**NOTICE TO PRICE CITY UTILITY CUSTOMERS**

Price City's Revised Budget for Fiscal Year 2023-24 includes a transfer of \$2,800,000 from the Electric Fund to the General Fund; the original budget for Fiscal Year 2023-24 included a transfer of \$2,100,000. This transfer represents 30% of the Electric Fund's total budgeted expenditures. The purpose of the transfer is to pay for administrative and overhead costs of the Electric Fund, as well as to help cover the cost of services such as public safety, public works, parks and recreation, and other general governmental services.

The transfer assists in keeping property taxes in Price City low. Private utility companies provide a return on investment in the form of dividends to their investors; Price City provides "dividends" to our rate payers in the form of low-cost services that would otherwise be paid for by a significant increase in property taxes or other user fees.

The Price City Council will hold an enterprise fund public hearing on June 26, 2024, at 5:30 p.m. in the City Council Chambers located at 185 East Main, Price, Utah, to discuss the transfer and to receive public comment. Enterprise fund accounting data for the Electric Fund will be presented during the hearing.

## About Workspace Subscription Plans

PriceUtah

### Flexible Plan

You are billed monthly according to the licenses purchased (not the number of licenses assigned). You can increase or decrease the license count at any time in the HiView Billing Portal. If you unassign a license from the Admin Console, you must also remove the license in the HiView Billing Portal in order to reduce your monthly bill. You can cancel service at any time without penalty.

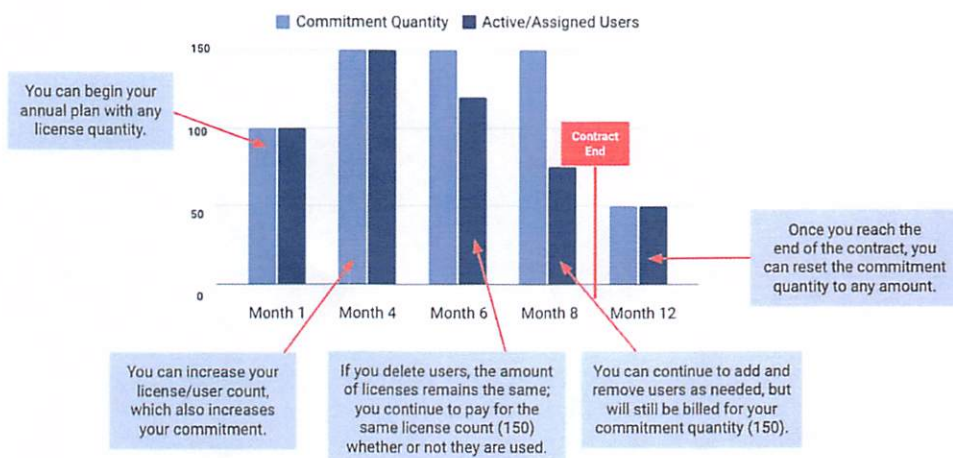

*\*License discounting is not possible for Flexible plans*

### Commitment Plan

You are committed to the service for one or more years. When you add licenses, your new commitment quantity and monthly bill increase for the duration of your commitment term. You cannot reduce your license count or monthly payment—including new licenses added after the beginning of the commitment term—until the commitment term ends.

*\*Recommended for organizations with a steady or growing workforce*

## Commitment Plan Example

**Main takeaway:** For Google subscriptions, you are billed according to your license count, not your user count. On a Commitment plan, you can increase your license count but cannot return to your original count until the contract ends. Please note pricing may change upon your contract renewal depending on available discounts and Google's pricing at the time.
