Payments to Constitute a Current Expense of the Town.** The Town and the Authority acknowledge and agree that the obligation of the Town to pay Base Rentals and Additional Rentals hereunder constitutes a current expense of the Town payable exclusively from Town Funds and shall not in any way be construed to be an obligation or indebtedness of the Town within the meaning of Sections 3 or 4 of Article XIV of the Utah Constitution, or any constitutional or statutory limitation or requirement applicable to the Town concerning the creation of indebtedness. No provision of this Lease shall be construed or interpreted as a lending of the credit of the Town within the meaning of Section 29 of Article VI of the Utah Constitution. Neither the Town, nor the Authority on its behalf, has pledged the credit of the Town to the payment of the Base Rentals, the Additional Rentals, the Purchase Option Price, the Bonds or the interest, if any, thereon, and neither this Lease, the Security Documents, the Master Resolution nor the Bonds shall directly or contingently obligate the Town to apply money, or to levy or pledge any form of taxation, to the payment of the Base Rentals, the Additional Rentals, the Purchase Option Price, the bonds or any interest, if any, thereon except as expressly provided herein.

**Section 6.2. Payment of Base Rentals.** The Town shall pay Base Rentals exclusively from Town Funds. The Town shall pay Base Rentals during the Original Term and any Renewal Term in such amounts as shall be sufficient to pay principal and interest, if any, when due on the Series 2024 Bonds. The Base Rentals shall be payable directly to the Authority in annual payments in such amounts as shall equal the principal payments falling due on the Series 2024 Bonds, either by regularly scheduled maturities or by mandatory sinking fund redemption, on the next succeeding principal payment date and interest falling due on the Series 2024 Bonds on the next interest payment date, such that there shall be on deposit with the Authority at least fifteen (15) days prior to each principal payment date on the Series 2024 Bonds an amount sufficient to make such

payment. Attached hereto as Exhibit “B” is the Base Rental schedule. Notwithstanding anything contained herein to the contrary, no payment of Base Rentals shall be required to be paid prior to delivery of the Project to the Town for occupancy, provided, however, that as substantial portions of the Project are available for operation the Town shall pay Base Rentals in proportion to the portion available. The amount of the Base Rentals otherwise payable by the Town hereunder shall be reduced by an amount equal to (i) earnings on the investment of the Bond Fund, and (ii) any moneys paid by the Authority for the purchase of the Bonds and the cancellation thereof or which are otherwise deposited in the Bond Fund, other than moneys paid as Base Rentals or the Purchase Option Price. Base Rentals due at least fifteen (15) days prior to any Bond payment date shall be in consideration for the use of the Project by the Town during the one-year period succeeding each Bond payment date and for the option to purchase the Project granted herein.

It is understood and agreed by the Town that, subject to the terms of this Lease and the Master Resolution, all Base Rentals payable under this Section 6.2 by the Town, as well as the Purchase Option Price, if paid with respect to the Project, are pledged by the Authority for the benefit of the Bondholders. The Town assents to such pledge. The Authority hereby directs the Town, and the Town hereby agrees to pay to the Authority at its principal office, all Base Rentals payable by the Town pursuant to this Section 6.2 and, if paid, the Purchase Option Price.

The amount of the Base Rentals and Purchase Option Price otherwise payable shall be reduced as appropriate to reflect any redemption of Series 2024 Bonds and/or the purchase of Bonds and the cancellation thereof in advance of their maturity; provided, however, that adequate provision shall be made for the payment of any Additional Bonds or Refunding Bonds. If at any time the amounts held by the Authority in the Bond Fund (other than moneys held for the payment of Bonds not deemed Outstanding) shall be sufficient to pay at the times required the principal of and interest and redemption premium, if any, on all of the Bonds (including any Additional Bonds and Refunding Bonds) then Outstanding, the Town shall not be obligated to pay any further Base Rentals hereunder.

**Section 6.3. Payment of Additional Rentals with Respect to the Project.** In addition to the Base Rental and as part of the total consideration for the use of the Project and the option to purchase the Project, and commencing upon delivery of possession of the Project or any substantial portion thereof, as provided in Section 6.2 of this Lease and continuing throughout the period that the Town pays Base Rentals, the Town shall pay the following Additional Rentals, exclusively from Town Funds, during the Original Term and any Renewal Terms thereof as hereinafter provided:

- (a) the annual fee of the Authority for the ordinary services of the Authority rendered and its ordinary expenses incurred under the Master Resolution;
- (b) the reasonable fees and charges of the Authority and any paying agent appointed under the Master Resolution with respect to the Bonds for acting as paying agent as provided in the Master Resolution;
- (c) the reasonable fees and charges of the Authority for extraordinary services

rendered by it and extraordinary expenses incurred by it as Authority under the Master Resolution;

(d) the reasonable out-of-pocket expenses of the Authority not otherwise required to be paid by the Town under the terms of this Lease;

(e) the costs of maintenance and repair as required under Section 9.1 of this Lease;

(f) the costs of taxes, governmental charges, utility charges, management and operations of expenses, liens and encumbrances as required under Section 9.3 of this Lease;

(g) the costs of casualty, public liability and property damage and worker's compensation insurance as required under Section 9.4, 9.5 and 9.6 of this Lease;

(h) the amount of any tax or excise on the Base Rentals, Additional Rentals, Purchase Option Price or any other tax, however described, levied, assessed or imposed by the United States Government, the State or any political subdivision or any taxing authority thereof against the Authority; and

(i) an amount equal to any franchise, succession, capital levy or transfer tax or any income, excess profits or revenue tax, or any other tax, assessment, charge or levy upon the Base Rentals, Additional Rentals or the Purchase Option Price payable by the Town pursuant to this Lease.

The Additional Rentals specified in subsections (a), (b) and (c) shall be payable to the Authority and shall be due and payable within ten (10) days after notice in writing from the Authority to the Town stating the amount of Additional Rentals then due and payable and the purpose thereof. Except as otherwise provided herein or in the Master Resolution, the Additional Rentals specified in subsections (d), (e), (f), (g), (h) and (i) shall be payable to the Authority or directly to the person or entity with respect to which such costs were incurred and shall be due and payable at such time as the Authority or such person or entity shall require.

