity. Each fund is a self-balancing set of accounts established for the purpose of carrying out specific activities in accordance with clearly defined restrictions and/or limitations. For enterprise funds, the City follows principles of full accrual accounting as required by GAAP.

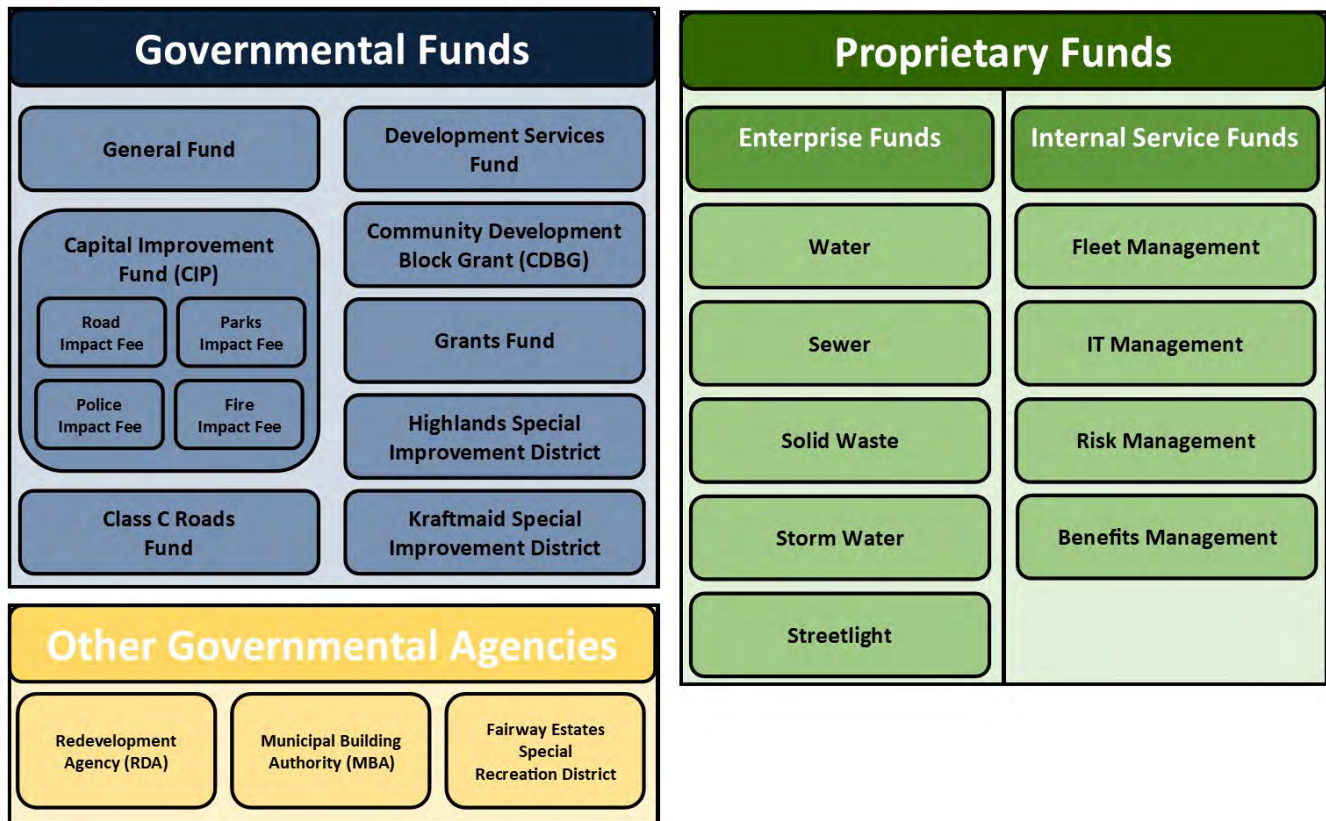

Independent Audit: State statutes require an annual audit by independent certified public accountants. Generally accepted auditing standards and the standards set forth in the General Accounting Office's Governmental Auditing Standards will be used by auditors in conducting the engagement.

Investment of Funds: The City's investment policy is to secure its assets by collateralizing investment and money on deposit. In its investments, the City also seeks to maintain a sufficiently liquid position so that cash is available as needed for operating expenses. Within the framework of these two policies, the City seeks to maximize its yield from investments. All investments are made in strict conformance with the Utah Money Management Act, which governs the investment of public funds. City funds will be managed in a prudent and diligent manner with emphasis on safety, liquidity, and yield, in that order.

Modified Accrual Basis: The City's budget is based on the modified accrual basis of budgeting for all its fund types. Under the modified accrual basis of accounting, revenues are recognized when they become measurable, available, and qualify as current assets. Expenses are recorded when the related liability is incurred.

FINANCIAL STRUCTURE

FUND ORGANIZATION

FUND TYPES

A fund is a grouping of related accounts used to maintain control over resources that have been segregated for specific activities or objectives. The City of West Jordan, like any other state and local government, uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements. The funds of the City can be divided into two categories: governmental funds or proprietary funds (business-type funds). These funds are appropriated by the City Council.

Governmental activities are principally supported by taxes and intergovernmental revenues, while business-type activities are intended to recover all or a significant portion of their costs through user fees and charges. The governmental activities of the City include general government, community development, public safety, highways and public improvements, and parks and recreation. The business-type activities of the City include utilities (water, sewer, solid waste, storm water, and streetlights). The City has also established Internal Service Funds to account for goods or services that are provided by one department to another department on a cost reimbursement basis.

FUND DESCRIPTIONS

General Fund - The General Fund serves as the chief operating fund of the City and provides the resources necessary to sustain the day-to-day activities of a governmental entity. The principal sources of revenue for the General Fund are taxes, charges for services, and fines and forfeitures. Expenditures are for general government, community and economic development, public safety, streets, parks, recreation, and other public services. This fund records all assets and liabilities of the City that are not assigned to other funds.

FINANCIAL STRUCTURE

Capital Projects Fund - This fund is reserved for long-term capital investment projects such as the acquisition, construction, or renovation of buildings and roads. The financial resources of West Jordan's capital projects fund come from several different sources, including impact fees, intergovernmental monies, interfund payments from the water and sewer funds, and appropriations from the General Fund as well as special revenue funds such as the Class C Roads Fund.

The *Road Impact Fee Fund* accounts for road-related impact fees derived from new development and the need for related capital assets.

The *Police Impact Fee Fund* accounts for police-related impact fees derived from new development and the need for related capital assets.

The *Parks Impact Fee Fund* accounts for park-related impact fees derived from new development and the need for related capital assets.

The *Fire Impact Fee Fund* accounts for fire related impact fees derived from new development and the need for related capital assets.

The **Class C Roads Fund** accounts for state allocated road funds which are used for road maintenance and capital improvements.

The **Development Services Fund** was established to account for revenues received from developers for permits and inspection fees related to new development within the city. These revenues are used to pay the directly-related personnel and operational costs of the Planning and Building divisions of the Community Development Department.

The **Community Development Block Grant (CDBG) Fund** accounts for the CDBG Program. The City receives a direct distribution of funds from the federal Department of Housing and Urban Development. This program provides annual grants on a formula basis to states, cities, and counties to develop viable urban communities by providing decent housing and a suitable living environment, and by expanding economic opportunities, principally for low- and moderate-income persons.

Grants Fund – This is an additional fund used to account for other grants and distribution of revenues from governmental agencies that are earmarked for specific spending purposes.

Special Improvement Districts (SID) – These are geographic areas of the city where the property owners incur the costs of making special improvements to the area. West Jordan has two funds associated with these to account for the financial activities specific to the SID.

The **Highlands Special Improvement District** was approved to provide service in excess of normal city-provided levels specifically regarding landscaping and snow removal in the area.

The **KraftMaid Special Improvement District** was created to manage the taxable portion of debt service on the Series 2008 Tax Increment Bonds issued for improvements in this area.

Other Governmental Agencies – These agencies are separate legal entities managed by a Governing Board of seven trustees which consists of the members of the West Jordan City Council. They have separately adopted budgets and associated funds to account for their specific organizations.

The **Redevelopment Agency Fund** accounts for property taxes dedicated to the economic redevelopment of blighted areas within the City and the associated improvements in those areas.

The **Municipal Building Authority Fund** accounts for lease revenue fees paid by the General Fund for government buildings and the related debt service payments for those buildings.

The **Fairway Estates Special Recreation District** is a separate taxing entity created to provide park strip landscaping services to the area within the district. The service demand is in excess of normal city-provided services.

FINANCIAL STRUCTURE

Enterprise Funds – Enterprise funds are proprietary funds used to account for operations that are financed and operated in a manner similar to private business enterprises - where the intent of the government's council is that the costs of providing goods and services to the general public on a continuing basis be financed or recovered primarily through user charges.

The **Water Fund** is used to report revenue and expenses of providing water services to the residents of the City. In addition, this fund accounts for water impact fees and related capital improvement projects.

The **Sewer Fund** is used to report revenue and expenses of providing sewer and wastewater services to the residents of the City. In addition, this fund accounts for sewer impact fees and related capital improvement projects.

The **Storm Water Fund** is used to report revenue and expenses of providing storm water drainage and

management services to the residents of the City. In addition, this fund accounts for storm water impact fees and related capital improvement projects.

The **Solid Waste Fund** is used to report revenue and expenses of providing garbage and recycling collection and disposal services to the residents of the City.

The **Streetlight Fund** provides improvements, maintenance, and operations of the City's streetlight system. A flat monthly fee is charged to each residential/commercial unit.

Internal Service Funds – Internal service funds are a proprietary fund type that may be used to report any activity that provides goods or services to other funds, departments, or agencies of the primary government and its component units, on a cost-reimbursement basis.

The **Fleet Management Fund** is used to properly allocate fleet vehicle purchases, maintenance, administrative, and shared equipment costs into each department or fund within the City. Its revenues are based on allocating operating costs as a fleet operation & maintenance (O&M) charge and capital costs as a fleet replacement charge to those departments using vehicles or large equipment.

The **Risk Management Fund** centralizes the management of all liability insurance and claims for the City. The revenues are the result of charging other funds an allocated portion of the personnel and operating costs of the Risk Management division along with their portion of the claims, property insurance, and liability insurance costs for the City.

The **Information Technology Management Fund** is used to account for the costs associated with technology, network, information security, data backup, and technical support. The revenues come from allocations to other departments/funds based upon the usage of the City-wide systems, the specific business systems, and capital replacement. The basis is cost recovery as well as cash funding for infrastructure replacement and enhancement.

The **Benefits Management Fund** centralizes the management of the City's self-funded health insurance. The revenues are the result of both employer and employee contributions as determined annually. The basis is cost recovery as well as an allowance for health care cost increases.

FINANCIAL STRUCTURE

FUND AND DEPARTMENT RELATIONSHIP

To understand the relationship between the City departments and the various City funds, this matrix provides an overview of the responsibilities and involvement of each department with each fund.

REVENUE SOURCES

REVENUES

The City of West Jordan is funded through two categories of revenue: taxes and fees. Tax revenue is primarily used to pay for services provided to the public in general such as police, fire, streets, and parks. The City also provides services that benefit specific groups of citizens for which a specific fee is charged. These fees are intended to pay for all or part of the costs incurred to provide that service, such as water and sewer. The City's revenue policies can be found in the Key Fiscal Management Practices section of this budget document.

FY 2025 General Fund Revenue

Sales Tax

Sales tax is the largest source of revenue for the City of West Jordan, contributing 43% of overall General Fund revenues (44.5% of the overall General Fund revenues excluding transfers in from other funds). This is a tax imposed on the sale or consumption of goods and/or services, and it is paid by the general public as an addition to the sale price of retail purchases. All such sales tax collected by the retail merchants are remitted to the State Tax Commission, which in turn re-allocates the taxes to the governmental units participating. The overall sales tax rate in West Jordan is 7.25%. One percent (1%) is dedicated to local governments, like West Jordan. Of this one percent (1%), half is paid directly to the local government where the sale occurred, and the other half is contributed into a state pool and distributed to the cities based on population.

