3635 South Lawrence Road
Huntington, UT 84528

Date	Estimate #
8/14/2024	531J

Name / Address
Huntington City

Project
Park Concession Stand

Description	Qty	Total
The Following proposal by Kay Electric. This Estimate is to install a new power line from the park pavilion to the concession stand. Trenching and backfill. We can provide it. Unless you want to have the city workers do it. Approximately 36 Square ft of concrete will need to be removed and replaced. Same with trenching we can offer this or Huntington City can provide it. Installation of New Power line and conduit from pavilion to the concession stands *if we do trench and backfill we will put the chunks of grass back in place, but final grass repair will be up to Huntington city.		
	Package.	\$1,500.00
