PUBLIC PORTION OF HEARING OPENED

Speaker # 1: Incoming CEO – Habitat for Humanity

Name: Carin Crow

Address: 1276 South 500 West

Comments: Ms. Crow said this is the proposed plan for the location. Low-income population, these are making the median income, no one coming off the street, not a welfare community, everyday workers that keep the economy thriving. Looking at twin homes, home ownership and cannot be rented and owner occupied, 30-year mortgage. Helps as growing families, 3-bedroom, 2-bathroom 1500 square feet. 38 years never had a foreclosure, high quality group of individuals. Half acre lot, put six homes or three twins. If

rezoned, 12 homes per acre. Two story, no basement. Making sure accommodating have the hammerhead for the turnaround, less than 150 feet to the end of the street for fire. Terracon has analyzed the lot to prepare to begin building upon the zoning process, with private road, no garages. Garbage receptacle through HOA.

Commissioner Richards motioned to open the public hearing, Commissioner VanRoosendaal seconded that motion.

Speaker # 2: Citizen

Name: JR Sharp

Address: 3068 Hibler Drive

Comments: Mr. Sharp said wants to go to R-2-6.5, does magna have any minimum and is there a way to table this until the city is more organized.

Speaker # 3: Citizen

Name: Jon Hardman

Address: 2778 South Hardman Cove

Comments: Mr. Hardman said he was not informed although his neighbors were and has a chunk of property on the east side. The existing zoning was 30 feet, and they want 25 feet. Two story dwellings, privacy fence and what are they doing for fencing. Where will the road be. A lot of street parking, six units, 12 cars. Magna has high density housing and so many park on the street and he thinks its unsafe.

Speaker # 4: Citizen

Name: Scott Barratt

Address: 7548 West Tullamore Cove

Comments: Mr. Barratt said west of the property, fire lane. The concerns have been addressed. How are the people vetted residing in the dwellings. Concerned that riff raff and not taking care of their properties. He is against it being right next door and other options for the residents.

Speaker # 5: Citizen

Name: Jeff and Jill Scott

Address: 7516 West 2820 South

Comments: Mr. and Mrs. Scott said own the lot to the north. Echo the concerns especially two-story dwellings looking into their yard. Bus stop at the top of the fire lane, lots of vehicles. Too much for a small space. Maybe four units and this isn't appropriate. Concerned with the roof height and to approve would be inconsistent with the rest of the area. Traffic concern, inevitably there is parking, but they live in the neighborhood and are concerned with parking. Have marked the property as private property and creates more crime.

Speaker # 6: Citizen

Name: Shawn Maddy

Address: 2747 Dundalk Circle

Comments: Mr. Maddy said just to the east called humanity cove, proposed high density housing is inconsistent with the area. They have addressed high density and use it smarter.

Speaker # 7: Citizen

Name: Jeff White

Address: 8221 West 3475 South

Comments: Mr. White said his concern is the developer needs to show what they're doing. Problem with fire lane. This area is condensed, and twelve cars will park and provide access and lane open. Could put three R-1-6 just like to the north without creating problems. Can't see how it would work.

Commissioner Richards motioned to close the public hearing, Commissioner VanRoosendaal seconded that motion.

PUBLIC PORTION OF HEARING CLOSED

Commissioners had a brief discussion regarding R-2-6.5 fitting into surrounding zones, north and west houses are R-1-8.

Motion: To recommend application #REZ2024-001105 Jeffrey Copeland on behalf of Habitat for Humanity is requesting a rezone from A-1/zc to R-2-6.5 to the Magna Council for denial.