In March 2020, the City noticed consumer behavior changing in response to the pandemic. This change was dramatically outside of the normal growth pattern previously experienced over the past decade. In response to this change, the City established a best practice of using sales tax collection from FY 2019 as a baseline year for normal performance and applying a year-over-year growth of 5%. This amount is established each year to support on-going operations. Any amount in excess of this amount is considered one-time revenue and best used to support one-time purchases such as capital (vehicles, equipment, improvements, etc). The budget presents these revenues separately.

This best practice has protected the City from relying on revenues that may not be available during economic changes. Over the past fiscal year, this practice has served the City well as we experience a leveling of consumer spending.

The budget for sales tax revenue for FY 2025 is based on FY 2023 actual collection and FY 2024 estimated collection. The City's best practice described above allows the City to continue to project growth to support on-going operations, however a leveling of sales tax revenue in FY 2024 indicates less available one-time sales tax revenue. The accompanying chart illustrates how one-time revenues have grown and declined over the last several fiscal years.

Sales Tax Revenue

REVENUE SOURCES

Property Tax

To understand property tax in Utah, it is necessary to understand a section of Utah law known as “Truth in Taxation.” The county is responsible for administering property taxes and each June it submits to the cities a certified tax rate that would generate the same amount of revenue as the previous year plus any new growth. The certified tax rate does not provide for additional tax revenue due to increased valuation of existing property. If the City adopts a tax rate higher than the certified rate, state law has very specific requirements for noticing and public hearings, from which the name “Truth in Taxation” is derived.

The property tax rate refers to the ad valorem taxes levied on an assessed valuation of the real and personal property each year. The City’s tax rate is only a small portion of the total property tax rate. In FY 2024, the City collected property tax for calendar year 2023, also known as tax year 2023. Property tax for the calendar year is due in November. It is collected by the Salt Lake County Treasurer and remitted to the City as it is collected.

The property tax rate for tax year 2023 was .001499. This is the 7th lowest in Salt Lake County and below many of our surrounding cities.

Tax Year 2023 Property Tax Rates

At 30%, property tax is the City’s second largest General Fund revenue source. The City uses another best practice of dedicating delinquent tax collections and penalties as a one-time revenue source.

Property Tax Distribution

The City receives approximately 15% of the total assessed property tax. Using an average home with a market value of \$500,000 which translates to a taxable value of \$275,000, the following compares the property tax for each city using their 2023 property tax rate.

Draper	\$ 246
Bluffdale	\$ 268
Sandy	\$ 291
Holladay	\$ 364
Cottonwood Heights	\$ 391
South Jordan	\$ 392
West Jordan	\$ 412
Murray	\$ 416
Taylorsville ¹	\$ 571
Midvale ¹	\$ 615
South Salt Lake	\$ 655
Riverton ²	\$ 665
West Valley City	\$ 758
Millcreek ¹	\$ 764
Herriman ²	\$ 823
SLC	\$ 828

REVENUE SOURCES

Franchise Tax

Franchise tax revenues account for approximately 14% of General Fund revenues and are projected based on historic trends and economic information. Franchise tax acts as a 'lease' for the business to use the City's right-of-way to locate infrastructure or use its roads. For instance, in exchange for allowing the electrical company to locate its power poles in the City's right-of-way, the electrical company agrees to pay the City 6% of all sales.

This category of revenues includes utility (electricity and natural gas), cable, telecommunications, vehicle registration, and transient room (hotel) tax. With the exception of utility, these sources have been in decline. As streaming services continue to affect traditional cable services, landline phone services are replaced with cellular services, and vehicle sales are being affected by high borrowing rates, these revenue sources are negatively affected.

On a positive note, the utility franchise tax of 6% on all sales of electricity and natural gas continues to generate strong revenues.

Utilities and User Fees

The Water, Sewer, Solid Waste, Storm Water, and Streetlight Funds obtain revenues from fees. Metered water sales are the largest portion of those revenues. Revenue projections for these various funds are based on historic use, development growth and economic forecasts, along with rate information for the various funds.

DEBT

LONG-TERM DEBT

The City of West Jordan has four outstanding bond issuances:

- Series 2014 General Obligation Bonds
- Series 2016 Municipal Building Authority Lease Revenue Bonds (MBA)
- Series 2016 Storm Drain Revenue Bonds
- Series 2021 Water Revenue Bonds

The FY 2025 budget includes a proposal to issue a \$12 million sales tax revenue bond to develop multi-purpose fields throughout the City. The annual debt service on the bond is estimated at \$885,000 for 20-25 years. The source of repayment is park impact fees.

The FY 2025 budget includes a total of \$4,151,338 in debt service payments (principal, interest, and agent fees) for all issued bonds, \$754,490 of which is from the General Fund.

The City's bond rating is Aa3 from Moody's for its lease revenue bonds, sales tax bonds, and general obligation bonds. The City's bond rating is AA- from Standard & Poor's for its water revenue bonds.

The City of West Jordan has also entered into lease agreements to finance the acquisition or use of heavy equipment in the Fleet Fund, with \$378,069 due in FY 2025.

Bond Debt Payment Schedules

Series 2014 General Obligation Refunding Bonds (General Fund)

Refunding 2006 General Obligation Bonds originally issued for the construction of the Justice Center Building and open space acquisition

Current Debt Service Payments

Debt Limit

State statutes limit the amount of general obligation debt a governmental entity may issue to 8% of the “reasonable fair cash value” of property within the City. Of this percent, a maximum of 4% may be used for general purposes. The current limitation for the City of West Jordan is \$775,400,902, which is significantly in excess of the City’s outstanding general obligation debt. The remaining 4 percent and any unused portion of the 4 percent available for general purposes, up to the maximum of 8 percent, may be utilized for water and sewer projects. The current limitation for all debt, including that used for water and sewer projects is \$1,550,801,804 which again significantly exceeds the outstanding city-wide debt.

Estimated Market Valuation \$ 19,385,022,544

Debt Limit (4% of market valuation) \$ 775,400,902

Less Outstanding GO Bonds 730,000

Legal Debt Margin \$ 774,670,902

FUND BALANCES / ENDING RESERVES

Fund balance, also called reserves, refer to a government's total financial resources at a given point in time resulting from accumulated surpluses or shortfalls from previous years. The beginning balance for FY2025 is the same as the estimated ending balance for FY2024. Changes in fund balances are discussed here.

GENERAL FUND

The **General Fund** reserve balance remains constant with expenditures equal to revenues in FY2025. The reserve amount is equal to 26% of general fund revenues to allow the City to sustain services and a plan of action in case of a major shift in the economy or other type of unforeseen circumstance.

UTILITY FUNDS (ENTERPRISE FUNDS)

Four (4) of the five utility funds are budgeted for declining fund balances in FY2025. In all these funds, reserves are intended to support infrastructure maintenance and improvements. As such, reserves often fluctuate from year to year based on demand, capital project completion, and the availability of funds.

The ending fund balance in the **Water Fund** drops by 30% as funds are being used for capital projects and maintenance, including the Zone 1 Cemetery tank and transmission line. The water rates are proposed to increase 2.5% this fiscal year to provide for future water projects and help maintain the long-term fund balance.

The **Sewer Fund** and **Storm Water Fund** both have large capital projects underway which will result in expenditures exceeding revenues in FY2025. Sewer rates have a proposed 10% increase to cover increasing costs from South Valley Water Reclamation District and to maintain long-term health of the fund balance. Storm Water fees show an increase of 7% also due to inflationary pressure and the declining fund balance.

The **Solid Waste Fund** continues to be challenged with the rising costs of collection and processing of garbage and recycling. These challenges are being managed with gradual rate increases to balance this fund over the next 3-5 years (7% in FY2025). In the meantime, reserves are being used to subsidize services as needed.

The **Streetlight Fund** had been collecting reserves for several years in anticipation of large energy efficiency and streetlight expansion projects. These projects were started in FY2022 and continued through FY2024 funded by reserves. The FY2025 decline in fund balance is less than the decline in previous years as a majority of those projects have been completed. With proposed rate increase over the next five years, the fund balance decline will begin to level off.

SPECIAL REVENUE FUNDS

The **Development Services Fund** is budgeted as a negative ending fund balance for FY2025 because budgeted revenues do not exceed expenditures. This fund is intended to account for the difference between the cost of providing development services and development-related fees collected. It is expected for this fund to experience surpluses and shortfalls over time. In years when fees do not exceed costs, the General Fund will provide a temporary subsidy in the form of a transfer. It is intended that this subsidy will be paid back in years when fees exceed costs.

Class C Roads and **Capital Projects Fund** are both budgeted to use reserves in FY2025 as the City continues its roads maintenance and capital projects programs. Both of these funds support infrastructure maintenance and improvements. As such, reserves often fluctuate from

year to year based on demand, capital project completion, and financial ability.

The reserve balance for the **Highlands Special Improvement District** is budgeted for a modest decline in fund balance for some one-time capital improvements in the area (pavilion, playground, etc). In FY2024, the District, transitioned from an outsourced contract to in-house services in order to control costs as well as improve the quality and consistency of provided services.

The **Community Development Block Grant Fund** is a reimbursement grant. Reserves represent funds to be reinvested into the housing rehabilitation and downpayment assistance programs.

The **KraftMaid Special Improvement District Fund** and **Grants Fund** are both inactive in FY2025 and therefore the ending reserve balances remain unchanged.

FUND BALANCES / ENDING RESERVES

INTERNAL SERVICE FUNDS

The **Fleet Management Fund** reserves are used for the replacement of vehicles and equipment. The changes in reserves fluctuate somewhat from year to year based on the vehicle replacement schedule. In FY2024, reserves declined as a full cost recovery from other funds was not budgeted and reserves were intentionally used to make purchases. FY2025 shows an increase to fund balance of 47% bringing it back in line to a stable reserve balance.

The **Benefits Management Fund's** ending reserve balance is budgeted to decrease as one-time funds were transferred to this fund in FY2024 with the intention of funding anticipated leave purchases from retirements in FY2025.

The **IT Management Fund's** ending reserves is also being drawn down to continue the work of upgrading the network and security systems. One-time funds were transferred for this purpose in FY2023 from the General Fund.

The ending fund balance in the **Risk Management Fund** decreases by less than 1%.

GENERAL FUND 5-YEAR PLAN

ASSUMPTIONS

Revenue Assumptions:

- 7% property tax revenue increase per yr
(2% New growth + 5% inflationary increase as needed)*
- GO bond paid off in FY 2025, reduced property tax*
- 5% sales tax year-over-year growth*

Expenditure Assumptions:

- 5% personnel cost increase*
- 3% operational cost increase*
- Add \$130k (plus 5%) each even year for new police officer*
- Add \$75k (plus 3%) each even year for new streets workers*
- Add \$75k (plus 3%) each even year for new parks/events workers*
- \$100k per year for Community Arts Center operations beginning 2026*
- Debt service at actual*
- Transfer out to Highlands Special District, RDA, CIP*

(continued on next page)

GENERAL FUND REVENUES

ADDITIONAL DETAILS

Property Tax

The budget assumes a 3.5% property tax increase. The average home in West Jordan paid \$406 in property tax to the City in November 2023. With the increase, this same home will pay an additional \$14 per year, or \$1.17 per month. This tax increase will generate an additional \$675,000 in property tax revenue from both residential and commercial properties, and will be used to fund 28% of the increase in public safety costs.

The General Obligation Bond supported by property tax will be paid in full in FY 2025. This budget represents the final payment which means property tax for this debt will not be collected in future years. The effect on the average home in West Jordan is \$15 per year.

