

RESOLUTION NO. 2023-23

A RESOLUTION SUPPORTING AND RATIFYING THE LAKE POINT APPLICATION TO TOOELE COUNTY COUNCIL OF GOVERNMENTS

WHEREAS Lake Point, as a newly incorporated municipality, is in the process of creating its general plan, in which the city is required to prepare and adopt plans regarding transportation and traffic circulation;

WHEREAS Lake Point is the primary gateway to Tooele County, and experiences significant traffic impacts, positive and negative, from travelers in, out, and through the County;

WHEREAS Lake Point is experiencing growth and development, and as part of that development, the City Council hopes to facilitate commercial growth in the area adjacent to SR-36, while appropriately managing and mitigating the impacts of increased traffic and congestion on Lake Point residents;

WHEREAS Lake Point desires to develop a transportation master plan to establish and help meet the goals, needs, and desires of Lake Point residents, businesses, and visitors;

NOW, THEREFORE, BE IT RESOLVED by the Lake Point City Council as follows:

Section 1. The City Council affirms that the City's ability to develop an in-depth and complete transportation plan and capital improvements program is limited by the city's budget, and additional funding will significantly enhance the planning process and expand the city's ability to work with residents, business owners, government officials, and other stakeholders to prepare a more complete and beneficial transportation master plan.

Section 2. The Lake Point City Council therefore establishes its strong support for, and does further approve and ratify, the Lake Point Transportation Master Plan Application submitted to the Tooele County Council of Governments, in order to address the goals and concerns outlined above.

Section 3. This Resolution shall take effect immediately upon its adoption.