**Section 6.4. Manner of Payment.** The Base Rentals, Additional Rentals and, if paid, the Purchase Option Price, shall be paid exclusively from Town Funds and in lawful money of the United States of America. The obligation of the Town to make payment of the Base Rentals and Additional Rentals required under this Article VI and other sections hereof and to perform and observe the other covenants and agreements contained herein shall be absolute and unconditional in all events except as expressly provided hereunder. Notwithstanding any dispute between the Town and the Authority, any Bondholder, any contractor or subcontractor, if any, retained with respect to the acquisition, construction and equipping of the Project, any supplier of labor or materials in connection therewith or any other person, the Town shall pay all payments of Base Rentals and Additional Rentals, from and to the extent of available Town Funds, when due, and shall not withhold any Base Rentals or Additional Rentals pending final resolution of such dispute, nor

shall the Town assert any right of set-off or counterclaim against its obligation to make such payments required hereunder. The obligation of the Town to pay Base Rentals and Additional Rentals during the Original Term and the current Renewal Term shall be absolute and unconditional in all events, except as expressly provided herein, and payment of the Base Rentals and Additional Rentals shall not be abated through accident or unforeseen circumstances.

**Section 6.5. Expression of Need for the Project by the Town; Determination of Purchase Price.** The Town hereby declares that, as of the date of the execution of this Lease, the Town currently has an essential need for the Project which is the subject of this Lease to carry out and give effect to the public purposes of the Town. By the execution hereof, the Town and the Authority hereby agree and determine that the Base Rentals and Additional Rentals payable hereunder are reasonable and that the Purchase Option Price represents, as of the end of the Original Term or any Renewal Term, a reasonable purchase price of the Project. In making such determination the Town and the Authority have given consideration to the costs of construction of the Project, the cost of financing the Project, the uses and purposes for which the Project will be employed by the Town and the benefit to the citizens of the Town by reason of the Town's use and occupancy of the Project pursuant to the provisions of this Lease.

**Section 6.6. Nonappropriation.** In the event that sufficient Town Funds shall not be budgeted and appropriated by the Town prior to the beginning of any Renewal Term for the payment of the (i) Base Rentals becoming due during such Renewal Term, and (ii) such Additional Rentals becoming due during such Renewal Term which can be determined with reasonable accuracy, then an Event of Nonappropriation shall be deemed to have occurred as of the first day of such Renewal Term and the Town shall not be obligated to make payment of the Base Rentals or Additional Rentals provided for herein beyond the last day of the Renewal Term preceding such Event of Nonappropriation. Subject to the provisions of the next succeeding sentence, once the Town has elected to continue this Lease for a Renewal Term by budgeting and appropriating sufficient Town Funds for the payment of Base Rentals and Additional Rentals hereunder the Town shall, as of the first day of such Renewal Term, be obligated to pay such Base Rentals and Additional Rentals during such Renewal Term. If the Town fails to pay any Base Rentals or Additional Rentals due under this Lease, or upon an Event of Nonappropriation, the Town shall immediately quit and vacate the Project and its obligation to pay Base Rentals or Additional Rentals hereunder shall terminate. The Authority shall, upon the occurrence of an Event of Nonappropriation, have all rights and remedies to take possession of the Project as trustee for the benefit of the Bondholders and shall hold in trust for the Bondholders all moneys then on hand and being held in all funds created under the Master Resolution. All property, funds and rights acquired by the Authority by reason of an Event of Nonappropriation as provided herein shall be held by the Authority under the Master Resolution for the benefit of the Bondholders as set forth in said Master Resolution until the principal of, and premium, and interest, if any, on the Bonds are paid in full and any excess shall thereafter be paid to the Town.

The parties hereto agree that, upon the occurrence of an Event of Nonappropriation, the Town shall immediately quit and vacate the Project.

**Section 6.7. Application of Base Rentals, Additional Rentals and Purchase Option Price.** All Base Rentals, the Additional Rentals specified in subsections (a), (b), (c) and (d) of Section 6.3 hereof, and if paid by the Town, the Purchase Option Price shall be paid to the Authority for application in accordance with the Master Resolution.

**Section 6.8. Request for Appropriation.** To the extent permitted by law, the Town covenants and agrees as follows:

(a) During the term of this Lease, the Town covenants and agrees (i) to include in its annual tentative budget prepared by the appropriate officials acting on behalf of the Town in accordance with applicable law an item for expenditure of an amount necessary (after taking into account any moneys then legally available for such purpose, including but not limited to such revenues and receipts, if any, as may be generated by the Town's operation or subleasing of the Project) to pay the Base Rentals and reasonably estimated Additional Rentals (calculated as provided herein) for the Project during the next succeeding Renewal Term, and (ii) to take such further action (or cause the same to be taken) as may be necessary or desirable to assure that the final budget submitted to the governing body of the Town for its consideration seeks an appropriation of moneys sufficient to pay such Base Rentals and Additional Rentals for each such Renewal Term, including all such actions for such purpose as may be required under the Uniform Fiscal Procedures Act, Title 17, Chapter 36, Utah Code Annotated 1953, as amended (the "Uniform Fiscal Procedures Act"). The first such inclusion in the Town's annual tentative budget shall be made under applicable law in the fiscal year prior to the fiscal year commencing January 15, 2025, so that the Base Rentals payable during such Renewal Term and the reasonably estimated Additional Rentals payable during such Renewal Term will have been appropriated for such purpose, and subsequent inclusions in each respective tentative budget for appropriations by the Town shall be made in each fiscal year thereafter so that the Base Rentals to be paid during the succeeding Renewal Term and Additional Rentals payable during such Renewal Term will be available for such purposes as long as the governing body of the Town determines to approve such amount in the final budget as adopted.

(b) To effect the covenants set forth in (a) above, the Town hereby directs its "budget officer" (as such term is defined in the Uniform Fiscal Procedures Act, or any other officer at the time charged with the responsibility of formulating budget proposals) to include in the tentative budget prepared annually by such budget officer or other officer and submitted to the governing body of the Town, in any year in which this Lease is in effect, items for all payments required for the ensuing Renewal Term under this Lease. It is hereby expressed as the intention of the Town that the decision to renew or not to renew the term of this Lease is to be made solely by the governing body of the Town at the time it considers for adoption the final budget for each of its fiscal years and corresponding Renewal Terms hereunder, and not by any official of the Town, acting in his or her individual capacity as such. In this connection, the Town hereby covenants and agrees that such budget officer or other officer shall not amend, modify or otherwise change the appropriations made in any finally adopted budget for the payment of any Base Rentals or Additional Rentals without the express prior approval of the governing body of the Town.

## **ARTICLE VII**

## **ACQUIRING OF THE PROJECT AND ISSUANCE OF SERIES 2024 BONDS**

**Section 7.1. Agreement to Acquire Project.** The Town and the Authority agree that the Authority shall cause the Project to be acquired and constructed as herein provided, all of which acquisition and construction shall be made in accordance with the plans for the Project as approved by the Town and the Authority. The Authority hereby agrees that in order to effectuate the purposes of this Lease, it will make, execute, acknowledge and transmit any contracts, orders, receipts, writings and instructions with any other persons, firms or corporations and in general do all things which may be requisite or proper, all for the acquisition and construction of the Project.