Sales Tax

The budget for on-going sales tax revenue (lines 4-5) assumes the 5% year-over-year growth pattern. Prior to the pandemic, the City's normalized growth pattern for sales tax was 5% for the prior 10 years. In an effort to avoid the City's reliance on sales tax revenue that may be reactive to changing economics due to temporary factors such as the pandemic or hyper-inflation, the City uses a normalized growth pattern for revenue considered on-going (or sustainable) versus one-time. As a conservative approach, the City uses FY 2019 as a baseline year and applies a 5% year over year growth rate to support as on-going revenue. Any amount in excess of this amount is considered one-time revenue.

One-time sales tax revenue (line 32) assumes actual sales tax collection at -68% from the FY 2024 estimated collection.

The City has two (2) sources for sales tax, the 1% local option tax and the 0.25% transportation sales tax. The same approach is used to prepare both revenue types.

Vehicles Fee-In-Lieu

This assumption considers a decrease in vehicle sales as economic indicators show consumers as being further in debt with higher interest rates. As such, this revenue is based on annual registrations which are based on the age or fair market value of vehicles. As consumers keep their vehicles longer, this fee decreases.

Cable Tax

The budget assumes a decrease as residents move towards streaming services.

Telecommunications Tax

The budget assumes a decrease as residents reduce landline phone services. The City anticipates the Google fiber fee to eventually begin to add revenue to this account with customer acquisition.

Utility Tax

The budget assumes continued increases in the cost of electricity and natural gas.

Other Revenue

Licenses and Permits - The budget assumes a decrease in development activity. Licensing remains consistent.

Police - The budget includes additional revenue for the COPS grant for two officers (\$83,333) and a contract for services from Hawthorne Academy for a school resource officer (\$115,000).

Events - The budget assumes a price increase to both beer sales and ticket sales.

Passports - The budget assumes the addition of another passport agent to service walk-ins which will increase revenue.

Other Revenue - One-time

The budget treats revenue which is not expected on an on-going basis as 'one-time' revenue. The items included in this budget include \$400,000 for encroachment permit fees from the Google fiber project, \$250,000 in delinquent property tax collection, and \$278,333 in federal police reimbursement grants (COPS, JORCU).

CITY COUNCIL

CITY COUNCIL

PURPOSE

The City of West Jordan operates under a Council-Mayor form of government. This form has two separate, independent, and equal branches of municipal government consisting of a legislative branch—a council composed of seven members; and an executive branch—the mayor and, under the mayor's supervision, any executive or administrative departments, divisions, and offices and any executive or administrative officers provided for by statute or municipal ordinance.

Under this form of government, the Council is the legislative body of the City and by ordinance or resolution determines the broad policy for the City and some specific policies such as the manner in which municipal property is bought, sold, traded, encumbered, or otherwise transferred; and a subdivision or annexation is approved, disapproved, or otherwise regulated.

The council enacts laws, appropriates funds, and reviews municipal administration. The council elects one of its members to be the chair of the council. The council may make suggestions or recommendations to the mayor or mayor's subordinates and investigate any officer, department, or agency of the city municipality, but it may not direct or request, other than in writing, the appointment of a person to or the removal of a person from an executive municipal office; interfere in any way with an executive officer's performance of the officer's duties; or publicly or privately give orders to a subordinate of the mayor.

Council Members serve staggered four-year terms. Four Council Members are elected to serve over districts representing specific areas of the City; and three Council Members are elected at-large representing the entire City. The City Council Office also includes staff to support the City Council.

GOALS & OBJECTIVES

Publish public notices according to legal requirements 100% of the time.	<i>Resident Focused</i>
Publish the Council meeting agenda a week in advance 95% of the time.	<i>Resident Focused</i>
Post the Council meeting minutes ahead of the legal requirement deadline 85% of the time (while posting 100% of the time by the legal deadline).	<i>Resident Focused</i>

LEGAL SERVICES

CITY ATTORNEY

PURPOSE

The City Attorney is the chief municipal corporate legal advisor to the City of West Jordan. The City Attorney's Office is comprised of four divisions: General Counsel & Civil Litigation Division, Prosecution Division, Victim Advocate Division, and Risk Management Division. The General Counsel & Civil Litigation Division provides services to West Jordan City, a Utah municipal corporation, similar to services provided by general counsel in a private corporation. Services include legal advice & consultation, negotiation, document preparation, training, claims/litigation representation, representation of the City to outside entities, and legislative advocacy. Such services are provided relative to the entire spectrum of local government operations and issues. The General Counsel & Civil Litigation Division does not provide legal counsel or legal services to the public.

DIVISIONS

Legal Counsel
Civil Litigation

Prosecution ¹
Victim Advocate ¹

Risk Management ¹

¹ These divisions have separate budgets.

GOALS & OBJECTIVES

Develop stronger relationships and communication with elected officials, appointed officials, and employees by quickly responding to work requests.

*Resident Focused
Employee Satisfaction*

New legal work requests emailed or sent to the responsible lawyer by elected officials, appointed officials, and employees will acknowledge receipt of communication and establish expectations of completion with the client within 2 business days of the work request.

Responsible lawyer will create a FileVine project case file for the work request within 2 business days.

Legal Department will generate and email a FileVine report of all active projects or those on hold to the Mayor, Council Staff, and Appointed Officials once every two weeks.

Increase education of elected officials, appointed officials, and employees to reduce and prevent costs and expenses for the City. Provide preventative measures in addition to reactionary measures.

*Employee Satisfaction
Resident Focused*

Each responsible lawyer will provide three (3) internal trainings per year regarding legal issues related to his/her area(s) of practice.

PERFORMANCE & WORKLOAD MEASURES

	FY 2024 Estimate	FY 2025 Goal
% of work requests responded to within 2 business days of the request*		100%
% of case management files created within 2 business days of the request*		100%
% of attorneys who met the objective of providing three (3) internal trainings per year	40%	80%

* Will set baseline during FY2024 for future tracking and for future goals

PROSECUTION

PURPOSE

The mission of the West Jordan City Prosecution staff is to promote the fair administration of justice by ethically and effectively prosecuting all classes of misdemeanors and infractions under our jurisdiction while preserving the rights of the accused to a fair trial. The Prosecutor's Office is committed to protecting and advocating the rights of crime victims and witnesses.

GOALS & OBJECTIVES

Ensure that all cases are prosecuted in a fair and timely manner
Close cases within 6 months of the file date

Resident Focused

Ensure both law enforcement and prosecutors have adequate training and work efficiently together
Develop trainings between law enforcement and the prosecutors office in addition to standard CLE

Resident Focused

Employee Satisfaction

Ensure that each victim of domestic violence is heard and has a voice
Consult with victims about their cases and allow them to give input into the outcome

VICTIM ADVOCATE

PURPOSE

Victim advocates are trained to support victims of crime. They offer emotional support, victim's rights information, help in finding needed resources, and assistance in filling out crime victim-related forms. Advocates frequently accompany victims and their family members through the criminal justice proceedings. Advocates work with other organizations, such as criminal justice or social service agencies to provide help or information for the victims. Advocates are on-call 24 hours a day, 7 days a week to deal with all crises, including death. A significant percentage of the Victim Advocate program is VOCA (Victims of Crime Act) grant-funded.

GOALS & OBJECTIVES

Ensure that all victims of crime have a voice and that their needs are met.
 Reach out to each victim of crime assigned to the victim advocate team.
 Provide a wide variety of services to victims of crime.

Resident Focused

JUSTICE COURT

JUSTICE COURT

PURPOSE

The Justice Court is a limited jurisdiction court responsible for the adjudication of criminal matters classified as Class B and C misdemeanors, violations of city ordinances, infractions, and small claims actions not to exceed \$15,000 in value. The mission of the Utah Justice Courts is to improve the quality of life in our communities. The West Jordan Justice Court strives to treat all individuals courteously and with respect, and to apply the law in a fair and impartial manner.

REVENUE POLICY STATEMENT

The Justice Court is funded by the City's General Fund without regard to the revenue generated by court fines. Court fines and the bail schedule are established by state law. The intent of court decisions, fines, and enforcement activities is to change behavior and not solely to generate revenue. Those who violate criminal, traffic, zoning, and animal-related laws should primarily bear the costs of enforcement rather than the general public. The court will make every effort to collect all revenue due and handle funds collected in compliance with city policy and the State Money Management Act.

GOALS & OBJECTIVES

Provide fair and impartial judicial services to the citizens of West Jordan City and hold offenders accountable for unlawful behavior.

Resident Focused

Set delinquent cases for an Order to Show Cause within 60 days of becoming delinquent on fine payments.

Resident Focused

Complete yearly warrant validation within 90 days of list receipt.

COMMUNITY DEVELOPMENT

COMMUNITY PRESERVATION

PURPOSE

Community Preservation is a division of Community Development and assists in providing the citizens and businesses a friendly and attractive community in which to live and conduct business. This is done through enforcement of the City ordinances including enforcement, business licensing, and management of the Good Landlord Program and the Administrative Law Judge Program.

GOALS & OBJECTIVES

Code Enforcement:

Continue to complete inspections within 7 calendar days of receipt of the complaint or request.

*Resident Focused
City Aesthetics*

Attempt in-person contact upon initial inspection on 90% of cases.

*Resident Focused
City Aesthetics*

Business Licensing:

Update all licenses with current personal information that CityWorks requires in order to function properly.

*Resident Focused
Economic Development*

Improve customer service with the online application and payment system.

*Resident Focused
Economic Development*

Forward licenses to other departments for review within 7 days of application completion.

*Resident Focused
Economic Development*

Operations -5%	Administrative Law Judge, memberships, trainings, certifications, uniforms, small equipment, supplies, etc Abatement costs for clean up of properties that create a health and safety hazard
Indirect Costs 34%	Services provided to this department by other funds. IT services, software cost recovery Fleet management and replacement cost

PROPERTY ADMINISTRATION

PURPOSE

Acquire, sell, lease, contract, and manage all real property interests the City desires to acquire, retain, or dispose of in the course of its day-to-day operations.

GOALS & OBJECTIVES

Collaborate with GIS to maintain a complete inventory of City-owned property.

*Resident Focused
Employee Satisfaction*

Provide professional services for the acquisition of property and right-of-ways.

*Resident Focused
City Aesthetics*

Collaborate with other departments on property-related services (i.e. liens, special assessments, tenant management, etc)

*Resident Focused
City Aesthetics
Employee Satisfaction*

PUBLIC WORKS

PUBLIC WORKS ADMINISTRATION

PURPOSE

Provide professional, effective and timely direction, leadership, and support to all Public Works divisions, managers, and programs. Provide professional and timely customer service.

GOALS & OBJECTIVES

Invest in staff - building on employee morale and encouraging continuous growth and improvement, fostering a sense of personal worth for each employee assisting with employee retention, succession planning, and increased efficiency and service to the residents.

*Employee Satisfaction
Resident Focused*

Continue to support and provide training opportunities for job enhancement, customer service training, leadership training, and higher education reimbursement for employee growth within the city.

Strengthen partnerships with external stakeholders, residents, developers, businesses - continue the contribution of Public Works personnel to the overall process of city functions and provide excellent customer service to all stakeholders.

*Resident Focused
Employee Satisfaction
Economic Development*

Provide the vision along with leadership and administrative support for achieving stewardship of Public Works with internal divisions and the residents of West Jordan.

Improve stakeholder collaboration in building stronger relationships.

Resident Focused

Foster stronger collaboration and communication among the various stakeholders, including government agencies, developers, contractors, and the community to align objectives, share resources, and address concerns promptly.

ENGINEERING

PURPOSE

Engineering is a division of Public Works. The purpose of the Engineering Division is to provide professional engineering and surveying services for the City to ensure that public street improvements related to the City's rights-of-way are constructed to City standards. In addition, this division issues permits and inspection services for improvements within the public right-of-way. The key means of providing quality roads is through development and capital investment.

GOALS & OBJECTIVES

Increase emphasis among staff and management for improved customer service and efficiency in the review and processing of new development projects by improving the efficiency of plan review, bond reductions and releases, and inspections.

