1. Welcome

Mayor Overson welcomed the two residents in attendance at 6:00 p.m. and explained that the meeting was intended to be for open discussion in an informal setting. She invited those present to discuss any topics they were interested in.

2. "Let's Talk Taylorsville"

Sherry Gott explained that she lived in Taylorsville Senior Housing and expressed concern about the construction going on at Taylorsville Park. She pointed out that it affected 60+ senior

residents, many of whom had respiratory issues that were being exacerbated by the blowing dirt. She asked if there was anything the City could do to mitigate the problem.

Brad Dalton mentioned the possibility of covering the north side of their building with visqueen.

Mayor Overson indicated she would consult with the engineer and developer to see what could be done. Ms. Gott would be the contact person and someone at the City would get back to her with a response.

The residents departed.

3. Adjournment

The meeting adjourned at 6:19 p.m.