The Authority agrees to acquire the Project through the application of moneys to be disbursed from the Escrow Account (as defined in the Master Resolution) by the Authority upon the authorization of the Authority Representative in accordance with the Master Resolution.

The Authority agrees to cause the acquisition and the construction of the Project to be completed with all reasonable dispatch, and to use its best efforts to cause the same to be completed by January 15, 2025, or as soon thereafter as may be practicable, subject only to delays caused by Force majeure excepted; but if for any reason the Project is not completed by said date, there shall be no resulting liability on the part of the Authority or Event of Default hereunder.

**Section 7.2. Agreement to Issue the Series 2024 Bonds; Application of Bond Proceeds.** In order to provide funds to finance the Project (as described herein), the Authority, concurrently with the execution of this Lease, will issue, sell and deliver to the State Bank the Series 2024 Bonds and the Authority will deposit the proceeds thereof in the Escrow Account as provided in the Master Resolution. Moneys shall be disbursed from the Escrow Account in accordance with the terms of the Escrow Agreement.

**Section 7.3. Establishment of Completion Date; Disbursement of Balance of Escrow Account.** In the event improvements are constructed with bond proceeds, the Completion Date shall be evidenced by a certificate signed by the Authority Representative and the Town Representative stating that, except for amounts retained by the Authority at the direction of the Authority for any Costs of Construction, if applicable, not then due and payable, (i) the acquisition and construction of the Project has been completed in accordance with the plans and specifications and all labor, services, materials and supplies used in such acquisition and, if applicable, construction have been paid for, (ii) all other facilities necessary in connection with the Project have been constructed, acquired and installed to their satisfaction, (iii) the Project is suitable and sufficient for its intended purposes, and (iv) all costs and expenses incurred in the acquisition and construction of the Project have been paid. Notwithstanding the foregoing, such certificate shall state that it is given without prejudice to any rights of the Town for subsequently discovered defects as to the workmanship, operability or suitability of equipment or the like.

Upon completion of the Project, any unexpended balance from proceeds of the Series 2024 Bonds remaining in the Escrow Account shall be deposited in the Bond Fund and used to redeem

the Series 2024 Bonds pursuant to Section 4.1(a) of the Master Resolution. Following the transfer of unexpended funds from the Escrow Account, the Escrow Account will be closed.

**Section 7.4. Investment of Bond Fund Moneys.** Any moneys held as part of the Bond Fund or any other fund created in connection with the issuance of the Bonds shall be invested and reinvested by the Authority in Permitted Investments (as defined in the Master Resolution) and consistent with Section 51-7-11, Utah Code Annotated 1953, as amended.

All such investments shall at all times be a part of the funds from where the moneys used to acquire such investments shall have come, and all income profits on such investments shall be credited to and losses thereof shall be credited against such funds except as expressly provided to the contrary in this Lease. Any investment shall be held by or under the control of the Authority.

The Authority shall sell and reduce the cash in a sufficient amount of such investments whenever the cash balance in the Bond Fund is insufficient to pay the principal of and premium, if any, and interest on the Bonds when due. The Authority and the Town jointly and severally covenant and certify to each other and to and for the benefit of the Bondholders that no use will be made of the proceeds from the issue and sale of the Bonds nor will use be made of moneys in the Bond Fund or any other fund which, if such use had been reasonably expected on the date of issuance of the Bonds, would have caused the Bonds to be classified as arbitrage bonds within the meaning of Section 148 of the Code, and any regulations promulgated thereunder. Pursuant to such covenant, the Authority and the Town obligate themselves to comply throughout the term of the Bonds with the requirements of Section 148 of the Code and any regulations promulgated thereunder.

## **ARTICLE VIII**

### **TITLE TO THE PROJECT; CONVEYANCE TO THE TOWN; SECURITY INTEREST**

**Section 8.1. Title to the Project.** Title to the Project and any and all additions, repairs, replacements or modifications thereto, shall be held in the name of the Authority, subject to Permitted Encumbrances, at all times until conveyed to the Town as provided in Section 12.1. The Town shall not have any right, title or interest in the Project or any additions, repairs, replacements, modifications or fixtures thereto except as expressly set forth herein.

**Section 8.2. Security Interest.** To secure the payment of all of the obligations of the Authority under the Master Resolution, the Authority shall grant to the Bondholders a security interest in the Project, the Base Rentals and Additional Rentals received by the Authority under this Lease, and all other rights to receive payments. Upon execution of this Lease, the Town and the Authority agree that the Authority shall execute the Security Documents and the Master Resolution. The Master Resolution creates a valid and binding pledge and assignment of and security interest in all of the personal property pledged as part of the Project, in favor of the Bondholder as security for payment of the Bonds, enforceable by the Bondholder in accordance with the terms thereof.

Under the laws of the State, such pledge and assignment and security interest is automatically perfected by Section 11-14-501, Utah Code Annotated 1953, as amended, and is and shall be prior to any judicial lien hereafter imposed on the personal property pledged as part of the Project to enforce a judgment against the Authority on a simple contract.

## **ARTICLE IX**

### **MAINTENANCE; TAXES; INSURANCE; AND OTHER CHARGES**

**Section 9.1. Maintenance of the Project by the Town.** The Town shall, at its own expense, from available Town Funds, operate, manage, keep and maintain the Project in good working order, condition and repair, including replacements of a capital nature when necessary, and including periodic painting as reasonably determined by the Authority and in accordance with all operating and maintenance manuals and all applicable laws, rules, ordinances, orders and regulations as shall be in effect from time to time of (1) any federal, state, county, municipal, or other governmental or quasi-governmental agencies and bodies having or claiming jurisdiction thereof and all their respective departments, bureaus, and officials; (2) the insurance underwriting board or insurance inspection bureau having or claiming jurisdiction thereof; and (3) all insurance companies insuring all or any part of the Project. The foregoing shall not be construed to prohibit the Town from challenging the validity or applicability of such laws, rules, ordinances, orders and regulations and to defer compliance until the challenge has been completed.

Without limiting the generality of the foregoing, the Town shall, at the Town's sole cost and expense, as if the Town were the absolute owner thereof, from available Town Funds, assume all responsibility for the Project (including all surfaces of the buildings and entrances thereto, foundations, ceilings, roof, all glass and show window moldings and all partitions, doors, fixtures, equipment, and appurtenances thereto, including lighting and plumbing systems and fixtures, sewage facilities, electric motors and heating, ventilating and air-conditioning systems, and all landscaping, parking lots, driveways, fences and signs located on the Project Site and all sidewalks and parkways located adjacent to the Project Site) and pay all costs of any kind (including operating costs and costs of repair, whether of a capital nature or otherwise) associated therewith.