*Resident Focused
Economic Development
City Aesthetics
Employee Satisfaction*

Using the new development processing procedures, comply with State laws and City policies to expedite new development projects throughout the City.

Revise, update, and improve City standard engineering plans and specifications for streets and transportation.

*Resident Focused
City Aesthetics*

Complete engineering standards update for roads and transportation by end of year.

Complete timely transportation projects through capital investment and private development.

*Resident Focused
City Aesthetics*

Move projects from the design stage to construction including 7800 South Widening Project, 9000 South Extension, 7800 South Jordan River Ped Bridge, 1300 West Phase 2, and 8600 South Extension.

Improve transportation safety through master planning, new construction projects, management and traffic calming.

*Resident Focused
City Aesthetics*

Complete Transportation Master Plan and five-year transportation improvement plan, complete Safe Streets Improvements and Implementation Study, finalize the new neighborhood traffic calming program.

Sense of Community & City Identity

STREETS

PURPOSE

At the West Jordan City Streets Division, our purpose is to uphold the highest standards of public safety, cleanliness, and accessibility throughout our community. Through diligent street maintenance, efficient solid waste disposal, timely snow removal, and vigilant graffiti eradication, we are dedicated to enhancing the quality of life for all residents and visitors. By fostering a culture of excellence, innovation, and collaboration, we strive to create well-maintained, safe, and inviting streets that reflect the pride and vitality of West Jordan City.

GOALS & OBJECTIVES

Preserve transportation system infrastructure investments, protect the environment, and utilize resources in a responsible manner. Modernize and enhance the maintenance operation to improve efficiency.

*Resident Focused
City Aesthetics*

Provide the highest quality integrated transportation infrastructure maintenance for economic benefit and improved quality of life.

Establish sidewalk replacement policy and district mapping.

*Resident Focused
City Aesthetics*

Reduce liabilities due to sidewalk trip and fall accidents, and improve aesthetics in neighborhoods throughout the city.

PERFORMANCE & WORKLOAD MEASURES

PUBLIC SERVICES

PUBLIC SERVICES ADMINISTRATION

PURPOSE

Our purpose is to enhance the quality of life for all residents by providing efficient, reliable, and sustainable public services. We are committed to fostering a safe, vibrant, and inclusive community through the delivery of essential services that meet the diverse needs of our residents. Driven by a dedication to excellence, innovation, and environmental responsibility, we strive to maintain and improve city-owned parks, facilities, public spaces, and community events. We are dedicated to creating an environment that fosters community engagement, promotes well-being, and contributes to the overall vibrancy of our city.

GOALS & OBJECTIVES

Administer, manage, and coordinate professional services to provide clean, safe, and well-maintained parks, facilities, cemeteries, streetscapes, and parkstrips that promote the City in a positive manner. These services result in an improved quality of life for residents and visitors of the City.

Resident Focused

City Aesthetics

Sense of Community & City Identity

Response Time - Provide quality customer service by effectively communicating with all inquiries.

Prioritize Safety - Ensure the safety and security of all users of City Parks and Facilities through rigorous adherence to safety standards, proactive maintenance, and continuous improvement of emergency preparedness measures.

CEMETERY

PURPOSE

The Cemetery Division is committed to providing professional and empathetic services to the patrons that visit the cemetery as well as providing proper maintenance of the cemetery grounds. The City of West Jordan maintains two cemeteries. Customer service responsibilities include meeting with patrons to arrange interment and disinterment services, selling burial plots, performing plot transfers, and assisting with any other patron needs. Maintenance responsibilities include turf maintenance, grave repair, performing interment and disinterment services, managing and repairing irrigation systems, etc.

GOALS & OBJECTIVES

Maintain the cemetery grounds at a high service level.	<i>Resident Focused</i>
Cemetery Maintenance	<i>City Aesthetics</i>
Mowing maintenance weekly during the growing season	<i>Sense of Community & City Identity</i>
Check irrigation systems three times per season	
Fertilize turf areas twice annually	
Turf weed control twice annually	
Complete grave repairs in each Spring	
Service planter beds monthly during the growing season	
Clean up grave decorations as per schedule and policy	
Provide exceptional and empathetic customer service to patrons who visit the cemetery.	<i>Resident Focused</i> <i>Sense of Community & City Identity</i>
Keep accurate records of plot sales and burials.	<i>Resident Focused</i>
Maintain updated fee schedules and policies.	<i>Resident Focused</i> <i>City Aesthetics</i>
Investigate options to provide cemetery services in the future.	<i>Resident Focused</i>
Explore options to optimize space and balance the use of natural resources.	<i>City Aesthetics</i>

EVENTS

PURPOSE

The Events Division is responsible for planning, coordinating, and implementing all aspects of city and community events in West Jordan. These events increase the quality of life by building a sense of community and belonging. We strive to create high quality and more frequent events that provide easy and affordable ways for our community to engage and connect with each other or with content. Events is a division of the Public Services Department.

GOALS & OBJECTIVES

Increase the number of events offered Add Movie in the Park	<i>Sense of Community & City Identity</i>
Increase number of event days Continue First Fridays events	<i>Sense of Community & City Identity</i>
Increase gross revenue from events To offset rising costs, increase revenue by adjusting fees to more closely match cost of providing service	<i>Resident Focused</i>

PERFORMANCE & WORKLOAD MEASURES

	FY 2023 Actual	FY 2024 Estimated	FY 2025 Anticipated
# of Community Events	14	22	23
# of Event Days	32	71	75
Gross Revenue Generated	\$374,766	\$453,871	\$480,000

Survey Results:

Residents who agree they feel a sense of community with other WJC residents	52%
Resident satisfaction with community events (0-100)	59.8

FY 2024 saw West Jordan's first ever drone show.

FY 2024 was the first time the Western Stampede has sold out before the event date.

The First Friday Concert Series has been welcomed by the community, with an average of 400 attendees each month. This event series provides our residents with a monthly event in their City, strengthening our community and resident engagement.

FACILITIES

PURPOSE

Facilities Maintenance is a division of Public Services and is dedicated to enhancing the quality of life for our community by providing safe, sustainable, and efficiently managed facilities that support the diverse needs of West Jordan residents and visitors. Committed to excellence, innovation, and responsiveness, our mission is to create and maintain an environment that fosters civic pride, accessibility, and overall well-being through the strategic planning, development, and management of city-owned facilities and assets.

GOALS & OBJECTIVES

Provide clean, safe, and accessible facilities that best represent the City and its standards of a progressive and active community.

*Sense of Community & City Identity
City Aesthetics
Resident Focused*

Maintenance Response Time - Minimize downtime by addressing maintenance needs and requests promptly.

Resident Focused

Optimize Operational Efficiency - Strive for excellence in the cost-effective management and maintenance of city facilities to maximize efficiency and minimize downtime.

Resident Focused

Prioritize Safety - Ensure the safety and security of all occupants and users of city facilities through rigorous adherence to safety standards, proactive maintenance, and continuous improvement of emergency preparedness measures.

POLICE DEPARTMENT

POLICE DEPARTMENT

PURPOSE

Through innovative leadership, the West Jordan Police Department provides professional and dependable public safety services promoting a safe community and encouraging growth, development, and quality of life. We provide these services through community cooperation, accountability, and appropriate transparency.

GOALS & OBJECTIVES

Create a department culture focused on outwardness, employee wellness, and job satisfaction - Teaching, practicing, and encouraging the philosophy that "you matter like I matter." Providing resources to help employees achieve mental and physical well being and resilience. Fostering an environment of support for each other.	<i>Employee Satisfaction</i>
Community Involvement and Engagement - Members of the police department, through their professional assignments, will be involved in community events, create opportunities to interact with the public, and seek input and feedback from the public concerning police operations.	<i>Resident Focused</i>
Focus on Customer Service - Department members, by understanding the needs of others, will provide outstanding service in an appropriate, professional, and ethical way. We apply our philosophy that "you matter like I matter" across the spectrum of policing services.	<i>Resident Focused</i>
Innovative Policing Progression - The West Jordan Police Department is committed to continued development of policies and procedures and to remain on the cutting edge of police progression in response to changing societal expectations.	<i>Employee Satisfaction</i> <i>Resident Focused</i>
Having a Community-Represented Police Department: In order for the department to match the diversity of the community, the West Jordan Police Department will practice hiring and recruitment strategies to increase the diversity of the Police Department workforce to better reflect the diversity of the community and foster community connection. The Department will utilize approaches and techniques found in the city's Equal Employment Opportunity Plan to attract and keep qualified diverse applicants.	<i>Sense of Community & City Identity</i> <i>Resident Focused</i> <i>Employee Satisfaction</i>
Public Trust and Community Relationships: In order to increase public trust and community relationships, the West Jordan Police Department will increase community outreach to develop partnerships, build public trust, and promote authentic engagement with a focus on underserved communities. The West Jordan Police Department has developed a tool to better monitor community engagement activities and public perception. This tool has helped to collect information to evaluate community interactions. Some of the statistics gathered from this tool are included below.	<i>Sense of Community & City Identity</i> <i>Resident Focused</i>
Accreditation: The department will maintain accreditation through the Utah Chiefs of Police Association. This prestigious achievement will provide independent verification that the police department meets the highest professional standards related to providing police service to the community, including current best practice policies on the use of force, duty to intervene, avoiding bias-based policing, and fair labor practices. The department will maintain these standards in future years by seeking reaccreditation.	<i>Employee Satisfaction</i>

(continued on next page)

POLICE DEPARTMENT

GOALS & OBJECTIVES (continued)

Positive Relationship with Youth: The Juvenile division of the Police Department has seen approximately 1,900 students graduate the DARE program this year. The DARE program and our school resource detectives continue to be our primary contacts with the youth in our community. The police department will implement a training program for school district personnel and have regular communication with school district personnel related to the services and support these detectives provide. Through these interactions the Police Department will better determine the impacts on the youth and officials in our schools. A Police Explorer Post has been organized and will have approximately 20 members.

Resident Focused

Active Bystandership for Law Enforcement (ABLE) program: The ABLE program teaches officers how and when to effectively intervene if they see another officer about to make a mistake, particularly critical mistakes in high liability areas. ABLE also has a wellness component and is a significant part of our officer wellness program. The department will continue to train new and existing officers in this program to keep at least 90% of the department trained during the year.

ANIMAL SERVICES

PURPOSE

Animal Services is a division of the West Jordan Police Department that enforces ordinances related to animals and ensures the humane treatment of pets and domestic animals in the City. This division provides adoption, spay/neuter, vaccination, animal licensing, and public education services.

GOALS & OBJECTIVES

Create a department culture focused on outwardness, employee wellness, and job satisfaction.

Employee Satisfaction

Encourage the philosophy that "you matter like I matter." Provide resources to help employees achieve mental and physical well being. Foster an environment of professionalism and support for each other. Provide mindset training and engage with employees on a regular basis.

Increase public engagement to encourage adoption and increase animal-to-owner reuniting efforts.

*Resident Focused
Sense of Community & City Identity*

Operate as a socially responsible shelter and increase direct adoption rates. Increase the number of followers on Facebook to help meet the goals of more community interaction, increasing the number of pet licenses, and improving adoption rates.

Increase the number of pet licenses issued by the city through providing an online resource for residents to obtain their licenses.

*Resident Focused
Sense of Community & City Identity*

Advertise and encourage the use of online pet licensing service to increase efficiency and encourage more participation / compliance with pet licensing statutes.

Increase the number of followers on Facebook to help meet the goals of more community interaction, increasing the number of pet licenses, and improving adoption rates.

PERFORMANCE & WORKLOAD MEASURES

Operations 17%	General operations including department and adoption supplies, uniforms, professional conferences and training Operations increased with additional pet sterilization costs for cats (\$11,000), and additional software license (\$1,600).
Indirect Costs -7%	Services provided to this department by other funds. IT services, software cost recovery Fleet management and replacement cost

CROSSING GUARDS

PURPOSE

Protect pedestrians, primarily school children, when they cross high-traffic roadways while walking to or from school.

