## **6. Public Hearing: Consolidated Fee Schedule Update**

### **Minutes:**

Mayor Hedglin opened the public hearing for the Monticello City Consolidated Fee Schedule update at 7:13 pm. City Manager Kulow informed the Council that there have been a few changes with the fee schedule from the last council meeting. The reason for the change was that the San Juan County Landfill had raised their prices so he adjusted the City's appropriately. Kulow also added an additional fee for unauthorized items placed in dumpsters. Kulow stated that he made the changes to the recreation prices, as suggested by the Council last meeting, but asked for direction with the recreation multi child discount. He reminded the Council that the programs offered do not bring in income, the charges were simply a fee so tax revenue would cover the bulk of the programs. Recreation director Megan Gallegos explained the scope of the programs and supplies/manpower needed. She stated she felt the multi family discount would create a great deal of additional work/time administratively due to the fact that parents would not be able to sign up online independently. Gallegos stated financial hardships have and would continue to be taken into account. Parents may contact the City for help if the fees exceed their means. Councilmember Rice recommended the City continue as is with the recreation fee schedule. Councilmember Crowley stated he felt if Gallegos felt the price of the younger age groups should be lowered, then the City should lower them. The Council agreed to lower the price of the younger age group programs.

Hearing no additional comments Mayor Hedglin closed the public hearing at 7:35 pm.
