Agenda Item 4	<p>4. Winter Response</p> <p>The UHSB granted OHS authority to work with the Balance of State CoC and Mountainland CoC to coordinate \$420,000 for FY25 winter response within the following counties, Bear River, Carbon-Emery, Grand, Iron, Mountainland (Summit and Wasatch Only), San Juan, Six, Tooele, and Uintah Basin. OHS will present funding recommendations and project details to the UHSB during the September 12th meeting for approval.</p> <p>OHS had requested communication within the LHC's to discuss what needs each LHC has for winter response and code blue, along with a dollar amount. The requests are currently at \$722,000. OHS is now working through all those requests and reminded the committee to communicate with providers the importance of making sure the requests are directly related to winter response and code blue.</p> <p>LHC leadership has committed to editing their budgets and focusing only on critical winter response and code blue needs.</p> <p>OHS will communicate where all the requests have landed in relation to the money that has been set aside, and determine if another meeting needs to be scheduled before the September 12th UHSB meeting.</p>	<p>Tricia Davis</p>
