

General Plan Update Workflow/Timeline

1

Overview Presentation

- Key Policy Themes that will guide the General Plan.
- Draft policies and open discussion.
- Want to have a good direction moving forward on key policies and themes of General Plan.
- Public notified of draft plan discussion.

2

Small Group Meetings

- Organized to avoid creation of a quorum.
- Opportunity for everyone to be heard.
- Open discussion about General Plan elements, etc.
- Discuss draft assignments.

3

Joint Work Session

- Focus on Future Land Use Map in small groups.
- Have the map reflect the policy goals and themes agreed upon previously.
- Policy driving map, not map driving policy.
- November or December

4

Draft Assignments

- Support ownership of the General Plan.
- Multiple persons assigned to review different elements of General Plan draft plan.
- Want to be respectful of everyone's time. Review of entire draft during adoption process.

5

Adoption Process

- Formal presentation of entire plan for adoption.
- Public hearings.
- Public notified of the plan adoption process.
