March 28, 2024
7:00pm

Committee in attendance: Justin Best, Jodi Nielson, Scott Allen, Dave Stemmons

Absent: Matt Dutson

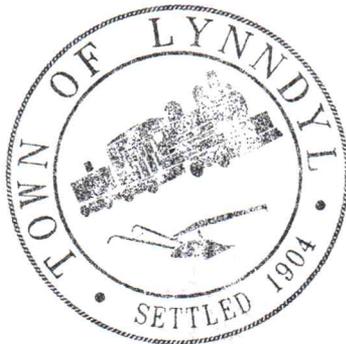

Others in attendance: Matt Draper, Spencer Proctor, Jess Peterson

Chairman Justin Best called the meeting to order and asked for a review of the minutes from February's meeting. Scott made a motion to approve the minutes, and Justin seconded. All were in favor.

Justin brought up a discussion for the goals for the committee for 2024. Scott mentioned a second well, and Spencer said that it's been applied for through CIB already. Our new well project includes a new pumphouse and new updated computer system. We are keeping the same pump and two spares.

Discussion on an updated General Plan followed with interest in updating our current one. Jess Peterson is more than happy to be a point of contact and help the town generate something. He will email some examples to be reviewed.

Justin made the motion to adjourn the meeting. Jodi seconded and all were in favor. Meeting adjourned.
