Invited Guests: Jim Judeikis	

Minutes

Welcome, Call to Order & Roll Call	Chair Goodrick called the meeting to order at 4:35pm, conducted roll call, welcomed, and thanked everyone for attending.
Minutes	Chair Goodrick asked if everyone has had a chance to review the minutes from April 18, 2024. He asked if there are any changes, if not, can he get a motion to approve. Member Silberman motioned to approve the April 18, 2024, minutes. Seconded by Member Sorrentino. Committee approved.
City Report	Manager Stewart stated that the DNR is planning to be in Ogden the weeks of July 29 and August 5. He asked the committee to identify some locations they can work at during that time. Chair Goodrick said the BST, Gibbs Loop, and Foothill Trail all need to be trimmed back. Manager Stewart asked the rest of the committee to watch for projects. We have sent the new committee appointments, committee member reappointments, and the sunset report along. We are just waiting to

	hear what they decide on how to manage committees moving forward. Manager Stewart stated that with the rise in vandalism and graffiti the city is offering a \$1,000.00 reward for information that leads to an arrest or prosecution. Manager Stewart introduced Lt. John Cox. He is planning to come to our meetings to help represent the law enforcement side of things. The police are planning once school is out, to use the school resource officers to patrol the trails and parks.
USFS	USFS Representative Skabelund looked at Indian Trail today. He feels the project site looks good. Member Harris stated that he is expecting approximately 150 kids on the first day, and a little less on the second day. He is asking them to bring their own shovels. The trails committee has mcleods, pick axes, loppers, shovels, and rakes that he is planning to borrow. Staff Olsen also has tools that can be borrowed if more are needed. Member Harris asked Staff Olsen to set up the volunteer sign up forms. USFS Rep Johanson will send over the Forest Service Volunteer Waiver to be added to the signup form. Member Harris asked that we post on social media that the trail will be worked on ahead of time and also do a post that the trail is closed. He is planning to be on the 22nd Street side on Friday and the Canyon side on Saturday.
Par Course	Member Gentry said things are moving slowly forward. She is working with the graphic arts department. Applied for extensions on the grants.
Shindig	Member Sanchez has created a folder in google with all things Shindig in it. He shared access with everyone. He explained the format that has been discussed in the Shindig meetings. An idea is to have a 5K family friendly race with a corn hole tournament. The committee discussed basing it out of the Ogden Pioneer Stadium, Union Station, and Fort Buenaventura. They discussed the date. Member Sanchez mentioned that we have a sheet for everyone to reach out to vendors to seek donations. Please update the sheet so we do not approach the same vendor multiple times. The committee will discuss the Shindig further tomorrow at the Shindig meeting.
Sign Order	Staff Olsen is preparing a sign order. Please send an email of any signs that need to be replaced. There is a totem near Nature Center north that has nothing on it, she would like to get signs ordered for it and asked if someone from the committee could go look at the totem and determine what signs should be placed on it.
Upcoming Events	Chair Goodrick read through the upcoming events. Member Sorrentino – would like to add projects to the list of events. She will send them over to Staff Olsen to get it updated. She

	mentioned that the Pliking Club is also looking for a new board member that would like to help with events and projects.
Committee Member Updates	Media – Member Scott asked the committee to either text her pictures and content for social media or to email her. Sarah.tibbitts14@gmail.com. TFNU – Member Scott had no updates at this time. Special Event Coordinator – Member Sanchez working to try and get something planned for the shindig. Fundraising Lead – It was discussed that if we would like to do a raffle, we will need to run it through a different organization and then donate the funds to the OTN. Training Lead – He asked if he could set a time to meet with the GIS Manager and look at some climbing access areas. Staff Olsen felt that it is fine for him to reach out directly. Staff Olsen said that she got the sole source form back today and that we are just waiting for a purchase order. Then she can order the tools. We probably won't have them here for his next dig, but we will for sure have them here in time for the dig after that. Bike Park – Member Silberman has some volunteers helping with weeds and doing some work down by the pump track. HS MTB Liaison – Member Harris said we may need to find projects for Fremont and Weber High School Mtn Bike teams. Member Sparks said to send them his way. Project Manager – Member Sparks would like any groups that want to volunteer, he has work for them. Trail Data – Chair Goodrick had no new updates.
Adjourn	Member Sparks motioned to adjourn the meeting. Member Silberman seconded the motion. Committee approved. The Ogden Trails Committee adjourned at 6:20pm.
