Briefing Document

Description: New Race Route for Dogtown Half Marathon

Presenter: Tess Prisbrey

Submitted By: Tess Prisbrey

Recommendation: None

Background Information:

We would like to inform you of a new race route for the Dogtown Half Marathon Race. This new route will reduce the amount of police and public work staff required, and avoid major roadways that the current route interferes with. Additionally, the race will now be held on the last Saturday in January instead of the first Saturday in February. This change will allow us to end the race at Sullivan Park.

Attached is a link to the new race route.