**Section 9.2. Modification of the Project.** The Town shall have the privilege of remodeling the Project or making substitutions, additions, modifications and improvements thereto, at its own cost and expense, and the same shall be subject to this Lease, the Master Resolution and the Security Documents, and shall also be included under the terms hereof and thereof; provided, however, that such remodeling, substitutions, additions, modifications and improvements shall not in any way damage the Project or cause it to be used for purposes other than those authorized under the provisions of this Lease, and the Constitution and laws of the State; and provided, however, that the Project, as remodeled, improved or altered upon completion of such remodeling, substitutions, additions, modifications and improvements made pursuant to this Article IX shall be of a fair rental value not less than the fair rental value of the Project immediately prior to the remodeling or the making of substitutions, additions, modifications and improvements. The Town shall not permit any mechanic's or other lien to be established or remain against the Project for labor or materials

furnished in connection with any remodeling, substitutions, additions, modifications, improvements, repairs, renewals or replacements so made by the Town; provided, however, that if the Town shall first notify the Authority of the intention of the Town so to do, the Town may in good faith contest any mechanic's or other lien filed or established against the Project, and in such event may permit the items so contested to remain undischarged and unsatisfied during the period of such contest and any appeal therefrom unless the Authority shall notify the Town that, in the opinion of Independent Counsel, by nonpayment of any such items the security afforded pursuant to the terms hereof and pursuant to the Master Resolution and the Security Documents will be materially endangered or the Project or any part thereof will be subject to loss or forfeiture, in which event the Town shall promptly pay and cause to be satisfied and discharged all such unpaid items. The Authority will cooperate fully with the Town in any such contest, upon the request and at the expense of the Town. Any property for which a substitution or replacement is made pursuant to this Section 9.2 may be disposed of by the Town in any manner and in the sole discretion of the Town.

**Section 9.3. Taxes, Other Governmental Charges and Utility Charges.** In the event that the Project or any portion thereof shall, for any reason, be deemed subject to taxation, assessments or charges lawfully made by any governmental body which may be secured by a lien against the Project, an Additional Rental, from and to the extent of Town Funds, shall be paid by the Town equal to the amount of all such taxes, assessments and governmental charges then due. With respect to special assessments or other governmental charges which may be lawfully paid in installments over a period of years, the Town shall be obligated to provide for Additional Rentals only for such installments as are required to be paid during that period that the Town is obligated to pay Base Rentals. The Town shall not allow any liens for taxes, assessments or governmental charges to exist (including, without limitation, any taxes levied which, if not paid, will become a charge on the rentals and receipts prior to or on a parity with the charge thereon and the pledge and assignment thereof to be created and made in the Master Resolution), or any interest therein (including the interest of the Authority) or the rentals and revenues derived therefrom or hereunder. The Town shall also pay as Additional Rentals, from and to the extent of available Town Funds, as the same respectively become due, all gas, water, steam, electricity, heat, power, telephone, utility and other charges incurred in the operation, maintenance, use, occupancy and upkeep of the Project.

As long as the Town is in possession of the Project and except as otherwise provided herein, it shall keep it free and clear of all liens, charges and encumbrances (except Permitted Encumbrances and any encumbrances arising through the Authority) and shall have the responsibility for all management, operations, maintenance and repair of the Project. The Town in its discretion may discharge such responsibility by: (1) using its own employees; or (2) contracting for services; or (3) subleasing portions of the Project, subject to the provisions hereof and of the Master Resolution; or (4) any combination of such methods. No such contract shall place a greater burden on the Authority hereunder, nor violate or in any way impair the Authority's obligations under the Master Resolution or any other instrument, if any, securing any debt or borrowings by the Authority, all or substantially all the proceeds of which are to be used to finance the Project. The Authority does not agree to provide anything more than the Project as herein defined. The Authority does not agree to provide anything more than the Project as herein defined, and shall have no obligation to incur any expense of any kind or character in connection with the management,

operation, or maintenance of the Project during the Lease Term.

The Town may, at the expense and in the name of the Town, in good faith contest any such taxes, assessments, utility and other charges and, in the event of any such contest, may permit the taxes, assessments or other charges so contested to remain unpaid during the period of such contest and any appeal therefrom provided the Town shall first deposit with the Authority, or in court, a bond or other security satisfactory to Authority pursuant to Section 1.18 of the Deed of Trust, Assignment of Rents and Security Agreement delivered by the Authority unless the Authority shall notify the Town that, in the opinion of Independent Counsel, by nonpayment of any such items the security afforded pursuant to the terms hereof and pursuant to the Master Resolution and the Security Documents will be materially endangered or the Project or any portion thereof will be subject to loss or forfeiture, in which event such taxes, assessments or charges shall be paid forthwith. In the event that the Town shall fail to pay any of the foregoing items required by this Section 9.3 to be paid by the Town, the Authority may (but shall be under no obligation to) pay the same, which amounts the Town agrees to pay, from and to the extent of available Town Funds.

**Section 9.4. Provisions Respecting Insurance.** The Town agrees to insure or cause to be insured the Project against loss or damage of the kinds usually insured against by public bodies similarly situated, including, without limitation, policies of casualty and property damage insurance, by means of policies issued by reputable insurance companies duly qualified to do such business in the State with a uniform standard coverage endorsement limited only as may be provided in the standard form of extended coverage endorsement at that time in use in the State, in amounts that are not less than full insurable value of the Project. The term “full insurable value” as used herein shall mean the actual replacement value, or at the option of the Town any lesser amount which is equal to or greater than the amount of all of the Bonds then Outstanding. Alternatively, the Town may insure or cause to be insured under a blanket insurance policy or policies or under self-insurance which cover not only the Project but other properties in the amounts required by the previous sentence. If a program of self-insurance is used, (i) such program must provide for disbursements therefrom without the approval of the governing body of the Town and (ii) such program shall be reviewed at least annually by an actuarial consultant, to insure that the reserves established are sufficient for the risks intended to be covered by such program. If self-insurance is not utilized, the policies may have a deductible clause in an amount not to exceed \$100,000.

Any insurance policy issued pursuant to the preceding paragraph of this Section 9.4 shall be so written or endorsed as to make losses, if any, payable to the Authority under the Master Resolution. The Net Proceeds of the insurance required in this Section 9.4 shall be applied as provided in Section 10.2 or, at the option of the Town, Section 10.3 of this Lease. The Town may settle, adjust or compromise any claims for loss, damage or destruction under any policy or policies of insurance only with written approval of the Authority. Each insurance policy provided for in Section 9.4 of this Lease shall contain a provision to the effect that the insurance company shall not cancel the policy or modify it materially and adversely to the interest of the Town or the Authority without first giving written notice thereof to the Town, the Authority and the State Bank at least ten (10) days in advance of such cancellation or modification. Copies of all insurance policies issued pursuant to Section 9.4 or Section 9.5 of this Lease, or certificates evidencing such policies, shall

be deposited with the Authority.

