Charter School Name:

Utah Military Academy - Camp Williams Campus

Charter School Director:

Bill Orris

Does this request meet the definition of a small expansion, as found in R277-550 and R277-552, which is: is for 50-100 students; would not necessitate a significant renovation; and is for no more than one additional grade?

Yes       No

Explanation from the charter school of justified need, as allowed by R277-552-6(4).

Over the years many families have desired to enroll their incoming 6th grade student. A key aspect of this is that many elementary schools go through 5th grade, meaning a student could possibly enroll in three schools in three consecutive years. UMA should fit within the requirements of the stated Rule.

Signature from the school's governing board chair and director, as allowed by R277-552-6(4).
