

Notes from Trails Committee Meeting on June 26, 2024

Conference Room at City Hall, Alpine

Blue Bison's proposal to build a trail that doesn't tie into anything in order to convert their 4-lot parcel into a 5-lot parcel has been rejected. This is off Hog Hollow Road. We suggest that it ties into Longview at the longest switchback. Can't be any steeper than 5% grade. We are asking for a trailhead on Lake View Drive in order to access Hog Hollow via Longview.

Two parcels at the south of Lambert can't be subdivided without preserving the existing trails - Corkscrew and Flank and Indian.

Need to raise about \$100k to build a new downhill trail on Three Falls near the Bodily Harm intersection - trail would head west from the highest point near there near the big cedar tree and end at the Three Falls Trailhead.

Action Items:

Heather

Email race directors that we have a list of projects available for people who need to do 8 hours of service in order to enter an ultra trail race: Wasatch 100, Bear 100, Tahoe 100, Mountain Lakes 100, Angela's Crest 100, Hardrock 100, Cascade Crest 100, Crazy Mountain 100, Scout Mountain 100

Install new stickers

Install post at top of Crew's Folly for No Horses and Downhill only - Will has a post

Install Downhill Only sign on existing post at bottom of Crew's Folly

Breezy

Email Deanna about possible grant applications for a new trail and/or for thistle control

Shelly

Order 8 Stop Ahead stickers and 8 Stop stickers for road crossings at bottom of Spring and Rodeo.

Brainstorm money raising ideas for a new trail.

Trent

Contact Zooropa trail builder to get a design for a new trail so that we can start fundraising

Get the contact info for the noxious weed person - Jana Leinbach 801-796-4883 jleinbach@fs.fed.us

Will

Move the confusing post at the intersection of Judy's and High Bench

Remove the pipes from the water crossing on Judy's at the very top by the bus stop

Order 6 metal Downhill Only / Do Not Enter signs

Order more Carsonite

Submit article for the city newsletter

Flag Forbidden so that we can move the trail away from the Lehi City water rights piece - GPS

Have the new Three Falls Pond parking lot connector trail built

Ask if we can get the curb painted red to stop people from parking where the Three Falls trail crosses the street. Ask if we can get signs that show people that they need to park at the new Pond Trailhead.

Talk to Carla about appointing Everett to the trails committee.

List of Projects

Build a new bridge at the top of Judy's, right by the bus stop

Build a replacement bridge on High Bench for the bridge that was lifted on Trail Day - near the sand (second bridge from the top)

Prune the bottom of Spring where it crosses Box Elder Drive for greater visibility and safety

Put a bunch of dirt on the culvert at the west end of Forbidden to smooth this out

Newest fence on Forbidden - where the trail was recently slightly rerouted - trail needs to be moved back against the fence for a better grade. Prune this to reroute traffic.