GOALS & OBJECTIVES

Provide safe routes for pedestrian travel to and from schools in West Jordan.

Resident Focused

Number of Crossings - The police department and the West Jordan City Traffic Engineer, in cooperation with school district personnel, will meet to coordinate safe walking routes to schools. The department will strive to staff crossing guards at locations where a crossing guard is statutorily required, where a guard is determined to be needed during the safe routes meeting, or where an unusual hazard has been identified.

Sense of Community & City Identity

Improve communication within the unit to improve services provided and job satisfaction.

Employee Satisfaction

Internal job satisfaction survey - The unit will implement an internal survey to collect data that will help determine the needs of the unit, individual needs, and the overall level of job satisfaction within the crossing guard ranks. The department will use this information to determine a baseline to evaluate future progress.

PERFORMANCE & WORKLOAD MEASURES

	FY 2023 Actual	FY 2024 Estimated	FY 2025 Anticipated
Number of crossing locations staffed	232	230	230
Rate per crossing	\$15.60	\$15.60	\$15.91
Rate per short-crossing	\$11.44	\$11.44	\$11.67
Summer lunch crossing program cost	\$25,050	\$19,000	\$25,000

BUDGET & FINANCIAL HISTORY

	Prior Year Actual FY 2023	Adopted Budget FY 2024	Estimated Actual FY 2024	Annual Budget FY 2025	Year-to-Year Budget Change Increase (Decrease)

Personnel 1%	Qualifying employees receive a cost of living adjustment of 2%. 230 crossings
Operations 0%	Equipment and uniforms

SWAT

PURPOSE

The SWAT division specializes in high-risk search warrants, apprehension of violent offenders, barricaded subjects, and hostage rescue. SWAT is staffed with police officers as a secondary assignment as needed.

GOALS & OBJECTIVES

Focus on new technologies that will improve management of equipment and personnel.	Employee Satisfaction
Improve processes to help with the integration of dual assignments.	Employee Satisfaction
Focus on the core function of supporting patrol and investigations in tactical/high risk situations through quality training, planning, and professionalism.	Resident Focused Employee Satisfaction
Continuity of supervision - Clear protocols established for approvals of team operations between SWAT team leaders and the primary supervisors of team members.	Employee Satisfaction
Fitness and Firearms Standards - 100% success rate of team members with department and team fitness and firearms testing.	Resident Focused
Specialty teams with current instructor certifications - Specialty elements will have at least one current certified instructor to ensure the practices of that specialty are maintained and taught to other members.	Resident Focused Employee Satisfaction

FIRE DEPARTMENT

FIRE DEPARTMENT

PURPOSE

Provide professional and efficient service to mitigate fire, medical, and other risks to life and property, while enhancing public awareness and education through inspections and prevention programs.

GOALS & OBJECTIVES

Follow best practices for all-hazards service delivery	<i>Resident Focused</i>
Continuously evaluate Fire, EMS, HazMat and Heavy Rescue programs for effectiveness and efficiency	
Identify and address gaps in coverage and response	
Improve data collection and records storage through prudent use of technology	
Track maintenance of small tools, hydrants, and other equipment	
Equip reserve apparatus with tools necessary to be used as front-line when needed	
Improve wildland capabilities to meet EMAC and Fire Rates Agreement (FRA) standards	
Create and maintain culture of fiscal responsibility	<i>Resident Focused</i>
Ensure budget projections are thorough and accurate	
Be judicious in use of overtime spending and compensatory time	
Seek out and explore grant opportunities to support department programs and enhance use of taxpayer funds	
Build upon existing culture of health and safety of firefighters	<i>Resident Focused</i>
Maintain and take pride in clean, functional physical training (PT) equipment	<i>Employee Satisfaction</i>
Reduce short and long-term health and safety risks to all employees	
Promote healthy and resilient workforce through fitness programs and annual evaluations, including physicals and mental health check-ins	
Develop robust community outreach and education program	<i>Resident Focused</i>
Further develop existing public education and outreach opportunities	<i>Sense of Community & City Identity</i>
Ensure professional communication with residents through social media, city website, and face-to-face interactions with the public	
Maintain clean, functional facilities and reliable apparatus	<i>Resident Focused</i>
Ensure functional apparatus through long-term equipment maintenance and replacement schedule	<i>Employee Satisfaction</i>
Have pride in and maintain fire stations and landscaping	
Proactively prepare for future growth and needs	
Assist in personal and professional development of all employees	<i>Employee Satisfaction</i>
Emphasize continuous education through policy and incentives to seek higher education	
Maintain competitive pay and benefits through annual salary surveys	
Support employees in advancing and developing their careers (career ladder, recertifications)	
Provide ongoing, applicable training, both in the classroom and on the drill-ground	
Recognize and celebrate accomplishments of employees through awards and annual banquet

EMERGENCY MANAGEMENT

PURPOSE

To provide the City of West Jordan employees, residents, businesses / industry, and non-governmental organizations the education and support necessary to reduce the loss of life and human suffering; minimize property damage; and protect environmentally sensitive areas from all types of disasters through a comprehensive, risk-based, all-hazard emergency management program.

GOALS & OBJECTIVES

Oversee the City's Comprehensive Emergency Management Plan (CEMP)	<i>Resident Focused</i>
Ensure the City's compliance with the National Incident Management System (NIMS)	
Oversee the maintenance and distribution of the CEMP	
Develop hazard specific annexes to the CEMP	
Establish Emergency Communications Plan for employees, residents, and businesses	
Develop training and exercise plans for the Emergency Management Team	<i>Resident Focused</i>
Provide organizational leadership and direction during EOC exercises and actual disaster events	<i>Employee Satisfaction</i>
Provide emergency management guidance and training to the City's Emergency Management Team and employees	
Update three-year Integrated Preparedness Plan - Training & Exercises	
Maintain and equip the City's Emergency Operations Center (EOC) for activation readiness	<i>Resident Focused</i>
Establish Memorandums of Understanding (MOUs) with outside agencies to prepare for, respond to, recover from, and mitigate emergency/disaster events	
Organize and establish new primary EOC in City Hall Community Room	
Support the efforts of state, county, and local organizations which focus on emergency management	
Establish and direct resident and employee emergency preparedness outreach programs	<i>Resident Focused</i>
Conduct 10 meetings of the City Citizen Readiness Corps	<i>Employee Satisfaction</i>
Assist employees with personal and family emergency preparedness planning	<i>Sense of Community & City Identity</i>
Attend and present on West Jordan Emergency Management at public and private organizational activities and events

CLASS C ROADS FUND

CLASS C ROADS FUND

PURPOSE

The Class B & C road system with a funding program was established by the Utah Legislature in 1937 as a means of providing assistance to counties and incorporated municipalities for the improvement of roads and streets throughout the State. Class B roads are owned by a county and Class C roads are owned by a municipality.

The funding for this program comes directly from fuel tax and is distributed to cities and counties based on the following formula:

50% is based on the percentage that the population of the county or municipality bears to the total population of the State, and 50% is based on the percentage that the B and C Road weighted mileage of the county or municipality bears to the total Class B and Class C Road total weighted mileage (UCA 72-2-108).

GOALS & OBJECTIVES

Pavement Condition Index (PCI) is a rating system from 0 to 100 of the severity and extent of pavement distresses, with 100 being a new asphalt surface. PCI is generally grouped into ranges: 100-86 (Good), 85-71 (Satisfactory), 70-56 (Fair), 55-41 (Poor), 40-26 (Very Poor), 25-11 (Serious), and 10-0 (Failed). Continual routine maintenance and preventative maintenance can elongate an asphalt's lifespan by many years. Pavements within the 70-100 range usually only need preventative maintenance and routine maintenance. Once an asphalt pavement PCI drops below 70, the pavement will begin to need rehabilitation efforts. If a pavement drops below a PCI of 40, the pavement will require reconstructive or reclamation work.

Keep asphalt pavement conditions out of the reconstructive zone and maintain existing roadway infrastructure such as curb, sidewalks, and ADA ramps.

Resident Focused

City Aesthetics

Maintain a 5-year plan on asphalt maintenance based on PCI.

Sense of Community & City Identity

Perform preventative maintenance on good and satisfactory asphalts, and rehabilitate very poor and failed asphalts.

Update ADA ramps and reconstruct curb and sidewalk in pavement management zones.

Perform striping and signage maintenance items on roadways.

PERFORMANCE & WORKLOAD MEASURES

	2023 Actual	2024 Estimate	2025 Estimate

Actual road miles ¹	353.50	353.50	353.50
Total weighted miles ²	1,752.63	1,775.50	1,775.50
PCI for arterial roads ³	53.69	52.37	51.13
PCI for arterial & collector roads ⁴	data systems currently unavailable		
PCI for local roads ⁴			
Maintenance \$ per road miles	\$ 16,094	\$ 13,691	\$ 22,995
5-yr average maintenance \$ per road miles		\$ 14,893	\$ 17,593

¹ Road miles are measured as the centerline length of a road, regardless of number of lanes or width of asphalt. Road miles include paved, gravel, and dirt.

² Total weighted miles are defined in UCA 72-2-108.

³ PCI was historically calculated using an arithmetic average.

⁴ PCI will be calculated using a weighted average.

DEVELOPMENT SERVICES FUND

DEVELOPMENT SERVICES FUND

FUND SUMMARY

PURPOSE

As of FY 2023, the Utah State Auditor will require an annual accounting of all development-related fees and their associated costs. Any balance of fees in excess of costs will be required to be held in a restricted reserve. In years when fees do not exceed costs, the General Fund will provide a temporary subsidy in the form of a transfer. It is intended this subsidy will be paid back in years when fees exceed costs.

Survey Results (0-100):

FY 2023

Resident satisfaction with planning, zoning, and building services	56.75
--------------------------------------------------------------------	-------

Notes:

In FY 2024, the General Fund transferred \$1,123,305 to subsidize development services. This amount is intended to be repaid to the General Fund from future development fee collection.

The FY 2025 budget indicates the General Fund may have to subsidize the Development Services Fund. This amount is not currently in the budget and will be addressed with a budget amendment at the end of FY 2025 when any shortfall is realized.

DEVELOPMENT SERVICES FUND

PLANNING DIVISION

PURPOSE

Prepares and coordinates comprehensive planning activities to meet the demand for future growth in West Jordan. Facilitates the review of construction plans and zoning permits for compliance with adopted plans and codes. Assists residents and developers with development applications and supports zoning enforcement. Planning is a division of Community Development.

GOALS & OBJECTIVES

Maintain and update the City's General Plan Plan for updates at least every 5 years. Assign planning staff to monitor and implement adopted goals and strategies of the plan as required.	<i>Resident Focused</i> <i>Sense of Community & City Identity</i>
Maintain and update the City's Moderate-Income Housing Plan Keep track of housing numbers and values. Update the Plan and ordinance as required by State law. Complete and submit annual required MIH report by deadline. Assign planners MIH strategies to implement according to MIH plan implementation plan.	<i>Resident Focused</i> <i>Sense of Community & City Identity</i>
Maintain and update the City Code as it relates to planning and development Collaborate with the Council Office to identify and adopt code changes as needed. Regularly review and update the Code to repair incorrect and inconsistent code. Have all code changes as required by new legislation adopted by stated timeframe in the law or within 6 months of the new law.	<i>Resident Focused</i>
Fully implement Cityworks software Train staff to efficiently and effectively use software. Require the use of the software as the primary tracking system for projects.	<i>Employee Satisfaction</i> <i>Resident Focused</i>

PERFORMANCE & WORKLOAD MEASURES

	FY2023 Actual	FY2024 Estimated	FY2025 Anticipated
% of 1st reviews in less than 4 weeks	91.4%	95.0%	100.0%
% of resubmitted reviews in less than 2 weeks	92.3%	95.0%	100.0%
% of pre-application meetings scheduled in less than 1 week	98.6%	99.0%	100.0%
% of business license reviews for zoning compliance in less than 3 days	100.0%	100.0%	100.0%

DEVELOPMENT SERVICES FUND

BUILDING DIVISION

PURPOSE

Enforces minimum standards to provide a reasonable level of safety, public health, and general welfare by regulating and reviewing the design, construction, quality of materials, use, occupancy, location, and maintenance of all buildings and structures. Applies city ordinances by competent review, enforcement, permitting, and inspection of all building construction, demolition, renovation, or remodeling in the City. Building is a division of Community Development.

