UFRA: Raleigh wasn't able to make it this month, sent an email, Ashlyn will send that out to everyone.

Fire Warden: Jordon is present, going pretty good, be ready. Don't be surprised if I page two departments right out the gate. Rather be in front then behind. Zack would like to thank Jordon for the opportunity to get some trucks out, it was really good.

Zack passed around the paper for the grant for the gas monitors if everyone wants to read over that and see if there's anything we want to change or add. Elliot asks if it would help to mention the HWY 89 and 28. Zack has never added it before, with this one they are more worried about terrorist and homeland security. So Zack added and talked about the correctional facility and the schools, thought about adding the temple. Kallen says maybe just say religious areas in it. Jay says maybe add hospitals. Zack can add religious activities, could say high influx of tourists during certain times. Zack will add religious buildings, or places of worship. Left it out originally because they don't have the pageant anymore. Jeff talks about maybe adding the turkey plant, with ammonia. Will add hospital, places of worship, and turkey plant to it, if there is anything else anyone can think of let Zack know. Will forward that to Albee and get started on that then.

Who would like to host the BBQ next month? Kallon nominates Fairview, and will plan on that. Also next meeting is when we will be changing chairman so keep that in mind. Need to get names and numbers for Fairview, will send an email out for that.

Motion to adjourn made by Jay Bartholomew, seconded by Jeff Hermansen, all in favor, motion passed. Votes were cast as follows: Zackary Jensen, Jeff Hermansen, Elliot Anderson, Todd Robinson, Aaron McClaskey, Kelbey Nay, Rex Christensen, Shawn Robison, Mark Hightower, Jay Bartholomew, Kallen Cox
