Narrative of the project and use of the land:

Virgin Town has purchased the former LDS Church located at the property address above. Virgin desires to use the property as a town hall. Therefore, the use will change from a church to a Public Building. Pursuant to VULU Chapter 16, a change of use to a conditional use requires a Conditional Use Permit from the Planning Commission.

List all permits that may be required by state or federal agencies:

None that I am aware of

**Have all the prerequisites of chapter 16 of VULU been met? [] Yes [] No

The Conditional Use Permit once granted, and from final date of approval must coincide with the building permit timeline and no Certificate of Occupancy will be issued without all conditional uses being met.

WHEN A CONDITIONAL USE PERMIT IS GRANTED SUBJECT TO CONDITIONS, SUCH CONDITIONAL USE PERMIT DOES NOT BECOME EFFECTIVE UNTIL SUCH TIME AS THOSE CONDITIONS HAVE BEEN MET AND APPROVED BY ZONING ADMINISTRATOR AND/OR PLANNING COMMISSION AND TOWN COUNCIL.

*NOTE – A Conditional Use Permit does not eliminate the necessity of obtaining a Building Permit or Business License. A Building Permit is required for construction of all buildings in the project.

IF REQUIRED, APPLICANT MUST SUBMIT STAMPED, ADDRESSED ENVELOPES FOR ALL PROPERTY OWNERS WITHIN 300FT OF THE AFFECTED PROPERTY 10 DAYS BEFORE THE PUBLIC HEARING.
