**To : Mayor
& City Council**

July 2, 2024

Dear Mayor & City Council

My Name is Brittney Alger-Richards. I am a United States Army Veteran and a local to Emery County. I am an events DJ, EMT and the Treasurer for Orangeville City.

I am writing to you today to extend to you the opportunity to be part of our kick off campaign to heal others with music.

For every event booked 10% of proceeds is used to purchase musical instruments or equipment for disabled veterans who desire to learn to DJ or learn to play a musical instrument. Giving them a useful outlet and skill to help render the effects PTSD has on the body.

Your Donation of \$200-\$500 will be used for equipment and advertising as part of our kick off campaign.

As a Thank You for your sponsorship, your Business/City logo will be added to our sound stage for events. Plus you will receive one (5 hour booking) with DJ Skuld Company at no cost to you.

Thank you for your time and consideration.

Regards,

Brittney Alger-Richards
