RECITALS

WHEREAS, LOCAL AUTHORITY has contracted with CONSULTANT to provide certain right of way services as described in Exhibit E.

WHEREAS, CONSULTANT represents that it has sufficient experienced personnel and equipment to perform, and LOCAL AUTHORITY desires CONSULTANT to perform said services.

AGREEMENT

NOW, THEREFORE, in consideration of the mutual undertakings herein contained, the parties hereto agree as follows:

1. **Contract Jurisdiction and Compliance with the Professional Standard of Care, and Applicable Laws:** Should another section of this contract conflict with this section 1, the terms of this section will control. The provisions of this contract will be governed by the laws of the State of Utah. As to all services provided under this contract, the CONSULTANT will furnish services by skilled and experienced personnel and under the supervision of skilled and experienced professionals licensed in Utah, as applicable, and will exercise a degree of care and diligence in the performance of these services following the customary professional standards currently practiced by firms in Utah and will comply with any and all applicable codes, laws, ordinances, administrative rules, federal regulations, and this contract (the Standard of Care).

As to other documents or materials provided or prepared by the CONSULTANT or its sub-consultants, the CONSULTANT agrees to comply with all applicable laws, statutes, administrative rules, federal regulations, and building codes currently in effect.

All professional right of way services and associated products or instruments of those services provided by the CONSULTANT will comply with all applicable codes, laws, administrative rules, and regulations of any state or federal governmental entity, including, but not limited to, the United States Department of Transportation with the LOCAL AUTHORITY and the DEPARTMENT serving as the interpreter of the intent and meaning of any other applicable code or rule.

2. **Scope of Services:** The LOCAL AUTHORITY desires CONSULTANT to perform those services which are described in the Scope of Work attached as Exhibit E and incorporated by reference, which relate to right of way services. The services may be more specifically described and may be modified pursuant to written instructions issued by LOCAL AUTHORITY and DEPARTMENT and accepted by CONSULTANT. The services will be performed in accordance with information furnished to CONSULTANT by LOCAL AUTHORITY, DEPARTMENT and CONSULTANT must be entitled to rely upon such information; provided that nothing contained in this Agreement will limit or abrogate the obligation of CONSULTANT to diligently use best efforts to perform the services in the manner and within the given times. The LOCAL AUTHORITY and DEPARTMENT do not guarantee any amount of work to be provided to the CONSULTANT as the LOCAL AUTHORITY and DEPARTMENT has the sole discretion in determining the frequency of services that will be required

At such time as LOCAL AUTHORITY and DEPARTMENT desires CONSULTANT to perform additional services, LOCAL AUTHORITY and DEPARTMENT will make a request for the performance of such additional services by issuing to CONSULTANT's contact listed in the Agreement a written request for additional services describing the additional services to be performed ("Request for Additional Services"). CONSULTANT will perform the designated services pursuant to each Request for Additional Services for the compensation, and in accordance with the specified terms and conditions. The CONSULTANT may decline to perform any services that are outside the scope of services or are beyond the capability of

CONSULTANT. CONSULTANT will provide written acknowledgement of acceptance to LOCAL AUTHORITY and DEPARTMENT within fifteen (15) days after receipt of each Request for Additional Services.

As a condition to CONSULTANT agreeing to render the services, CONSULTANT represents and warrants that the services contemplated by the Scope of Work, under any written instruction or Request for Additional Services are or will be in compliance with all applicable laws, the noncompliance with which would have a material adverse effect on the completion of the services by CONSULTANT. For these purposes, applicable laws will mean any regulation, ordinance, statute, ruling, appeal, or any other legal pronouncement issued by a governmental agency, governmental organization, or court of law, which has jurisdiction over the parties. As a condition to CONSULTANT entering into this Agreement and if necessary, CONSULTANT warrants that it has or will obtain licenses to do business in the location in which the services are to be performed.