GOALS & OBJECTIVES

Provide courteous, prompt, professional, and accurate customer service to residents, builders, developers, and design professionals

*Resident Focused
Economic Development*

Provide accurate record keeping and archiving in compliance with state and city policies

Resident Focused

Automate parcel data

Review parcel and owner information for permits and certificates of occupancy

Automate the DOPL contractor database

HIGHLANDS SPECIAL DISTRICT

HIGHLANDS SPECIAL IMPROVEMENT DISTRICT

PURPOSE

The Highlands Special Improvement District was approved to provide landscaping and snow removal services to the area within the district. The service demand is in excess of normal City-provided services.

The Highlands Special Improvement District consists of the following area:

	2024 ERU's	2025 ERU's	
Residential	1,491	1,774	1 ERU = Residential unit
Commercial	100	111	1 ERU = 1/4 acre
Undeveloped	442	199	1 ERU = 1/4 acre
Exempt	178	178	
	<u>2,211</u>	<u>2,262</u>	

ERU is defined as equivalent residential unit. One (1) ERU in the District is calculated as 0.25 acres per the agreement.

GOALS & OBJECTIVES

Properly maintain the parks, trails, and open space to enhance the quality of life and safety of the residents that reside in the Highlands SID area. In addition, provide exceptional and friendly customer service to the residents of the Highlands SID area with whom all staff members come in contact. The Highlands SID area is set at a higher service level due to the fees paid by the residents for the enhanced services they receive.

Maintain the parks, trails, and open spaces to meet the following metrics for the Highlands SID area:

*Resident Focused
City Aesthetics*

- Mowing maintenance of all assigned properties weekly during the growing season
- Check irrigation systems three times per season
- Service native areas bi-monthly for weed control during the growing season and mow once annually in November
- Enhanced services include: bi-weekly planter bed maintenance, bush pruning twice annually, one spring clean, one fall clean, turf weed control twice annually, turf fertilization four times annually, and aeration twice annually

Provide safety to the residents of the Highland SID area by conducting safety inspections as well as servicing garbage cans routinely:

*Resident Focused
Sense of Community & City Identity*

- Inspect playgrounds two times per month from April - October and one time per month from November - March
- Service garbage cans weekly

Provide exceptional and friendly customer service to the residents of the Highlands SID area with whom all staff members come in contact

*Resident Focused
Sense of Community & City Identity*

- 48-hour response to customer service work requests during operational hours
- Sidewalk snow removal completed within 24 hours after the storm event stops

PERFORMANCE AND WORKLOAD MEASURES

	2024 Estimated	2025 Anticipated
% of time service level schedules met	90%	100%
% of time service schedule met - garbage can servicing	90%	100%
% of 48-hr response to service requests during operational hours	90%	100%
% of time snow removal completed w/in 24-hrs post storm	90%	100%

KRAFTMAID SPECIAL DISTRICT

KRAFTMAID SPECIAL IMPROVEMENT DISTRICT

FUND PURPOSE

The KraftMaid Special Improvement District was created to manage the taxable portion of debt service on the Series 2008 Tax Increment Bonds issued for improvements in this area per the KraftMaid Participation Agreement. The bonds were issued to fund infrastructure on behalf of the development in the RDA area. This portion of the bonds was paid in full in FY 2019. The tax-exempt portion of these bonds is managed by the Redevelopment Agency (RDA). The balance of this fund will be invested in infrastructure to improve the area.

COMMUNITY DEVELOPMENT BLOCK GRANT FUND

COMMUNITY DEVELOPMENT BLOCK GRANT

FUND PURPOSE

The Community Development Block Grant Program provides annual grants on a formula basis to states, cities, and counties to develop viable urban communities by providing decent housing and a suitable living environment, and by expanding economic opportunities, principally for low- and moderate-income persons. The program is authorized under Title 1 of the Housing and Community Development Act of 1974.

The City of West Jordan is considered an entitlement city which means it directly reports to the federal Department of Housing and Urban Development and receives a direct distribution of funds, and is administered by the City's Community Development Department.

WATER FUND

WATER FUND

FUND PURPOSE

The Water Fund is used to account for the revenues generated from operating and maintenance activities related to the delivery of culinary water to its customers. Fees and rates are designed to fully recover the cost of providing this product and service. Expenses include operating costs, debt service payments, capital costs, and transfer out to the General Fund which represents the value to the taxpayers of owning the right-of-ways where the water system is located.

GOALS & OBJECTIVES

Plan for future by keeping master plan and conservation plan updated every four years.	<i>Resident Focused</i>
Provide monthly water quality testing of current system.	<i>Resident Focused</i>
Repair leaks and breaks in the system within a 24 hour period to mitigate residence water being off for long periods.	<i>Resident Focused</i>
Plan and prioritize aged pipe that can be replaced in house.	<i>Resident Focused</i>

PERFORMANCE & WORKLOAD MEASURES

	FY2023 Actual	FY2024 Estimated	FY2025 Anticipated
Service disruptions longer than 6 hours	2	1	0
Fire Hydrants Repaired/Replaced	30	40	40
Backflow Assembly Reports Received / Entered	805	1,000	1,200
Backflow Surveys Done	0	100	150
Residential meters replaced ¹	2,934	4,000	100
Commercial meters replaced ¹	292	24	4
# of residential meters	23,959	24,000	24,180
# of commercial meters	2,328	2,380	2,440

¹ Decrease is from all 3G meters being replaced

Survey Results (0-100):	FY 2023
Resident satisfaction with culinary (drinking) water	73.65

(continued on next page)

WATER FUND

FEES

All customers are charged a base charge plus usage rate on a monthly basis.

Low-income residents may be qualified by Salt Lake County for the Circuit Breaker Relief Program for the first 7,000 gallons of water.

Rates become effective on the first billing following the effective date.

WATER RATES

Effective October 1, 2024

Base charge (cost per month)

	Residential	Commercial	Landscape
3/4" meter	\$20.91	\$20.91	\$20.91

SEWER FUND

SEWER FUND

FUND PURPOSE

Our purpose is to provide the residents and businesses of West Jordan City with uninterrupted removal of wastewater from their homes and businesses; to dedicate ourselves to preparing the sewer system for future upgrades so the system will remain sufficient for the foreseeable future.

The sewer utility performs the sanitary sewer collection and treatment services required by the State of Utah. Treatment and disposal are performed at the South Valley Water Reclamation Facility, of which the City owns 36.44%. The City is responsible for the collection and delivery of the wastewater to this Facility. This service is critical to providing a proper quality of life for West Jordan citizens and businesses. This is accomplished by maintaining the system in a way to maximize infrastructure functionality and longevity, to assess system needs and make improvements where necessary, and to respond to demand in a timely and proactive manner.

GOALS & OBJECTIVES

Have zero service disruptions or sewer plugs lasting longer than 12 hours	<i>Resident Focused</i>
Maintain 33% of the City sewer system each year through our jetting operation	<i>Resident Focused</i>
Inspect 20% of the City sewer system each year through our CCTV operation	<i>Resident Focused</i>
Construction repairs, one major pipeline repair project annually, 15 point repairs annually	<i>Resident Focused</i>

PERFORMANCE & WORKLOAD MEASURES

	FY2023 Actual	FY2024 Estimated	FY2025 Anticipated
Linear feet of sewer main citywide	1,703,149	1,720,000	1,737,000
Feet of pipeline per operator	113,543	114,667	115,800
Feet of pipeline maintained per year	486,986	564,000	564,000
% of pipeline cleaned	29%	33.0%	32.0%
Feet of pipeline inspected per year	422,198	400,000	400,000
% of pipeline inspected by video	25%	23%	23%
Service disruptions longer than 12 hours	1	0	0
# of sewer accounts	24,557	24,802	25,051

FEES

SEWER RATES

Rates become effective on the first billing following the effective date.

All customers are charged a base charge plus volume rate on a monthly basis. Base charge is a flat rate. Volume is charged per 1,000 gallons as recalculated in October of each year based on the average water use during the previous November - January of the account holder.

	Effective Oct 1, 2023		Effective Oct 1, 2024	
	Base	Volume	Base	Volume
Single Family Residential	\$24.01	\$2.24	\$26.41	\$2.46
Multi-family Residential (per unit)	\$29.47		\$32.42	
Commercial	\$31.10	\$2.24	\$34.21	\$2.46
Industrial	\$3,519.77	\$2.24	\$3,871.75	\$2.46

OTHER FEES

Dye test	\$75.00	\$75.00
Nose-on Connection	\$165.00	\$165.00
Stoppage Inspection (waived if caused by city infrastructure)	\$375.00	\$375.00

BUDGET & FINANCIAL HISTORY (continued)

ADDITIONAL DETAIL

The following provides detail related to the budget category and the percent change from the prior year's budget.

Personnel 6%	Four (4) employees qualify for career ladder advancements. Qualifying employees receive a cost of living adjustment of 2% and a merit increase.
Overtime 28%	To provide staff 24/7 to respond to water emergencies. As infrastructure ages, there is a natural increase in breaks.
Operations 3%	Supplies for maintenance and repairs of the system, uniforms, training, licensing, outsourced testing, consulting, survey, blue stake services, traffic control, certifications, credit card fees, other supplies
Vehicles & Equipment 57%	Equipment for the maintenance and repair of the system, survey equipment, etc Maintenance costs, fuel for vehicles and equipment. Increase \$60,000. Fleet replacement plan. Prior year cost recovery was not fully funded. Increase \$235,000 to fully fund. Add vehicle for supervisor, truck transferred to crew \$47,711
Sewer Treatment & 6%	Cost increase from South Valley Water Reclamation District for sewer treatment
Transfer 11%	5% of water sales in lieu of franchise tax for lease of utilities located in ROW Increases with change in fees

SOLID WASTE FUND

SOLID WASTE FUND

FUND PURPOSE

The solid waste utility performs the residential collection and processing of garbage, green waste, and recyclable materials for the City from all single family homes. In addition, this utility manages the residential dumpster rental program and maintains the City's collection can inventory. Commercial collection services are not provided by the City.

GOALS & OBJECTIVES

Reduce and work to eliminate adverse impacts of waste materials on human health and the environment.

*Resident Focused
City Aesthetics*

Manage the collection and proper disposal of solid waste for all single family homes in West Jordan, while protecting the environment and utilizing resources in a responsible manner.

PERFORMANCE & WORKLOAD MEASURES

	FY2023 Actual	FY2024 Estimate	FY2025 Anticipated
Trans-Jordan tipping fee	\$22.00	\$24.00	\$26.00
Ace Disposal contract increase	5.00%	5.00%	3.60%
# of cans serviced (garbage, recycling, green waste)	82,840	83,339	84,172
# of accounts	25,753	26,099	26,360
% of workorders completed within 7 days	100%	100%	100%
# of dumpster rentals	2,852	1,750	2,500

Survey Results (0-100):

FY 2023

Resident satisfaction with garbage collection/recycling

78.75

SOLID WASTE FEES

COLLECTION FEES

Basic service includes one (1) can each for garbage, recycling, and green waste. Fee is per month, and rates become effective on the first billing following the effective date.

	Effective Oct 1, 2023	Effective Oct 1, 2024
Basic service	\$20.76	\$22.21
2nd garbage can	\$12.76	\$13.65
Additional cans after 2	\$17.89	\$19.14
Additional recycling can	\$6.38	\$6.83
Additional green waste can ¹	\$12.76	\$9.01

¹ Billed every month but can only receives service between April - November (66% of the year).