**Section 9.5. Public Liability Insurance.** The Town agrees to carry or cause to be carried public liability insurance with one or more reputable insurance companies in minimum amounts of \$500,000 for the death of or personal injury to one person and \$1,000,000 for personal injury or death for each occurrence and \$300,000 for property damage for any occurrence. The Authority shall be made additional insured under such policies. The insurance required by this Section 9.5 may be by blanket insurance policy or policies or self-insurance meeting the requirements of Section 9.4 hereof. If self-insurance is not utilized, the policies may have a deductible clause in such amount as shall be approved by the Authority.

**Section 9.6. Worker's Compensation Coverage.** At all times from the date hereof until the end of the Lease Term, the Town shall maintain, or cause to be maintained, worker's compensation coverage with respect to officers, agents and employees of the Town working in, on or about the Project, including coverage for occupational diseases.

**Section 9.7. Advances.** In the event that the Town shall fail to maintain the full insurance coverage required by this Lease or shall fail to keep the Project in good repair and operating condition, the Authority may (but shall be under no obligation to) take out the required policies of insurance and pay the premium on the same or may make such repairs or replacements as are necessary and provide for payment thereof; which amounts the Town agrees to pay, from and to the extent of available Town Funds.

**Section 9.8. Failure to Provide Insurance.** In the event the Authority pays for any insurance policies required by this Article, the Town will promptly pay directly to the Authority all premiums for said insurance, and until payment is made by the Town therefor, the amount of all such premiums which have been paid by the Authority shall bear interest at the per annum rate of 18%. The Town shall, upon the Authority's reasonable request, deposit with the Authority in monthly installments an amount equal to one-twelfth of the estimated aggregate annual insurance premiums on all policies of insurance required by this Article. The Town further agrees, upon the Authority's request, to cause all bills, statements or other documents relating to the foregoing insurance premiums to be sent or mailed directly to the Authority. If at any time and for any reason the funds deposited with the Authority are or will be insufficient to pay such amounts as may then or subsequently be due, the Authority shall notify the Town and the Town shall immediately deposit an amount equal to such deficiency with the Authority.

**Section 9.9. Evidence and Notice Regarding Insurance.** Evidence of the insurance required by Sections 9.4 and 9.5 hereof shall be provided by the Town to the Authority annually on or before the anniversary date of issuance of the Bonds. Policies providing said insurance shall require that notice of cancellation of any said insurance must be furnished to the Authority and the State Bank by the insurance carrier thirty (30) days in advance of cancellation.

## **ARTICLE IX**

## **DAMAGE, DESTRUCTION AND CONDEMNATION; USE OF NET PROCEEDS**

**Section 10.1. Damage, Destruction and Condemnation.** If, prior to the termination of the Lease Term and the payment in full of the Bonds (or the making of provisions for the payment thereof in accordance with the Master Resolution) (i) the Project or any material portion thereof shall be destroyed (in whole or in part), or damaged by fire or other casualty; or (ii) title to, or the temporary or permanent use of the Project or any material portion thereof or the estate of the Town or the Authority in the Project or any material portion thereof shall be taken under the exercise of the power of eminent domain by any governmental body or by any person, firm or corporation acting under governmental authority; or (iii) a material defect in construction of the Project shall become apparent; or (iv) title to or the use of all or any material portion of the Project shall be lost by reason of a defect in title thereto, the Town shall be obligated, subject to the provisions of Section 10.3 of this Lease, to continue to pay the amounts specified in Sections 10.2, 6.2 and 6.3 of this Lease regardless of whether the Project shall have been accepted.

**Section 10.2. Obligation of the Town to Repair and Replace the Project.** Subject to the provisions of Section 10.3 of this Lease, the Town shall cause the Net Proceeds of any insurance policies, performance bonds or condemnation awards with respect to the Project to be deposited into a separate trust fund with the Authority. All Net Proceeds so deposited shall be applied to the prompt repair, restoration, modification or improvement of the Project by the Town upon receipt of a requisition acceptable to the Authority signed by the Town Representative, stating with respect to each payment to be made: (i) the requisition number; (ii) the name and address of the person, firm or corporation to whom payment is due; (iii) the amount to be paid; (iv) that each obligation mentioned therein has been properly incurred, is a proper charge against the separate trust fund, and has not been the basis of any previous withdrawal and specifying in reasonable detail the nature of the obligation, accompanied by a bill or a statement of account for such obligation; and (v) such other documents and information as the Authority requires. The balance of any such Net Proceeds remaining after such repair, restoration, modification or improvement has been completed shall be transferred to the Bond Fund to be applied to the payment of the principal or, premium, if any, and interest, if any, on the Bonds, or if said Bonds shall have been fully paid (or provision for payment thereof has been made in accordance with the provisions of the Master Resolution), any balance remaining in such separate trust fund shall be paid to the Town. If the Net Proceeds shall be insufficient to pay in full the cost of any repair, restoration, modification or improvement or to redeem all Outstanding Bonds, the Town shall, from and to the extent of available Town Funds, complete the work and pay any cost in excess of the amount of the Net Proceeds. The Town agrees that, if by reason of any such insufficiency of the Net Proceeds, the Town shall make any payments pursuant to the provisions of this Section 10.2, the Town shall not be entitled to any reimbursement therefor from the Authority or the Bondholders nor shall the Town be entitled to any diminution of the Base Rentals and Additional Rentals payable under Sections 6.2 and 6.3 of this Lease. The Town further agrees that any repair, restoration, modification or improvement paid for in whole or in part out of such Net Proceeds shall be subject to the security afforded by the Master Resolution, this Lease and the Security Documents, and shall be included under the terms hereof.

**Section 10.3. Discharge of the Obligation of the Town to Repair and Replace the Project.** In the event that the Net Proceeds of any insurance policy, performance bond or condemnation award made available by reason of an occurrence described in Section 10.1 of this Lease shall be insufficient to pay in full the cost of any repair, restoration, or modification of the Project required under Section 10.2 of this Lease, then the obligation to repair and replace the Project under Section 10.2 of this Lease may, at the option of the Town, be discharged by depositing the Net Proceeds of the insurance policies, performance bonds or condemnation awards made available by reason of such occurrence into the Bond Fund. Upon the deposit of such Net Proceeds in the Bond Fund, the Town shall have no further obligation for the payment of Base Rentals and Additional Rentals hereunder, and possession of the Project as well as all rights created pursuant to this Lease and interest of the Town and the Authority therein and in any funds or accounts created under the Master Resolution (except for moneys held for the payment of Bonds not then deemed Outstanding), shall be surrendered to the Bondholder. Thereafter, the Project may be liquidated pursuant to the provisions of the Master Resolution and Security Documents and the proceeds of such liquidation and the Net Proceeds of any insurance policy, performance bond or condemnation award so deposited in the Bond Fund, as well as all other moneys on deposit in any fund created under the Master Resolution (except moneys held for the payment of Bonds not then deemed Outstanding), shall be applied to the redemption of the Bonds on the next succeeding redemption date. Such redemption of the Bonds shall be made upon full or partial payment of the principal amount of the Bonds then Outstanding and accrued interest thereon, if any, all in accordance with the Master Resolution. In the event that available moneys shall be insufficient to redeem said Bonds by payment of an amount equal to the Outstanding principal amount thereof and accrued interest, if any, to the redemption date, no further claim for payment may be had by the Bondholders against the Authority or the Town, as provided in the Master Resolution.

