ESSENTIAL COUNTY SERVICES & NEEDS

- The County's primary purpose is to meet essential needs: Physiological & Safety

THE LIBRARY'S ROLE: WELL BEING, GROWTH, PREVENTION

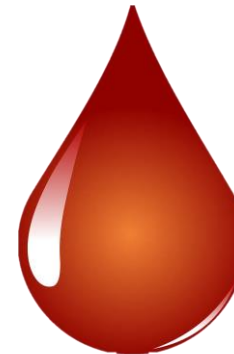

- Not on the front lines of life-sustaining “essential” services
- YET, guides many to essential county services, and is a major contributor to supporting many of the other needs. This helps curb additional demand on basic county services and community problems by helping people grow.
- “An ounce of prevention is worth a pound of cure.”
– Benjamin Franklin, *The Philadelphia Gazette*, Feb. 4, 1735
- We may not keep people alive; but we do help them to **live**.