DUMPSTER RENTAL

	Effective Jan 1, 2024
Per calendar year	
1st rental	\$75.00
Each rental after the 1st	\$250.00
Cancellation fee	\$20.00

OTHER FEES

Reinstatement of green waste service	\$50.00
Late fee (interest)	1.5% of past due amount
Service fee due to non-payment	\$100.00

All rentals are first come, first serve.

No utility account will be able to schedule more than one reservation at a time, to increase availability.

Clean-up projects that include city-owned property may be eligible for no fee. The dumpster must be located on public property and is subject to availability and clean-up need as determined by the City.

STORM WATER FUND

STORM WATER FUND

FUND PURPOSE

The stormwater utility performs the flood control services required by the State of Utah and Federal Clean Water Act. It provides the uninterrupted removal of stormwater from all impervious surfaces surrounding homes and businesses within the utility service area. This is accomplished by maintaining the system in a way to maximize infrastructure functionality and longevity, to assess system needs and make improvements where necessary, and to respond to demand in a timely and proactive manner.

To protect the residents of West Jordan from flooding during rainfall events.

GOALS & OBJECTIVES

Clean 15% of storm drain pipe yearly.	<i>Resident Focused</i>
Inspect 10% of storm drain pipe yearly.	<i>Resident Focused</i>
Sweep all roads in the City a minimum of three times a year, with main roads being swept 5 times a year.	<i>Resident Focused City Aesthetics</i>
Inspect all city-owned Stormwater Basins at least once a year.	<i>Resident Focused</i>
Complete SWPPP inspections on all active construction sites monthly.	<i>Resident Focused</i>
Inspect all Post Construction Facilities "Private Businesses" once every five years.	<i>Resident Focused</i>

PERFORMANCE & WORKLOAD MEASURES

	FY2023 Actual	FY2024 Estimate	FY2025 Anticipated
% of system cleaned	4%	10%	10%
% of system inspected	4%	10%	6%
% of local streets swept 3 times annually	88%	100%	100%
% of arterial streets swept 5 times annually	50%	100%	100%
Total feet of storm drain pipe, culverts, creeks, and washes	1,319,780	1,323,000	1,328,000
Feet of storm drain pipe per employee	87,985	89,600	88,533
City-owned stormwater basins	149	151	153
City-owned stormwater basins per employee	9.9	10.0	10.2

Survey Results (0-100):

FY 2023

Resident satisfaction with stormwater	58.85
---------------------------------------	-------

FEES

ERU is defined as an 'equivalent residential unit' and represents 3,000 square feet of impervious surface. Impervious surface is defined as land surfaces that repel rainwater and do not permit it to infiltrate into the ground.

Rates become effective on the first billing following the effective date.

	Effective Oct 1, 2022	Effective Oct 1, 2024
Single Family Residential (per month)	\$6.34	\$6.78
Other ERU (per ERU per month)	\$6.34	\$6.78

STREETLIGHT FUND

STREETLIGHT FUND

FUND PURPOSE

The streetlight utility provides improvements, maintenance, and operations of the City's streetlight system. A flat monthly fee is charged to each residential/commercial unit. This fee was created in FY 2017.

Our mission is to illuminate and enhance the safety, sustainability, and vibrancy of our community through the thoughtful and efficient management of street lighting infrastructure. We are dedicated to providing well-lit, secure, and welcoming public spaces that contribute to the overall well-being of residents and visitors.

GOALS & OBJECTIVES

Our goal is to foster a sense of pride and connectivity within our city by maintaining a reliable and responsive streetlight network. Through proactive maintenance, continuous improvement, and community engagement, we endeavor to build a safer and more aesthetically pleasing environment for all residents and visitors of the City of West Jordan.

Sense of Community & City Identity
Resident Focused

City Aesthetics

Streetlight Availability

Resident Focused

Ensure a high percentage of operational streetlights to enhance safety and visibility.

City Aesthetics

Technology Adoption

Resident Focused

Enhance efficiency and reduce long-term operational costs through the adoption of advanced lighting technologies.

City Aesthetics

Maintenance Response Time

Resident Focused

Minimize downtime by addressing maintenance needs promptly.

WORKLOAD AND PERFORMANCE MEASURES

	2023 Actual	2024 Estimated	2025 Anticipated
# of streetlights	6,450	6,624	6,825
% of functioning streetlights			90%
# of streetlights maintained per FTE	2,150	2,208	2,275
# of new streetlights installed	150	150	100
% of streetlights converted to LED	20%	50%	100%
% of streetlights and underground network incorporated into GPS and CityWorks			25%

FLEET MANAGEMENT INTERNAL SERVICE FUND

FLEET MANAGEMENT FUND

FUND PURPOSE

The mission of the City of West Jordan Fleet Services department is to manage and maintain the City's fleet of vehicles and equipment in a responsible and sustainable way, supporting and providing our fellow City employees with a safe and efficient product for use in any emergency or non-emergency event.

GOALS & OBJECTIVES

The core functions of the fleet department are to provide safe equipment that meets operational needs, is available to meet those needs, and be cost effective. Our goals include asset availability of 95% or better; preventative maintenance schedules met within 10% of cycle completion 95% of the time; emergency repairs to encumber 30% or less of total maintenance and repairs. In addition, the fleet department is seeking ways to reduce our fuel usage and greenhouse gas emissions through timely maintenance, proper utilization and right-sizing of our fleet, and integration of alternative fueled vehicles where possible.

INFORMATION TECHNOLOGY INTERNAL SERVICE FUND

INFORMATION TECHNOLOGY FUND

FUND PURPOSE

The Information Technology Fund provides the City with technology solutions, a reliable network, information security, data backup, and technical support. Cost allocations are charged to each department or fund. The basis is cost recovery as well as cash funding for infrastructure replacement and enhancement.

GOALS & OBJECTIVES

Maintain the City's information management systems in a secure and safe environment.

*Resident Focused
Employee Satisfaction*

Foster a collaborative, engaging, and innovative approach to meet the City's information system needs.

*Resident Focused
Employee Satisfaction*

RISK MANAGEMENT INTERNAL SERVICE FUND

RISK MANAGEMENT FUND

FUND PURPOSE

The Risk Management Fund is an internal service fund centralizing the management of all liability insurance and claims for the City. Additionally, this fund supports programming to increase safety within City departments. The Fund is managed by the Risk Manager under the general direction of the City Attorney. The risk management team is comprised of a professional risk manager and a professional risk management safety specialist, and works closely with the City's civil and prosecution attorneys.

GOALS & OBJECTIVES

Protect City employees and assets with adequate insurance coverage
(excluding employer-provided benefit plans)

*Resident Focused
Employee Satisfaction*

Secure insurance policies with coverage based on data analysis, expert consultation, and historical performance

Continue growing the City's culture of safety by supporting departments in safety training, programs, incentives, and consultations

*Resident Focused
Employee Satisfaction*

Decrease total at-fault internal accidents

Reduce the occurrence of workplace injuries and damage to City property

PERFORMANCE & WORKLOAD MEASURES

11)	Storage Tank	
	a) Residential	
	i. Above Ground Storage Tank Permit and Inspection (Any petroleum product)	\$125 per site
	ii. Below Ground Storage Tank Permit and Inspection (Any petroleum product).....	\$175 per site
12) b)	Commercial	
	a)i. Above Ground Storage Tank Permit and Inspection (Any petroleum product)\$253 per site	
	b)ii. Below Ground Storage Tank Permit and Inspection (Any petroleum product)\$660 per site	

HIGHLANDS ASSESSMENTS

Ordinance 13-27 established the Highlands Assessment Area on July 31, 2013. The following assessments are budget-based and follow the methodology in Ordinance 13-27.

1)	Residential Assessment.....	\$16-00 per month per dwelling unit
2)	Commercial Assessment	\$132 140.00 per year for each commercial business, or, if the business occupies more than one quarter-acre of land, each quarter-acre of land occupied by a single commercial business.
3)	Undeveloped Land Assessment	\$45 19.00 per year for each quarter-acre of land. Land area measuring less than a quarter-acre shall be rounded to the nearest whole quarter-acre.

IMPACT FEES

1)	Police Impact Fees	
	a) Residential Single Family.....	\$371 per unit
	b) Residential Multi-Family	\$434 per unit
	c) Commercial	\$609 per 1,000 sq ft
	d) Office.....	\$144 per 1,000 sq ft
	e) Industrial	\$89 per 1,000 sq ft
	f) Other	\$383 per 1,000 sq ft

Formula for Non-Standard Police Impact Fees:

Estimate of Annual Call Volume per Unit x \$542 = Impact Fee per Unit

2) Fire Impact Fee

a) Residential Single Family.....	\$269 per unit
b) Residential Multi-Family.....	\$348 per unit
c) Commercial.....	\$754 per 1,000 sq ft
d) Office.....	\$429 per 1,000 sq ft
e) Industrial.....	\$116 per 1,000 sq ft
f) Other.....	\$482 per 1,000 sq ft

IMPACT FEES (continued)

Formula for Non-Standard Fire Impact Fees:

Residential: Estimate of Annual Call Volume per Unit x \$2,244 = Impact Fee per Unit

Non-Residential: Estimate of Annual Call Volume per Unit x \$5,803 = Impact Fee per Unit

3) Parks Impact Fees

a) Residential Single Family.....	\$4,423 per unit
b) Residential Multi-Family.....	\$3,499 per unit

Formula for Non-Standard Parks Impact Fees:

Estimate Population per Unit x \$1,290 = Impact Fee per Unit

4) Sewer Impact Fees

a) ¾" Meter.....	\$3,495
b) 1" Meter.....	\$5,837
c) 1 ½" Meter.....	\$11,639
d) 2" Meter.....	\$18,630
e) 3" Meter.....	\$40,790
f) 4" Meter.....	\$69,905
g) 6" Meter.....	\$145,647

Formula for Non-Standard Sewer Impact Fees:

Estimated ERCs x \$3,495 = Impact Fee

5) Water Impact Fees

a) ¾" Meter.....	\$6,608
b) 1" Meter.....	\$11,035
c) 1 ½" Meter.....	\$22,005
d) 2" Meter.....	\$35,221
e) 3" Meter.....	\$77,115
f) 4" Meter.....	\$132,160
g) 6" Meter.....	\$275,355

Formula for Non-Standard Water Impact Fees:

Number of ERCs x \$6,608

6) Storm Drain (Water) Impact Fees

a) Residential Single Family.....	\$6,794 per acre
-----------------------------------	------------------

b) Residential Multi-Family	\$8,153 per acre
c) Commercial	\$11,550 per acre
d) Industrial	\$11,550 per acre
e) Office.....	\$11,550 per acre
f) Open Space	\$1,359 per acre

Formula for Non-Standard Storm Drain (Water) Impact Fees by Land Use:
 Impervious Acres x \$13,588 = Impact Fee

IMPACT FEES (continued)

- 7) Roads Impact Fee
- | | |
|------------------------------------|--------------------------|
| a) Residential Single Family | \$2,333 per housing unit |
| b) Residential Multi-Family | \$1,690 per housing unit |
| c) Assisted Living | \$273 per bed |
| d) Commercial | \$2.706 per sq ft |
| e) Hospital | \$1.359 per sq ft |
| f) Hotel/Motel | \$578 per room |
| g) Industrial | \$0.392 per sq ft |
| h) Nursing Home | \$0.781 per sq ft |
| i) Office..... | \$1.706 per sq ft |
| j) Warehouse..... | \$0.365 per sq ft |
- 8) Impact Fee Appeal
- \$1,000 refundable deposit applicable to actual cost recovery

MAPS

Per sheet:

- 1) Maps – Color
 - a) 8.5x11 ~~\$72.50~~

14) Streetlight Connection Fee	06/22/2022
15) Temporary Use	
a) Use up to 30 days (administrative)	06/28/2023
b) Use up to 150 days (requires Planning Commission review)	06/28/2023
c) Renewal	06/28/2023
16) Zoning	
a) Zoning Administration / Interpretation / Determination	06/28/2023
b) Zone Change	06/28/2023
c) Zoning Engineering Review Fee	06/28/2023
d) Zoning Verification Letter	06/28/2023
e) Text Amendment	06/22/2022

POLICE DEPARTMENT

1) Police Stand-by Service, Traffic Assistance, or Response Hourly Rate (private-party events)	
a) \$500 refundable deposit to be applied toward services when request is estimated at over \$500	06/22/2022
b) Per sworn officer	06/22/2022
c) Per supervisor (required when 5+ officers are requested)	06/22/2022
2) Audio/Visual Recordings	
a) 0 – 30 minutes	06/23/2021
b) 31-60 minutes	06/23/2021
c) 61-90 minutes	06/23/2021
d) 91+ minutes	06/23/2021
3) Police Clearance Check (per request)	06/28/2023
4) Fingerprint (per card)	
a) Up to three fingerprint cards	06/23/2021
b) Each card after three fingerprint cards	06/23/2021
5) Photographs Digital CD	
a) 1 – 49 photos	06/28/2023
b) 50 – 99 photos	06/28/2023
c) 100 – 149 photos	06/28/2023

APPENDIX (continued)

Revised

POLICE DEPARTMENT (continued)

d) 150+ photos	06/28/2023
6) Police Reports	08/11/2016
7) Sex Offender Registry (per year)	07/01/2013
8) Vehicle Storage (seized)	03/10/2010
9) Tow Truck Rotation Fees	
a) Application Fee	06/23/2021
b) Tow Rotation Coordination and Inspection Fee	06/23/2021
c) Suspension Reactivation Fee	06/28/2023

GLOSSARY

GLOSSARY

AA- – A bond rating given by financial rating agencies as their professional opinion about the ability of a government or not-for-profit organization to repay a tax-exempt loan (bond). Bond ratings may range from AAA (prime rating) to D (default).

Accrual Basis of Accounting – A method of accounting that recognizes income when earned and expenses when incurred regardless of when cash is received or disbursed.

Ad Valorem Tax – Taxes levied on both real and personal property according to the property's valuation and the tax rate. Also known as Property Tax.

Adopted Budget – The annual budget approved by the City Council that establishes the legal authority for the expenditure of funds in the fiscal year.

Allocation – The assignment of one or more items of cost or revenue to one or more segments of an organization according to benefits received, responsibilities, or other logical measures of use.

Allocated Operations – Indirect operating costs that are assessed/charged from one fund to another.

Allocated Wages – Indirect personnel costs that are assessed/charged from one fund to another.

Appropriation – Legal authorization granted by the City Council to make expenditures and incur obligations for specific purposes.

Assessed Valuation – A valuation set upon real estate or other property by the Salt Lake County Assessor as a basis for levying property taxes.

Audit – A review performed by an independent certified public accountant to form an opinion regarding the legitimacy of transactions and internal controls.

Balanced Budget – A budget in which current revenues equal current expenditures.

Basis of Budgeting – Basis of budgeting refers to the timing of when revenues or expenditures are recognized in the accounts and reported in the financial statements.

Bond – A written promise to pay a specified sum of money, called the face value or principal, at a specified date or dates in the future, called the maturity date(s), together with periodic interest at a specified rate.

Bond Proceeds – Funds received from the sale or issuance of bonds.

Bond Refinancing – The payoff and re-issuance of bonds to obtain better interest rates and/or bond conditions.

Bond Refunding – The redemption of a bond with proceeds received from issuing lower-cost debt obligations.

Budget – A financial plan consisting of an estimate of proposed expenditures and their purposes for a given period and the proposed means of financing them.

Budgetary Control – The control of management of a governmental unit or enterprise in accordance with an approved budget for the purpose of keeping expenditures within the limitations of authorized appropriations and available revenues.

Building Authority Bonds - Bonds secured by specified asset. CAFR – (see Comprehensive Annual Financial Report).

Call Date - Date on which a bond can be redeemed before maturity. Earliest date on which bonds can either be paid off or refinanced.

Capital Assets – Assets of significant value and having a useful life of several years.

Capital Carryovers – Any unspent appropriation for capital projects that are authorized by City Council to be reappropriated in the following year.

Capital Equipment - Equipment with an expected life of more than one year, such as automobiles, computers, and furniture.

Capital Improvement Program (CIP) – An annual, updated plan of capital expenditures for public facilities and infrastructure (buildings, streets, etc.), with estimated costs, sources of funding, and timing of work over a period of time.

Capital Outlay – Expenditures which result in the acquisition of capital assets.

Capital Project – Projects involving the purchase or construction of capital assets.

Career Ladder Increases - Career ladders are pay increases within a job series conditioned on obtaining required service experience and specified skills, training, and/or certification. They are typically used for jobs with critical or rapid learning curves to bring entry level employees to full productivity.

CDBG – (see Community Development Block Grant).

Certified Tax Rate – The tax rate that would generate the same amount of revenue as the previous year plus any new growth.

CIP – (see Capital Improvement Program).

Community Development Block Grant (CDBG) – The Housing and Community Development Act of 1974 provides funds to cities and counties to develop urban communities and expand economic opportunities principally for low- and moderate- income persons.

GLOSSARY

Comprehensive Annual Financial Report (CAFR) – The audited annual report of the City's financial condition at the conclusion of the fiscal year.

Consolidated Budget – City budget that includes all funds –governmental and proprietary.

Consumer Price Index (CPI) – A statistical description of price levels provided by the United States Department of Labor. The change in this index from year to year is used to measure the cost of living and economic inflation.

Contingency – An appropriation of funds to cover unforeseen expenditures which may occur during the budget year.

CPI – (see Consumer Price Index).

Debt Service – The payment of principal, interest, and service charges related to long-term debt.

Debt Service Fund – A fund established to account for the accumulation of resources for, and the payment of, general long-term debt principal and interest.

Deficit – An excess of expenditures or expenses over revenues.

Department – A major administrative division of the City that indicates overall management responsibility for an operation or group of related operations within a functional area.

Depreciation – Expiration in the service life of fixed assets, attributable to wear and tear, deterioration, action of the physical elements, inadequacy, and obsolescence.

Designated Fund Balance – The portion of a fund balance that has been set aside for a specific purpose.

Division – A sub-section within a department that provides specific services.

Encumbrances – Obligations or commitments in the form of purchase orders or contracts, the expenditure/expense of which has not yet occurred.

Enterprise Fund – A fund established to account for operations that are financed and operated in a manner similar to private business enterprises – the services are predominantly self-supported by user fees and charges. Examples are water and solid waste.

Expenditure – The actual spending of governmental funds set aside by an appropriation.

Expense – The actual spending of proprietary funds set aside by an appropriation.

Fiscal Year (FY) – The twelve-month period of time to which a budget applies. The City of West Jordan's fiscal year is July 1 through June 30.

Franchise Tax – A tax levied at the state level against businesses and partnerships chartered within that state.

Full Time Equivalent (FTE) – The hourly equivalent of a full-time employee. An FTE can be made up of either one full-time employee or two or more part-time employees whose total hours equal 2,080 per year.

Fund – A fiscal or accounting entity with a self-balancing set of accounts established for the purpose of carrying out specific activities in accordance with clearly defined restrictions and/or limitations.

Fund Balance – The difference between a fund's assets and its liabilities.

GAAP – (see Generally Accepted Accounting Principles).

GASB – (see Governmental Accounting Standards Board).

GFOA – (see Government Finance Officers Association)

General Fund – The primary fund of the City used to account for all financial resources except those identified for special purposes or required to be accounted for in another fund.

Generally Accepted Accounting Principles (GAAP) – Uniform minimum standards for financial accounting and recording.

Government Finance Officers Association – A professional association of approximately 19,000 state, provincial, and local government finance officers in the United States and Canada.

Governmental Accounting Standards Board (GASB) – The group that develops standardized reporting for government entities.

Governmental Fund – The category of fund that is used to account for activities primarily supported by taxes, grants, and similar revenue sources. Governmental funds are classified into five fund types: general, special revenue, capital projects, debt service, and permanent funds.

General Obligation Bonds – Bonds used for various purposes and repaid by the regular revenue raising powers of the City.

Grant – Contributions, gifts, or assets from another government entity to be used or expended for a specified purpose, activity, or facility.

Haircut Provision - Utah code related to redevelopment areas that allows portions of tax increment to be allocated and spent toward recreational purposes.

Impact Fees – Fees used to offset the additional burden on city infrastructure caused by new development within the city. The fees are collected and accounted for separately to

GLOSSARY

be used for projects relating to the impact of the additional development.

Infrastructure – Facilities or assets on which the continuance and growth of a community depend, such as streets, waterlines, etc.

Interfund Transfers – Monies transferred from one fund to another to either finance the operations of another fund or to reimburse the fund for certain expenditures/expenses.

Intergovernmental Revenue – Money collected by one level of government and distributed to another level of government.

Long-term Debt – Debt with a maturity of more than one year after the date of issuance.

Maturity – The date on which the principal or stated values of investments or debt obligations are due and may be reclaimed

Modified Accrual Basis of Accounting – A method of accounting in which revenues are recognized in the period in which they become available and measurable, and expenditures are recognized at the time a liability is incurred.

Motor Vehicle Fee – Fee imposed on passenger cars, light trucks, sport utility vehicles, vans, motorcycles, and recreational vehicles and are due at the time of registration.

Operating Expenditures – The cost for materials and equipment required for a department to perform its functions.

Operating Revenues – Funds received by the City as income to pay for ongoing operations.

Ordinance – A formal legislative enactment by the City Council. It has the full force and effect of law within City boundaries unless preempted by a higher form of law. An ordinance has a higher legal standing than a resolution.

Property Tax – An ad valorem (according to value) tax based on the fair market value of real property (land and buildings) and personal property (business equipment). Fair market value is determined by the county as of January 1 of each year.

Proprietary Fund – A type of fund used to account for activities that involve business-like interactions (water, sewer, streetlights, etc)

RDA – (see Redevelopment Agency).

Redevelopment Agency (RDA)– A separate entity established to revitalize blighted and economically depressed areas of a community and to promote economic growth.

Refunded - Refinanced to take advantage of lower interest rates.

Reserve – A portion of a fund balance which has been legally segregated for a specific use and is, therefore, not available for further appropriation or expenditure.

Resolution – A special order of the City Council that requires less legal formality and has a lower legal standing than an ordinance.

Revenues – Sources of income, such as taxes, used to finance the operation of government.

Revenue Bonds - Payable from specified revenues such as Sales Tax or User Fees.

Sales Tax – Tax imposed on the taxable sales of all final goods. West Jordan receives part of the sales tax percentage charged in Salt Lake County.

Special Assessment – A tax on property owners who receive a benefit not received by all other taxpayers.

Special Improvement District (SID) – An area of the city where the property owners come together and vote on incurring the costs of making special improvements to the area (such as putting in custom streetlights or enhanced landscape maintenance).

Tax Base – The total taxable value of property within the local government's legal boundaries.

Tax Increment – Property tax that is collected as a result of increased valuation within an RDA area.

Tax Rate – The amount of tax levied for each \$100 of assessed valuation.

Taxable Value – The assessed value of property less exemptions.

Taxes – Compulsory charges levied by a government for the purpose of financing services for the common benefit of the people.

Transfers – Legally authorized intra-city transfers of appropriations from one City fund to another City fund. Revenues and expenditures are accounted for in both funds.

Truth in Taxation – Legal requirement for Utah cities to hold public hearings in the event the city chooses to adopt a tax rate higher than the certified tax rate.

Undesignated Fund Balance – A portion of a fund balance that has not been designated or reserved for any specific use

User Fees – The payment of a fee for direct receipt of a public service by the party benefiting from the service.