3. **Compensation:** For the performance of the services, DEPARTMENT will pay CONSULTANT, as full and complete compensation, and in the manner and at the times specified in Sections 4 and 5 of the Agreement, a fee based upon the fee schedules as shown in Exhibit F (the "Fee Schedule").
4. **Costs and Expenses:** The Fees supplied by CONSULTANT are inclusive of all costs and expenses to be provided in the attached Fee Schedule. LOCAL AUTHORITY and DEPARTMENT will not be liable to reimburse CONSULTANT for indirect costs and expenses including without limitation those routinely and customarily treated as general and administrative expenses by CONSULTANT.
5. **Payments:** Invoices must be submitted by CONSULTANT to LOCAL AUTHORITY and DEPARTMENT on a monthly basis. In order to minimize delay of payment to CONSULTANT, CONSULTANT must submit to LOCAL AUTHORITY and DEPARTMENT invoices for the prior month no later than thirty (30) calendar days of each month for processing and DEPARTMENT will pay CONSULTANT within sixty (60) days from the receipt of the invoice.
6. **Period of Services:** This Agreement will be applicable to all services authorized by LOCAL AUTHORITY and DEPARTMENT and accepted by CONSULTANT for the period stated in this contract subsequent to the effective date and completion date in Sections 15 and 25. All authorized services will be governed by the terms and conditions of this Agreement. Upon mutual agreement of the parties, this Agreement may be extended, re-negotiated, or terminated pursuant to Section 15.
6. **Accounting and Audit of Costs:** CONSULTANT must maintain books and accounts of the services rendered in accordance with generally accepted accounting principles and practices and in a manner compatible with CONSULTANT's established system of accounts. CONSULTANT must make available to LOCAL AUTHORITY and DEPARTMENT such books and records for audit purposes at reasonable times during the term of this Agreement and for a period no less than the term of this contract.
7. **Responsibility of CONSULTANT:** CONSULTANT, its employees, and its approved subcontractors must be responsible in the performance of the services under this Agreement for exercising the degree of skill and care required by customarily accepted good professional subcontracting and technical practices and procedures, including the skills and experience related to right of way work. If services performed by CONSULTANT, its employees, personnel, and subcontractors fail to meet the standards LOCAL AUTHORITY and DEPARTMENT may elect to have CONSULTANT correct or cause to be corrected any of the services of CONSULTANT, its employees, or subcontractors which fail to meet such standards where (i) such failure appears during the performance of CONSULTANT's services or within one (1) year from the date of completion of CONSULTANT's service, and (ii) LOCAL AUTHORITY and

DEPARTMENT notifies CONSULTANT of any such failure within thirty (30) days following the discovery, but in no event later than thirteen (13) months from the completion of CONSULTANT's services requiring corrections. Any such corrections of the services will be at no cost to LOCAL AUTHORITY or DEPARTMENT.

The obligations and duties to be performed by CONSULTANT under this Agreement must be performed by persons qualified to perform such duties efficiently. CONSULTANT, if LOCAL AUTHORITY and DEPARTMENT directs, must replace any person employed by CONSULTANT with another qualified employee or subcontractor with prior approval from LOCAL AUTHORITY and DEPARTMENT. The LOCAL AUTHORITY and DEPARTMENT has the right to determine which employee or subcontractor works on part of the right of way services as defined in Exhibit E. CONSULTANT must sign the Confidentiality Form contained in Exhibit C. If CONSULTANT uses any subcontractor, CONSULTANT will require the subcontractor to sign the Confidentiality Form.

