

## 3-year Rotating Training Schedule

Background: In the April 2024 Board Meeting, the Board approved staff to develop training modules for use by the LEAs as desired. At this time, staff recommending the order of priority for development of the training resources. The following information provides a draft three year rotating schedule to incorporate the required trainings for educators, classified staff, and others. In the development of this draft schedule, staff reviewed the data on UPPAC violations, State Code and Board Rule Requirements.

Given UPPAC data, state Code and Board Rule requirements and in response to the Reporting Task Force recommendation to create a three year rotating schedule for training requirements, this document provides a proposed draft schedule considering these elements.
