Mayor: Leonard Norton

FY2024 – Explanations of Mitigating Controls

2. General ledger entries are made through Pelorus and reviewed monthly by City Council and the Audit Committee.
3. Customer account adjustments are reviewed monthly by City Council and the Audit Committee.
7. Credit card statement notices are received by email to the Treasurer, Mayor and the Recorder. Upon notification the Treasurer will sign in to the Zions website and download the control statement and the individual statements that have charges. The individual statements will be given to that person to verify charges. The Recorder will sign in to the Zions website and print out the Treasurer's credit card statement and compare it to the control statement that is used for payment. Since the Treasurer is the main purchaser for the city the invoices are signed by the person requesting the item. The statement with original receipts is approved by the city check signers and reviewed and signed off by the Audit Committee.