**Section 10.4. Cooperation of the Authority.** The Authority shall cooperate fully with the Town at the expense of the Town in filing any proof of loss with respect to any insurance policy or performance bond covering the events described in Section 10.1 of this Lease and in the prosecution or defense of any prospective or pending condemnation proceeding with respect to the Project or any portion thereof or any property of the Town in connection with which the Project is used and will, to the extent it may lawfully do so, and shall permit the Town to litigate in any proceeding resulting therefrom in the name and on behalf of the Authority. In no event will the Authority voluntarily settle, or consent to the settlement of, any proceeding arising out of any insurance claim or any prospective or pending condemnation proceeding or any part thereof without the written consent of the Town Representative.

**Section 10.5. Condemnation of Property Owned by the Town.** The Town shall be entitled to the Net Proceeds of any condemnation award or portion thereof made for destruction of, damage to or taking of its property not included in the Project.

## **ARTICLE XI**

### **DISCLAIMER OF WARRANTIES; COMPLIANCE WITH LAWS AND RULES; OTHER COVENANTS**

**Section 11.1. Disclaimer or Warranties.** THE AUTHORITY MAKES NO WARRANTY OR REPRESENTATION, EITHER EXPRESS OR IMPLIED, AS TO THE VALUE, DESIGN, CONDITION, MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR FITNESS FOR USE OF THE PROJECT OR ANY OF THE EQUIPMENT OR FIXTURES THEREIN OR ANY OTHER REPRESENTATION OR WARRANTY. In no event shall the Authority be liable for any incidental, indirect, special or consequential damage in connection with or arising out of this Lease or the existence, furnishing, functioning or the use by the Town of any item, product or service provided for herein.

**Section 11.2. Further Assurances and Corrective Instruments.** The Town and the Authority agree that they will, from time to time, execute, acknowledge and deliver, or cause to be executed, acknowledged and delivered, such supplements hereto and such further instruments as may reasonably be required for correcting any inadequate or incorrect description of the Project hereby leased or intended so to be or for carrying out the intention hereof.

**Section 11.3. Town and Authority Representatives.** Whenever under the provisions hereof the approval of the Town or the Authority is required, or the Town or the Authority is required to take some action at the request of the other, such approval or such request shall be given for the Town by the Town Representative and for the Authority by the Authority Representative, and any party hereto and the Authority shall be authorized to act on any such approval or request.

**Section 11.4. Requirements of Law.** During the Lease Term, the Town and the Authority shall observe and comply promptly with all current and future laws, ordinances, orders, rules and regulations as the same become effective, of the federal, state, city and county governments and of all courts or other governmental authorities having jurisdiction over the Project or any portion thereof and of all their respective departments, bureaus and officials, and of the insurance regulatory agencies having jurisdiction over the Project, or any portion thereof, or any other body exercising similar functions, and of all insurance companies writing policies covering the Project or any portion thereof, whether the same are in force at the commencement of the Lease Term or may in the future be passed, enacted or directed.

**Section 11.5. Inspection of the Project.** The Town and the Authority agree that the Bondholders or their duly authorized agents shall have the right at all reasonable times to enter upon the Project and to examine and inspect the Project. The Authority and its duly authorized agents shall also be permitted, at all reasonable times, to examine the books, records, reports and other papers of the Town and the Authority with respect to the Project.

**Section 11.6. Granting of Easements.** As long as no Event of Nonappropriation or an Event of Default with respect to the Project shall have happened and be continuing, the Town may at any time or times grant easements, licenses, rights of way (including the dedication of public highways) and other rights or privileges in the nature of easements with respect to any property or rights included in this Lease and the Master Resolution, free from the security interest afforded by or under this Lease, the Master Resolution and the Security Documents or the Town may release existing easements, license, rights of way and other rights and privileges with or without

consideration, and the Authority agrees that it shall execute and deliver any instrument necessary or appropriate to confirm and grant or release any such easement, license, right of way or other grant or privilege upon receipt of: (i) a copy of the instrument of grant or release; (ii) a written application signed by the Town Representative requesting such instrument and stating that such grant or release will not impair the effective use or interfere with the operation of the Project or any material portion thereof; and (iii) an opinion of Independent Counsel that such grant or release will not materially weaken, diminish or impair the security granted to the Bondholders and contemplated hereby or hereunder or under the Master Resolution or the Security Documents.

**Section 11.7. Refunding Bonds.** Refunding Bonds may be issued by the Authority in accordance with the provisions of this Section 11.7 and Section 3.8 of the Master Resolution. Prior to, or concurrently with, the issuance of and delivery of Refunding Bonds, the Authority shall pay, or make provision for the payment of, all Bonds then Outstanding (other than such Refunding Bonds) as set forth in Article IX of the Master Resolution.

**Section 11.8. Issuance of Additional Bonds.** Additional Bonds may be issued by the Authority in accordance with the provisions of Section 4.9 of the Master Resolution and with a corresponding effect on the Base Rentals and Additional Rentals due hereunder.

## **ARTICLE XII**

### **CONVEYANCE OF THE PROJECT**

**Section 12.1. Conveyance of the Project.** The Authority's right and interest in and to the Project shall be transferred, conveyed and assigned by the Authority to the Town:

- (a) Upon payment by the Town of the then applicable Purchase Option Price and upon giving not less than thirty (30) days prior written notice to the Authority; or
- (b) Upon payment by the Town of all Base Rentals and Additional Rentals required to be paid under this Lease during the Original Term and each of the Renewal Terms; or
- (c) Upon the discharge of the lien of the Master Resolution under Article X thereof.

The Authority agrees to execute such documents and instruments as shall be necessary to effect a release of the security interest granted by said Master Resolution or the Security Documents upon the payment in full of the Bonds.

