

UTAH STATE BOARD OF EDUCATION

Subject:

ACTION: Education Interim Committee Sunset Item - Section 53-22-104.1, School Security Task Force.

Agenda item type:

Action Item

Recommended Action:

That the Committee recommends that the Board support the School Security Task Force for the length of time recommended by Rep. Wilcox and forwards the recommendation to the Board for approval.

Background:

[Section 53-22-104.1, School Security Task Force – Membership – Duties – Per diem – Report – Expiration](#), is scheduled to be repealed. Unless action is taken by the Legislature, the program will be repealed on July 1, 2025.

The **Education Interim Committee has three options** for making recommendations to the Legislature regarding these statutes:

1. Take no action. This would let the statute sunset, meaning the section of code would be repealed, including the Task Force.
2. Draft a committee bill to change the sunset date.
3. Draft a committee bill to remove the sunset date.

The Interim Committee would like a recommendation from the Board on whether to allow the repeal of the program, to change the sunset date, or to remove the sunset completely (allowing the program to continue in perpetuity).

Staff will present information on the pilot program for the Committee and Board's consideration to inform the Board's decision.