9. **Compliance with the John S. McCain National Defense Authorization Act:** The CONSULTANT certifies conformance and continued conformance with Public Law 115-232, § 889 and 2 CFR § 200.216.
10. **Insurance:** CONSULTANT and its approved subcontractors will take out and maintain insurance consistent with the requirements. CONSULTANT will furnish to LOCAL AUTHORITY and DEPARTMENT Certificates of Insurance, signed by its insurance carriers, evidencing the insurance required. Each certificate will provide that at least 30 days' prior written notice will be given to LOCAL AUTHORITY and DEPARTMENT in the event of cancellation, suspension, or material change in the policy to which it relates. Notwithstanding anything contained in this Agreement to the contrary, in no event will LOCAL AUTHORITY and DEPARTMENT have any liability to the insurers for payment of premiums. It is expressly agreed and understood that the cost of premiums and the deductibles for insurance required by this Section will be paid by CONSULTANT. LOCAL AUTHORITY and DEPARTMENT must be named as additional insureds.

CONSULTANT must maintain the following insurance in full force and effect during the term of this Agreement from a carrier duly licensed to do business in the State of Utah and must meet the specific A M Best rating or better at the time this contract is executed.

- A. *Comprehensive Motor Vehicle Liability Insurance:* CONSULTANT must maintain insurance covering all motor vehicles (including owned, non-owned and hired) used in providing services under this Agreement, with a combined single limit of not less than \$1,000,000 per occurrence and having an A M Best rating of A-class VIII or better. If this coverage is written on a claims-made basis, the Certificate of Insurance must so indicate.
- B. *Worker's Compensation Insurance:* CONSULTANT must maintain a Worker's Compensation Plan covering all of its employees as required by Utah law, either through Worker's Compensation Insurance issued by an insurance company or through a plan of self-insurance. If employees are covered by Workers Compensation Fund of Utah, then the A M Best rating is not required in this area.

All required policies, endorsements, insurance companies issuing same, and self insured programs are subject to review and approval by the State of Utah Risk Manager.

11. **Assignment and Subcontracting:** The CONSULTANT must not subcontract any of the work required by this contract, or assign monies to be paid to the CONSULTANT hereunder, without the prior written approval of the LOCAL AUTHORITY and DEPARTMENT. The amount billed to the LOCAL AUTHORITY and DEPARTMENT for subcontractor costs must be the same amount the CONSULTANT actually pays subcontractor for services required by this contract. All payments

made by the CONSULTANT to the subcontractor for services required by this contract will be subject to audit by the LOCAL AUTHORITY and DEPARTMENT. All subcontracts must be in writing and include all the same terms and conditions and provisions included in this contract. However, the prime CONSULTANT is responsible for ensuring that all work performed by sub-consultants is insured under their insurance policy, or they require that the sub-consultants meet the insurance provisions required under this contract.

The CONSULTANT must perform work valued at not less than **50%** of the total contract amount with its own staff. (*Provision revised 2/15/2023.*)

12. Personnel/Staffing Plan: For any change in key personnel from that specifically identified in Exhibit E of this contract, the CONSULTANT must provide an equivalent or better qualified replacement subject to DEPARTMENT and LOCAL AUTHORITY approval. Any change in personnel from that specifically identified in Exhibit E of this contract, must be approved by the DEPARTMENT and LOCAL AUTHORITY through a modification to this contract or a Contract Management System (CMS) Alternative Staff Transaction prior to any work being performed by new personnel. Invoices submitted for payment with unauthorized personnel will not be paid.

13. Indemnification

- (a)** The CONSULTANT must hold harmless and indemnify the DEPARTMENT and the LOCAL AUTHORITY, their officers, authorized agents and employees from and against claims, suits and cost, including reasonable attorneys' fees, for injury or damage to the extent caused by the negligent acts, errors, omissions, or willful misconduct of the CONSULTANT, or its subconsultants when acting within the scope of their subcontract, or their respective agents, employees or representatives.
- (b)** The CONSULTANT is an independent contractor contracted with the LOCAL AUTHORITY and approved by the DEPARTMENT. Any periodic plan and specification review or construction inspection performed by the LOCAL AUTHORITY or DEPARTMENT arising out of the performance of the contract, does not relieve the CONSULTANT of its duty in the performance of the contract, or ensure compliance with the Standard of Care.
- (c)** No party to this contract will be liable to the other party or any third-party claiming through the other respective party, for any special, incidental, indirect, punitive, liquidated, delay or consequential damages of any kind including but not limited to lost profits or use of property, facilities or resources, that may result from this contract, or out of any goods or services furnished hereunder.

