VOTING ITEMS

- 2024-2025 Early Learning Plan – Ryan Robinson reviewed the history and process of the Early Learning Plan. This plan has been pre-approved by the state. Ryan stated that it includes math and literacy goals and how they are going to achieve it. There was a discussion on the new curriculum and if it is helping increase our scores.
- Spain Study Aboard Trip Expenses – Ryan Robinson stated that they have increased the student fee this year for the Spain trip due to increase of cost. These costs have continued to increase. Changes have been made to the standards and expectations for the trip which we feel is already helping. We anticipate 43 students going on this trip. Ryan discussed the positive behavior intervention system (PBIS) that they implemented last year that has definitely helped.
- Amend Arrest Reporting Policy – Ryan Robinson reviewed the amended Arrest Reporting Policy and administrative procedures. This includes staff members, parent volunteers and board members. This policy is included in our annual onboarding packet for our employees.
- Amend Selection, Approval, and Purchase of Instructional Materials Policy – Ryan Robinson reviewed the Selection, Approval and Purchase of Instructional Materials Policy. It gives you a process on how parents can review it. It also includes the name change to Instructional Materials Policy. Because this policy now includes library books and has a

sensitive materials review procedure, we will be recommending rescinding the Library Materials Policy. There was a discussion on the list of banned books.

- Amend Bigfoot Grafix Purchase – Ryan Robinson reported that once this got started it ended up going over the original cost of the RFP approval so we are requesting a slight increase of this purchase. There was a discussion on the elementary project and if the cost should be included with this. Ryan reported that the elementary won't be nearly as extensive as the jr. high project. However, we should be able to make it happen sometime this year.