**Section 12.2. Conveyance on Purchase of Project.** At the closing of any purchase of the Project pursuant to the option to purchase granted in this Lease, the Authority shall, upon receipt of the Purchase Option Price, or upon the payment by the Town of all Base Rentals and Additional Rentals required, or upon discharge of the lien of the Master Resolution as the case may be, deliver

to the Town the following:

(a) If necessary, a release by the Authority of the lien under the Master Resolution and Security Documents, together with any other instrument necessary or appropriate to release any security interest granted by this Lease with respect to such Project, the Master Resolution and Security Documents.

(b) All necessary documents conveying to the Town good and marketable title to the Project as it then exists subject to the following: (i) those liens and encumbrances created by the Town or to the creation or suffering of which the Town consented; (ii) those liens and encumbrances resulting from the failure of the Town to perform or observe any of the agreements on its part contained in this Lease; and (iii) Permitted Encumbrances, other than the Master Resolution, this Lease, the Security Documents and any financing statements filed by the Authority pursuant to this Lease with respect to the Project or the Master Resolution.

**Section 12.3. Relative Position of Option and Master Resolution.** The purchase option granted to the Town in this Article XII with respect to the Project shall be and remain prior and superior to the Master Resolution and the Security Documents and may be exercised whether or not an Event of Nonappropriation or an Event of Default shall have occurred and be continuing hereunder or under the Master Resolution and the Security Documents; provided, however, that such option must be exercised before the later of (i) ninety (90) days after notification in writing by the Authority to the Town of the occurrence of an Event of Default under the Master Resolution, the Lease or the Security Documents or (ii) the ultimate disposition of the Project upon exercise of any available foreclosure remedy, and further provided that, as a condition of the exercise of such option, the Town must pay, in addition to the Purchase Option Price, any interest payment deficiencies accruing from the date of the Event of Default or Event of Nonappropriation.

## **ARTICLE XIII**

### **ASSIGNMENT, SUBLEASING, INDEMNIFICATION AND SELLING**

**Section 13.1. The Authority to Grant Security Interest to Bondholder.** The parties hereto agree that pursuant to the Master Resolution and the Security Documents, the Authority shall and does hereby pledge and assign to the Bondholders all of the Authority's right, title and interest in this Lease, except the Authority's rights to compensation from the Town for expenses of the Authority under Section 6.3(d) of this Lease, the Authority's rights to indemnification from the Town under Section 13.3 of this Lease and the obligation of the Town to pay any attorneys' fees and expenses incurred by the Authority under Section 14.5 of this Lease.

**Section 13.2. Assignment and Subleasing by the Town.** This Lease may not be assigned by the Town for any reason. The Town may, with the written consent of the Authority, enter into a sublease of all or portions of the Project without the necessity of obtaining the consent of any

Bondholder; subject, however, to each of the following conditions:

- (a) the Project may only be subleased or assigned to a municipality, county, district, nonprofit corporation, if those nonprofit corporations were formerly public bodies, or an agency or department of the State;
- (b) this Lease and the obligations of the Town to make payment of Base Rentals and Additional Rentals hereunder shall at all times during the Lease Term remain obligations of the Town notwithstanding any sublease;
- (c) the Town shall, prior to the execution of a sublease, furnish or cause to be furnished to the Authority a true and complete copy of each sublease;
- (d) no sublease shall cause the Project, in whole or in part, to be used for a purpose other than a governmental or proprietary public function authorized under the provisions of the Constitution and laws of the State; and
- (e) any such sublease shall be expressly subordinate to the rights of the Authority and the Bondholders under the Master Resolution, this Lease and the Security Documents.

After an Event of Nonappropriation or an Event of Default and the foreclosure of the security afforded under the Lease, the Master Resolution or the Security Documents, the Authority may collect the amount of the Base Rentals and Additional Rentals allocable to any sublease from any and all sublessees.

The Authority shall be empowered, after an Event of Nonappropriation or an Event of Default and the foreclosure of the security afforded under this Lease, the applicable Master Resolution or the applicable Security Documents with respect to the Project, to collect the amount of the Base Rentals and Additional Rentals allocable to any sublease from any and all sublessees, and apply the net amount collected to the Base Rentals and Additional Rentals required herein with respect to the Project, but no such collection shall be deemed a waiver of any agreement, term, covenant or condition hereof, or the acceptance of any sublessee as lessee hereunder.

**Section 13.3. Release and Indemnification Covenants.** To the extent of the Net Proceeds of the insurance coverage of the Town and the contractor's performance and payment bonds for the Project required hereunder, the Town shall and hereby agrees to indemnify and save the Authority harmless against and from all claims, by or on behalf of any person, firm, corporation or other legal entity arising from the conduct or management of, or from any work or thing done on, the Project during the Lease Term from: (i) any condition of the Project; and (ii) any act or negligence of the Town or of any of its agents, contractors or employees or any violation of law or the breach of any covenant or warranty hereunder. The Town shall indemnify and save the Authority harmless, from and to the extent of available moneys as set forth above, from any such claim arising as aforesaid from (i) or (ii) above, or in connection with any action or proceeding brought thereon and, upon notice from the Authority, shall defend them or either of them in any action or proceeding.

In exchange for the Town's agreement to indemnify the Authority as provided in this Section 13.3, the Authority hereby agrees to assert any cause of action that it might have against any third parties for the benefit of the Town. Furthermore, in no event will the Authority voluntarily settle or consent to the settlement of any proceeding arising out of any claim applicable to the Project without the written consent of the Town Representative.

**Section 13.4. References to Bonds Ineffective After Bonds Paid.** Upon payment in full of the Bonds (or provision for payment thereof having been made in accordance with the provisions of the Master Resolution) and all fees and charges of Authority, all references in this Lease to said Bonds shall be ineffective and the Bondholders shall thereafter have no rights hereunder, saving and excepting those that shall have theretofore vested.

**Section 13.5. Installation of the Furnishings and Machinery of the Town.** The Town may from time to time in its sole discretion and at its own expense, install machinery, equipment and other tangible property in the Project. All such machinery, equipment and other tangible property, except any machinery, equipment and other tangible property substituted for machinery, equipment and tangible property purchased with proceeds of the Bonds as provided in Section 13.6, shall remain the sole property of the Town, in which the Authority shall have no interest and may be removed by the Town at any time; provided, however, that the Town shall be obligated to repair any damage to the Project, at its own cost and expense, resulting from any such removal.

**Section 13.6. Equipment Purchased with Proceeds of the Bonds.** Any item of equipment shall be labeled, to the extent practicable, to indicate that it is owned by the Authority, subject to the Master Resolution, the Security Documents and this Lease. Equipment of the Project financed with proceeds of the bonds may not be relocated by the Town from the Project. Any item of such equipment which shall be determined by the Town to be no longer usable in connection with the Project may be sold by the Town after written notice to the Authority and upon (i) substitution of equipment of comparable or greater value or (ii) deposit of the proceeds thereof in the Bond Fund. Upon any such sale, the equipment so sold shall be released from the Master Resolution, this Lease, the Security Documents and the security interest created thereunder and hereunder.

