These changes are a result of the Promise Rock SITLA property in Cannonville. Residents would like to keep the property undeveloped and be annexed into Kodachrome State Park.

- Rename Agricultural Zone to Agricultural/Historic Use Zone
- Section 2 Zoning designations of any and all SITLA owned property is discontinued
- Section 3a and Exceptions All SITLA parcels as soon as they are sold into private ownership will be zoned Agricultural/Historic Use. Private owners can change the zone through the P&Z commission
- Section 4 map to encompass the changes
- Section 5 amend chapter 7 general provisions regarding building permits and subdivisions. We have already practiced these changes.
