Signature Audit Summary

County: UTAH

Election: 2024 Primary

Auditor: Kristen Swensen

Date: 7/9/2024

Signature verification audits must be performed on 1% of all ballot envelopes PRIOR to any passed ballots in that group being separated from their envelopes AND on 1% of all challenged ballots prior to notification being sent to voters.

Number of signature affidavits audited on passed ballots (1% required): 907

Number of signature affidavits audited on challenged ballots (1% required): 68

Describe what was audited: 1% of passed and challenged signatures were randomly selected to be audited using an algorithm created by our ballot center lead. The signature on the ballot affidavit was compared to all signature on file for the voter. On challenged signatures, additional signature reviews were made by comparing all signatures on file for the voter and signatures of other household members if needed.

1. Has each person reviewing signatures received signature verification training within the current calendar year?

X Yes ___ No

2. Did the signature audit reveal any inconsistencies between the decision(s) made by the reviewer(s) to pass or challenge ballots and the findings of the audit??

X Yes ___ No (*If YES, please attach an explanation of any inconsistencies)

Additional reviews on other signatures the staffer processed were made. In all cases the auditor found the staffer was being more strict with their signature reviews. In the three cases where the signature was approved but should have been challenged, the signature had similarities, but not enough to make a conclusive match. The voters were sent a cure letter.

3. If yes, describe what additional training was provided or was the reviewer moved to another assignment? The staff members were brought into review the signature with the auditor and asked to explain how they determined their decision to approve or challenge the signature. A review of the audit process and clarification of guidelines was given to the staff member.

I have completed with audit in accordance with 20A-3a-402.5 and the Lieutenant Governor's Audit Policy
