Good Morning All,

Planning is well underway for the 2024 Spring Council of Examiners (COE) Workshop which will be held in Dallas, Texas.

### **MEETING SCHEDULE AND TRAVEL LOGISTICS**

- Spring COE Workshop – April 5-6, 2024
- Field Trip – April 7, 2024

We've negotiated a standard room rate of \$189/night at the Hilton Garden Inn Downtown located at: 1600 Pacific Avenue Dallas, TX 75201. We secured the same number of guest rooms as we have for other Spring COE Workshops; however, given that the total solar eclipse will occur on the day following our spring field trip, we anticipate that a larger number of SMEs than usual may be interested in attending. We booked this venue nearly three years ago – they will no longer add rooms to our room block at the negotiated rate. Given this, we thought it best to send the booking link earlier than usual in case the room block fills up. This will give participants ample time to secure other arrangements as several participants have been doing recently for other COEs (i.e. use hotel points, find alternate accommodations such as Airbnb).

Hotel reservations can be made using this link:

**Please note that room reservations must be made by March 21, 2024.**

Most major airlines service the Dallas-Fort Worth (DFW) International Airport, which is 18 miles from the hotel. Dallas Love Field regional airport supports Alaska Airlines, Delta and Southwest. The DART light rail is a good option for transport to the hotel from either airport: <https://www.dart.org/>

Additional meeting logistics will be sent in a separate communication in early 2024.

If you have questions, concerns, or need additional information related to the upcoming workshops, please contact me directly by email or phone: 678-713-1251.

Sincerely,

Deana