14. Ownership of Drawings, Documents and Intellectual Property Rights: CONSULTANT agrees that all reports, surveys, studies, specifications, memoranda, drawings, and other documents furnished by CONSULTANT, or by any subcontractor to CONSULTANT, and used in the performance of the services will be the sole and exclusive property of LOCAL AUTHORITY and DEPARTMENT to use for any purpose by LOCAL AUTHORITY and DEPARTMENT without additional compensation to CONSULTANT. CONSULTANT will not release or publish any data or documents used in the performance of the services without the prior written consent of LOCAL AUTHORITY and DEPARTMENT.

15. Termination: This contract may be terminated as follows:

- (a)** By mutual agreement of the parties; in writing and signed by the parties.
- (b)** By any party for failure of another party to fulfill its obligations, as set forth with the provisions of this contract and in particular with Attachment C, "Services Provided by the CONSULTANT" or Section 29 "Duties of the LOCAL AUTHORITY and the

DEPARTMENT". Reasonable allowances will be made for circumstances beyond the control of the CONSULTANT and the LOCAL AUTHORITY or the DEPARTMENT. Written notice of intent to terminate is required and must specify the reasons supporting termination.

- (c) By the DEPARTMENT for the convenience of the State upon written notice to the CONSULTANT.
- (d) By the LOCAL AUTHORITY or the DEPARTMENT, if the LOCAL AUTHORITY or the DEPARTMENT determines that the performance of the CONSULTANT is not satisfactory, the DEPARTMENT may notify the CONSULTANT of the deficiency with the requirement that the deficiency be corrected within a specified time; but not less than 10 days. Otherwise the contract will be terminated at the end of such time.
- (e) By the LOCAL AUTHORITY or the DEPARTMENT, if the LOCAL AUTHORITY or the DEPARTMENT requires termination of the contract for reasons other than unsatisfactory performance of the CONSULTANT, the DEPARTMENT will notify the CONSULTANT of such termination, with instructions as to the effective date of work stoppage or specify the stage of work at which the contract is to be terminated.
- (f) If the contract is terminated before performance is completed, the CONSULTANT will be paid for the work satisfactorily performed up through the date of termination. Payment is to be on the basis of substantiated costs, not to exceed an amount which is the same percentage of the contract price as the amount of work satisfactorily completed is a percentage of the total work called for by the contract.
- (g) The LOCAL AUTHORITY and the DEPARTMENT reserve the right to cancel and terminate this contract in the event the CONSULTANT or any employee or agent of the CONSULTANT is convicted for any crime arising out of or in conjunction with any work being performed by the CONSULTANT for or on behalf of the LOCAL AUTHORITY or the DEPARTMENT, without penalty. It is understood and agreed that in the event of such termination, all data acquired and work product produced under this contract will be turned over to the LOCAL AUTHORITY and the DEPARTMENT within seven (7) calendar days. The LOCAL AUTHORITY and the DEPARTMENT reserve the right to terminate or cancel this contract in the event the CONSULTANT will be placed in either voluntary or involuntary bankruptcy or an assignment be made for the benefit of creditors. The LOCAL AUTHORITY and the DEPARTMENT further reserve the right to suspend the qualifications of the CONSULTANT to do business with the LOCAL AUTHORITY or the DEPARTMENT upon any such conviction.
- (h) Upon satisfactory completion of required contract services.
- (i) On termination of this contract all accounts and payments will be processed in accordance with contract terms. An appraisal of the value of work performed to the date of termination must be made to establish the amount due to or from the CONSULTANT. If the contract fee type is Cost-Plus-Fixed-Fee-With-Fixed-Total-Additive-Rate and the contract is terminated for reasons other than paragraph 15(h), the final fixed fee amount will be paid in proportion to the percentage of work completed as reflected by the periodic invoices as of the date of termination of the contract. Upon determining the final amount due the CONSULTANT, or to be reimbursed by the CONSULTANT, in the manner stated above, the final payment will be processed in order to close out the contract.