## **ARTICLE XIV**

### **EVENTS OF DEFAULT AND REMEDIES**

**Section 14.1. Events of Default Defined.** Any one of the following shall be an "Event of Default" under this Lease:

- (a) Failure by the Town to pay any Base Rentals or Additional Rentals required to be paid under Sections 6.2 and 6.3 of this Lease at the time specified therein, in the absence of an Event of Nonappropriation, for a period of five (5) days after written notice, specifying such failure and requesting that it be remedied, given to the Town by the Authority or, in any event, a failure by the Town to make such payments within fifteen (15) days after the date on which they are due; or

(b) Failure by the Town to observe and perform any covenant, condition or agreement on its part to be observed or performed, other than as referred to in (a), for a period of thirty (30) days after written notice, specifying such failure and requesting that it be remedied, given to the Town by the Authority, unless the Authority shall agree in writing to an extension of such time prior to its expiration; provided, however, that if the failure stated in the notice cannot be corrected within the applicable period, the Authority shall not unreasonably withhold its consent to an extension of such time if corrective action shall be instituted by the Town within the applicable period and diligently pursued until the default is corrected; or

(c) The Town shall abandon any material portion of the Project; or

(d) The Town's interest in this Lease or any part thereof with respect to the Project shall be assigned or transferred without the written consent of the Authority, either voluntarily or by operation of law, except as permitted hereunder; or

(e) The Town shall file any petition or institute any proceedings wherein or whereby the Town seeks to be adjudicated a bankrupt, or to be discharged from any and all of its debts or obligations, or offers to the Town's creditors to effect a composition or extension of time to pay the Town's debts, or seeks a reorganization or a readjustment of the Town's debts, or for any other similar release, or any such petition or any such proceedings of the same or similar kind or character shall be filed, or instituted or taken against the Town and the same shall not have been dismissed or otherwise resolved in favor of the Town within sixty (60) days from the filing or institution thereof.

The foregoing provisions of this Section 14.1 are subject to the following limitations: (i) the obligations of the Town to make payments of the Base Rentals and the Additional Rentals as provided in Sections 6.2 and 6.3 of this Lease shall be subject to the occurrence of an Event of Nonappropriation; and (ii) if, by reason of Force Majeure, the Town shall be unable in whole or in part to carry out any agreement on its part herein contained, other than the obligations of the Town contained in Article VI hereof, the Town shall not be deemed in default during the continuance of such inability. The Town agrees, however, to remedy with all reasonable dispatch the cause or causes preventing the Town from carrying out its agreement; provided, however, that the settlement of strikes, lockouts and other industrial disturbances shall be entirely within the discretion of the Town, and the Town shall not be required to make settlement of strikes, lockouts and other industrial disturbances by acceding to the demands of the opposing party or parties when such course is, in the judgment of the Town, unfavorable to the Town.

**Section 14.2. Remedies on Default.** Whenever an Event of Default referred to in Section 14.1 of this Lease shall have happened and be continuing, the Authority shall have the right, at its option or at the direction of the Bondholders as provided in the Master Resolution without any further demand or notice, to take one or any combination of the following remedial steps:

(a) Immediately reenter and take possession of the Project; or

(b) Take whatever action at law or in equity may appear necessary or desirable to enforce their or its rights in and to the Project.

The obligation of the Town to vacate the Project as provided in Section 6.6 of this Lease shall also apply to an Event of Default. Any amounts collected pursuant to action taken under this Section 14.2 shall be paid into the Bond Fund and applied in accordance with the provisions of the Master Resolution.

**Section 14.3. Limitations on Remedies.** No judgment requiring a payment of money may be entered against the Town by reason of an Event of Default or an Event of Nonappropriation under this Lease. In the event the security interest created under the Master Resolution, this Lease or the Security Documents shall be foreclosed subsequent to the occurrence of an Event of Default or an Event of Nonappropriation, no deficiency judgment may be entered against the Town or the Authority.

**Section 14.4. No Remedy Exclusive.** No remedy herein conferred upon or reserved to the Authority is intended to be exclusive, and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or now or hereafter existing at law or in equity. No delay or omission to exercise any right or power accruing upon an Event of Default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Authority to exercise any remedy reserved in this Article XIV, it shall not be necessary to give any notice, other than such notice as may be required in this Article XIV.

**Section 14.5. Agreement to Pay Attorneys' Fees and Expenses.** In the event that either party hereto shall default under any of the provisions hereof and the non-defaulting party shall employ attorneys or incur other expenses for the collection of Base Rentals and Additional Rentals, or the enforcement of performance or observance of any obligation or agreement on the part of the defaulting party herein contained, the defaulting party agrees that it shall on demand therefor pay to the non-defaulting party the fees of such attorneys and such other expenses so incurred by the non-defaulting party, to the extent that such attorneys' fees and expenses may be determined to be reasonable by a court of competent jurisdiction; provided, however, that the obligation of the Town under this Section 14.5 shall be subject to the availability of Town Funds.

**Section 14.6. No Additional Waiver Implied by One Waiver.** In the event that any agreement contained herein should be breached by either party and thereafter waived by the other party, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other breach hereunder.

## **ARTICLE XV**

Severability.** In the event any provision of this Lease shall be held invalid or unenforceable by any court of competent jurisdiction, such holding shall not invalidate or render unenforceable any other provision hereof and in the event any provision of this Lease were to invalidate the Bonds, such provision shall be rendered invalid and unenforceable, but shall not invalidate or render unenforceable any other provision hereof.

**Section 15.5. Amounts Remaining in Bond Fund; Dissolution.** It is agreed by the parties hereto that any amounts remaining in the Bond Fund upon expiration or sooner termination of the Lease Term, as provided in this Lease, after payment in full of the Bonds (or provision for payment thereof having been made in accordance with the provisions of the Master Resolution) and the fees and expenses of the Authority and any paying agents in accordance with the Master Resolution, shall belong to and be paid to the Town by the Authority as an overpayment of Base Rentals and Additional Rentals. **Section 15.8. **Section 15.9. Applicable Law.** This Lease shall be governed by and construed in accordance with the laws of the State.

**Section 15.10. Captions.** The captions or headings in this Lease are for convenience only and in no way define, limit or describe the scope or intent of any provisions or Sections of this Lease.

**Section 15.11. No Personal Liability.** No person executing this Lease or any of the Bonds, the Master Resolution or the Security Documents shall be subject to personal liability or accountability by reason of such action or the issuance of the Bonds.
