Residential deposit may be waived if resident signs up for Payson City's direct pay program. If a return payment occurs, residents will be removed from the direct pay program and will be required to pay \$200 deposit within 14 calendar days of being notified of the return payment. Non-payment will result in discontinued services until deposit and balance due are paid. A deposit will be required on all new building accounts to be paid with the building permit.		
Homeowner deposits will be refunded after six (6) consecutive months of full payments, made on or before the due date. Renter's deposits, including rental of mobile home lots, on file will be held and applied to the final bill.		
Commercial/Business Deposit.....	\$ 200.00	
Or an amount equal to average consumption for a two-month period, whichever is greater. Commercial/business deposit will not be required of an owner of a commercial business if the new account is being established by someone who currently has an active account with Payson City for another business, and whose commercial account has been active and not been in default for the past twenty-four (24) months.		
The Commercial business shall make a cash deposit or a 2-year surety bond deposit in place of a cash payment. The commercial customer will be responsible for all costs for bonding. At the end of 2 years (on the anniversary date) commercial customer may request the bond to be canceled or the deposit to be applied to the account. At the time of the request, the account must have a zero balance. The City will not pay any interest on the deposit or any fees connected therein with the bond while being held. A deposit will be required on all new building accounts to be paid with the building permit.
