

Title: AI In Education

Date: August 2nd, 2024

AI in Education Monthly Report

1. UEN AI RFP

- a. The RFP closed in mid-June with three products being selected by the committee:
 - i. SchoolAI
 - ii. Magic School AI
 - iii. Skillstruck
- b. LEAs will be able to purchase these tools at a set price for the next five academic years.

2. USBE AI Summits

- a. Due to increased requests for AI information and learning opportunities, USBE is working with statewide, LEA, and industry to provide single day summits across Utah in early Fall. Locations will include:
 - i. Moab
 - ii. Ogden
 - iii. Orem
 - iv. Richfield
 - v. St. George
 - vi. Vernal
- b. Locations and dates are being determined in early September and registration will be shared with stakeholders soon after.
- c. The Teaching and Learning Digital Teaching and Learning and the Data Privacy teams will be helping to deliver these Summits.

3. Internal USBE AI Training Updates

- a. Google Gemini went live for all USBE users on July 10th. Training opportunities were shared with the community
- b. As part of the internal Gemini rollout, AI Specialist Matthew Winters established open office hours for all staff to work with him on AI professional development.
