

UTAH STATE BOARD OF EDUCATION

Subject:

ACTION: Contracts for approval over \$100,000 through August.

Agenda item type:

Action Item

Recommended Action:

That the Board approves contracts over \$100,000 through August.

Background:

USDB is requesting that the Board Chair and review and approve contracts over \$100,000 through August so that we do not have to wait until the following board meeting as these projects will impact our short timeline to get projects completed over the summer while students are on summer break.
