Councilmember Simmonds shared that the parking lot project will start on Friday with the chip sealing and rail road work being done also. He shared that the new tables have been ordered and Councilmember Merrill suggested putting in stake pockets for a pickleball court as part of the parking lot project, he explained that this would allow for individuals to put up a pickleball net and use the parking lot as a court.

Councilmember Davis discussed a collapsed pipe on the corner of Center and 200 South. He shared that Dave Davis is unable to get irrigation water through the pipe and expressed that he feels that the road work from last summer caused the pipe to collapse. He shared that he is worried that this will be a problem with spring drainage issues. Councilmember Merrill stated that if the pipe collapses because of the road work the town will be responsible for the repairs, otherwise the property owner should cover the cost of the repairs. Mayor Payne stated that he would like to see a 50/50 split on the cost of the repairs.