16. CONSULTANT as Independent Contractor: CONSULTANT is an independent contractor with respect to its performance of the services under this agreement. Services must be performed in accordance with the LOCAL AUTHORITY and DEPARTMENT's rules and policies, the terms of this Agreement, and all applicable laws. CONSULTANT agrees to comply with all Applicable Laws regarding discrimination in employment against any individual on the basis of race, color, religion, sex, national origin, physical or mental impairment, or age.
18. **Waiver:** The failure of either party hereto to enforce strict performance of any of the terms or conditions of this Agreement, or to exercise any right conferred, must not be construed as a waiver or relinquishment to any extent of its right to assert or rely upon any such terms or rights on any future occasion.
19. **Severability:** In the event that any of the provisions, or portions or applications of this Agreement are held to be unenforceable or invalid by any court of competent jurisdiction, CONSULTANT and LOCAL AUTHORITY and DEPARTMENT will negotiate an equitable adjustment in the provisions of this Agreement with a view toward affecting the purpose of this Agreement. In the event the parties fail to agree on the terms of such an adjustment and if the provision is held invalid or unenforceable because the fulfillment of such provision would involve exceeding the limit of validity prescribed by law, then upon the occurrence of said determination, the obligation to be fulfilled will be reduced to the limit of validity prescribed by law. If the provision cannot be modified so as to be enforceable under existing laws, this Agreement will be construed and enforced as if such provision had not been included herein and the validity and enforceability of the remaining provisions, or portions of applications, will not be affected.
20. **Entire Agreement:** This Agreement, including all its Exhibits, which are hereby incorporated by this reference, constitutes the entire Agreement between the parties hereto relating to the subject matter and supersedes any previous contracts, agreements or understandings.

22. **Communication and Authority:** CONSULTANT agrees to cooperate and coordinate with LOCAL AUTHORITY and DEPARTMENT in all aspects of performance of this Agreement, and to communicate frequently with appropriate LOCAL AUTHORITY and DEPARTMENT's personnel regarding progress of services, including key and important decisions regarding the Agreement and the work performed. Both parties will designate in writing, specific employed personnel who will serve as points-of-contact and authorized representatives for the respective parties as to the services performed under this Agreement. All services to be performed will be subject to the direction and approval of LOCAL AUTHORITY and DEPARTMENT.
23. **Applicable Law:** The essential validity of this Agreement and all matters pertaining thereto, including but not limited to, matters of performance, non-performance, breach, remedies, procedures, rights, duties and interpretation or construction, must be construed and governed by the laws of the state of Utah the services are performed; the parties further agree that the proper

jurisdiction and venue of any claims, cause of action or litigation arising out of this Agreement will be within the state of Utah.

24. **Rights and Benefits:** CONSULTANT's services will be performed solely for the benefit of LOCAL AUTHORITY and DEPARTMENT and not for the benefit of any other persons or entities.
25. **Disputes:** In the event that a dispute should arise relating to the performance of the services to be provided and should that dispute result in litigation, it is agreed that the prevailing party will be entitled to recover all reasonable costs of litigation, court costs, attorneys' fees and other related expenses.

Note: If the Appraiser is working on a parcel that will not be acquired under the threat of eminent domain, the appraisal must include a paragraph in the report that states "his is an arm' length transaction not under the threat of eminent domain"(i.e., *this appraisal is for a voluntary transaction between willing buyer and willing seller. In the event that the parties cannot agree upon a purchase price, UDOT will not proceed to condemnation. The possible acquisition of the property by UDOT represents a market transaction that is not under the threat of condemnation*).
