Local Farmer Partnership - B.U.G. Farms

Welcome to B.U.G. Farms

A naturally-grown, urban CSA farm based in Salt Lake City.

Backyard Urban Garden Farms or B.U.G. is a CSA (Community Supported Agriculture) Farm based in the Glendale neighborhood of Salt Lake City, Utah. Since 2010 we have been using conscientious and natural practices to produce a wide variety of vegetables. Our model is based on cultivating large, unused backyard plots in an urban setting to produce food for the Salt Lake City community. With just under an acre of land we produce vegetables for our CSA members from May through October every season.
