
May 2024 Event Assessment

4 H Practice

4 H practice nights have been a part of our summer activities for many years. Most every Tuesday night our arena is filled with youth from around our valley receiving instruction on how to be a better Horseman. We appreciate the many great instructors that spend time with the youth that desire to learn more about this great program. We have a new leader with the horse program this year. Alexa World, she has requested an earlier start for the program. We have been able to accommodate her on Tuesday nights at the indoor arena. There has been a great turnout. It is a pleasure to be a part of the 4H program.

Wasatch High School Chapter Rodeo

The Wasatch High school chapter rodeo was as big as ever. We had over 900 contestants selling every stall we had. We also sold 219 camping spots. Our total revenue for this event was \$22,748.00.

Utah Jr. High Rodeo Finals

The Jr High Finals Rodeo continues to surprise us with its numbers and the quality of the event. Our stall review is \$14,049.00 and the Camping is \$11,728.00. Horse wash \$389.75 and RV Dump \$645.00 This is from our automated system.

Wasatch High School Graduation

Another successful year. We were able to put the new floor down in record time. With the help from the school staff, we put the floor down in 3 hrs. we had about 25 people helping.

Heber City Equipment Rodeo

We worked with Heber City Public works and provided them a place to hold a community Equipment Rodeo. It was a fun event. People were able to come show off their skills on a backhoe and a mini X in a friendly competition. The event was well attended. A number of people that have never been to the Event center attended.

Memorial Day Drive-By Tribute

We continued this year with our Memorial Day Drive-By Tribute. We set up over 200 American Flags and Thank You signs for our vets along the route. Throughout the day people can drive through the route and give thanks and remember the many vets in our community. We worked with the local radio station to provide audio on 98.3 FM to listen to while driving the route. We also set up a time for vets to come down and get a picture and take home a hat/coin. It was great to watch all the veterans interact with each other and the public that attended this year!

Soccer

919 Participants

Spring Soccer is one of our biggest programs of the year. With all the weather we have experienced this year our numbers dropped just slightly. I think this is due to all the snow and the cold weather. People weren't wanting to come and freeze and may decide to play in the fall instead. We had to push the soccer start date back one week because of the snow. Spring soccer season is April 20th - May 14th. We have 118 total teams playing this spring season. All games are played at south field park. Refs are used from 3rd grade up to co-ed league. Most of our refs are middle school and high school kids.

Gymnastics

7 Participants

Classes are taught By Josh Schneiter (Head). We have 8 different class being taught here at the Rec Center, classes are on Thursday's 4-6PM. Cost for class ranges from \$75 to \$85 depending on the class for the 4 week session. Classes are taught on Court 6.

Art Camp

15 Participants

This art camp was put on by Bailey Tillotson. The camp was for the month of May on Tuesday Nights and the kids got to do different water color projects each day. I get registration up and going and answered any questions that came up during it. I make sure the classroom is ready to go for the night and help get anything she may need during the class.

Men's Softball

216 Participants

Men's Softball has had another great turn out this year! The season begins May 1st and will finish with a tournament in July. We will be playing at Vets Park and be using 2 fields on Monday Nights. This year we will have a combined league. We will follow the season with a double elimination tournament.

I make sure our grounds crew has all the information to prep the fields and that the fields are prepped. As well as coordinating with Umpires and having game balls for them. I will turn on the lights as the night goes on

and off when we are finished. I stay at the park all night until games are over, answering any questions and taking care of any issues that come up.

Coed Softball

120 Participants

Coed Softball is played at Southfield Park. This year we are using two fields, Lloyd and Widd. Game times are 6:30, 7:30, 8:30pm on Wednesday nights with teams having double headers. The regular season will run the month of May and until the end of June with a double elimination tournament to follow. This is a fun league for spouses, Co Workers and friends to play in.

Tennis

153 Participants

Spring session 2 started April 22nd and goes until May 22nd. Tennis is taught by Bill Damron of Timp Valley Tennis. Bill teaches classes Monday through Friday from 2:30-5:30pm. Tennis is offered to kids 1st grade through high school. Kids are checked in everyday to make sure everyone who is attending class has registered and signed our liability waiver.

Boys Baseball

167 Participants

We have three different age divisions AA, AAA and Major league. We will have 7 teams in AA which will play on Gutierrez field that play on Monday nights at 5:00 & 6:45, 4 Teams in AAA which play on Gutierrez field on Tuesday nights at 5:00 & 6:45 and 2 in the Majors division which play on Tuesday nights on Public Works field at 5:00 & 6:45. Cost for this program is \$60. We use high school kids and other people from the community to help us out with umpiring.

The younger kids will start T-Ball and Coach Pitch in the month of June.

Girls Beginning Fast Pitch

68 Participants

Beginning fast pitch and fast pitch, has been struggling to get participation for a few years now. Beginning fast pitch has typically been able to have 3-4 teams each year. We will have 3 teams this year.

We were able to have fast pitch league for the girls in 6-9th grade for the second consecutive year. The league had 2 full teams and has been great for these girls. We hope to be able to run this older age group again next year!

Track Club

116 Participants

Track Club will be starting April 22nd - June 12th on Monday's and Wednesday's at the High School Track/Rec Center.

The object of Track Club is to expose as many kids as possible to the sport. Track is a great sport and it also teaches the basic movements and coordination for many other sports, as well as great fitness. Head Coach Brenda Harr and her other coaches help the kids at practices with all aspects of Track. Teaching them form and stretches to help them better themselves in each event. We will attend 2-3 Track Meets this year, where the kids compete against other programs in our state. At the end of the season we attend a final meet where kids will compete to earn a medal in different events.

I will help Brenda with any equipment she needs or finding some coaches to help her out. I also coordinate with the High School so we can use their track. We are very thankful for them and the support they give this program! Coach Bowden the High School Track Coach also helps us with volunteer coaches and he also assists in whatever way she can. This program is very successful because of everyone involved. Coach Brenda is great and I hope to have her around for many years to come!!
